Street Kids The Tragedy Of Canadas Runaways

**Canadian Association of Schools of
Social Work. Meeting, Wes Shera**

Street Kids The Tragedy Of Canadas Runaways:

Street Kids Marlene Webber,1991 This Canadian book focuses on the pain and suffering of street kids By speaking FOR the kids the author intends to raise public concern and lead to new systems for safeguarding the lives of children **Street Kids** Marlene Webber,1991-01-01 In cities across North America teenage runaways are struggling to stay alive Some don't make it to adulthood Some do but their lives rarely rise above the despair that brought them to the streets in the first place A few manage to beat the street to get their lives back on track In this disturbing account Marlene Webber draws on extensive interviews with these kids to explore the realities of street life its attraction and its consequences Street kids like to project an image of themselves as free wheeling rebels who relish life on the wild side All brashness and bombast they strut around inner cities panhandling posturing and prostituting themselves Labelled society's bad boys and girls they often live up to their image But as sixteen year old Eugene tells us the street forces bravado on homeless adolescents but underneath a lot of kids are plenty scared Eugene is only one of many street kids who talked to Webber in major cities across Canada She lets her subjects tell their own stories their voices are sometimes brave sometimes bitter often heartbreaking Webber cuts a comprehensible path through the tangle of forces including family breakdown and social service failure that accelerate the tragedy of Canada's runaways She suggests measures that might help more of them beat the streets **Finding Home:**

Policy Options for Addressing Homelessness in Canada ,2009 **Mean Streets** John Hagan,Bill McCarthy,1998-08-28 About youth crime and homelessness in Canada **Protecting Children** Kathleen Kufeldt,Barbara Fallon,Brad McKenzie,2021-06-25 Focusing on children who are subject to welfare intervention Protecting Children addresses the challenges and issues of the child welfare system and provides foundational knowledge on the theoretical and practical aspects of the field This edited collection begins with a review of key concepts including child development attachment and resilience theories social policies family law and ethics Highlighting the translation of theory into practice the contributors discuss current services and the search for best practice internationally as well as explore Indigenous child welfare and offer conclusions and recommendations to promote positive outcomes for children and families involved in the system Scholars researchers and practitioners from across the globe provide insight on a wide range of timely issues such as the risk of reductionism limits to predictability pragmatic issues as well as the disproportional presence in the care system of minority groups including Indigenous children children of new immigrants and refugees children in LGBTQ communities and children of the poor This foundational volume is an important resource for courses in social work and child welfare **FEATURES** includes contributions from researchers practitioners and scholars from Australia Canada New Zealand the United Kingdom and the United States highlights Indigenous authors and personal stories of service users and includes figures and tables throughout the text as well as section introductions and conclusions to situate main theories and concepts for students

StreetCities Rae Bridgman,2006-01-01 A wonderful example of contemporary anthropology Irene Glasser Community

Renewal Team CRT Hartford Connecticut *Making Work, Making Trouble* Deborah Brock, 2009-09-26 Thoroughly updated to include events that have occurred in the decade since it was originally published this second edition of *Making Work Making Trouble* re establishes this work as the pre eminent study of prostitution in Canada Detailing the various forces that have presented prostitution as a social problem Deborah R Brock examines anti prostitution campaigns urban development new policing strategies and the responses of the media the courts and governments as well as feminist rights and residents organizations Paying particular attention to rights and the means of economic survival within global and local realities this edition includes new material on recent discourse on sex trafficking migrant sex work ex worker rights organizing and considers the potential impact of the Robert Pickton trial on the practice of sex work A comprehensive overview of the crucial debates on prostitution *Making Work Making Trouble* is a welcome addition to twenty first century sociology and criminology

Remnants of Nation Roxanne Rimstead, 2001-01-01 Treating poverty not simply as a theme in literature but as a force that in fact shapes the texts themselves Rimstead adopts the notion of a common culture to include ordinary voices in national culture in this case the national culture of Canada **Street Gangs Throughout the World** Herbert C.

Covey, 2010 This updated and expanded new edition continues the theme of the first edition of emphasizing the substantial growth of street gangs throughout the world Although a substantial amount of research on street gangs has been conducted in recent decades much of it has focused on the United States This book summarizes much of the research being conducted in many other countries where the street gang phenomenon is currently developing which includes poverty the retreat of the state increasing income inequality urbanization population growth exploitation marginalization underground economies racism and ethnocentrism The introductory section of the text addresses important topics on the various definitions of gangs and youth subcultures and presents methodological issues concerning the measurement of street gang activity in different countries The second section offers an overview of the primary studies and most recent findings regarding American street gangs The third section discusses recent and historical findings about street gangs in Europe and highlights studies in Great Britain Northern Ireland Scotland France Germany Belgium Scandinavia and the Eastern European bloc The fourth section provides current research on the Western Hemisphere and focuses on Canada Jamaica Brazil Venezuela Nicaragua Trinidad Ecuador Tobago and El Salvador and further examines the influence of American style gangs on the region Section five addresses street gangs in India China Japan Hong Kong and Korea with special emphasis on Russia The sixth section discusses the emerging street gang activity in Africa and Australia as well as many of the island nations of the Pacific Ocean The final section compares gang research from the various parts of the world and projects universal trends This book provides the most current and comprehensive overview of worldwide street gang activity stressing those features that are shared by all gangs regardless of nationality ethnicity or gender and postulates what the future holds for street gangs throughout the world **Handbook for Working with Children and Youth** Michael Ungar, 2005-05-11 To study resilience

one should adopt a fundamental humility about oneself and one's culture and society and simultaneously a respect for the human strength of others. The chapters in this book take these three cautions seriously and offer a convincing demonstration that resilience is indeed a many splendored thing. James Garbarino, Cornell University. *The Handbook For Working With Children and Youth: Pathways To Resilience Across Cultures and Contexts* examines lives lived well despite adversity. Calling upon some of the most progressive thinkers in the field, it presents a groundbreaking collection of original writing on the theories, methods of study, and interventions that promote resilience. Unlike other works that have left largely unquestioned their own culture-bound interpretations of the ways children and youth survive and thrive, this volume explores the multiple paths children follow to health and well-being in diverse national and international settings. It demonstrates the connection between social and political health resources and addresses the more immediate concerns of how those who care for children create the physical, emotional, and spiritual environments in which resilience is nurtured.

Key Features:

- Cross-cultural: Illustrates the rich variety of culturally embedded pathways by which children navigate toward health and well-being.
- Multidisciplinary: Draws upon international experts utilizing both quantitative and qualitative studies from psychology, social work, psychiatry, nursing, education, criminology, child and youth care, community health, and family therapy.
- Comprehensive: Provides broad developmental perspectives on resilience from theory and research methods to interventions with individuals, families, and communities.
- Connects theory to practice: Clarifies the construct of resilience from the viewpoint of resilience researchers and practitioners in health-related disciplines from different methodological paradigms within the social sciences and human services.

Academics, graduate students, and professionals studying or working in human service fields such as human development and family studies, education, social work, child and youth care, work, developmental psychology, applied developmental science, child psychiatry, nursing, and family therapy will benefit from this Handbook. In essence, anyone who works with youth or is interested in the developmental issues related to children and youth in clinical, residential, or community settings will find Ungar's Handbook to be of great value.

Studying Runaways and Street Youth in Canada

Augustine Brannigan, Tullio Caputo, Canada. Solicitor General Canada. Police Policy and Research Division, 1993. The primary focus for this report is provided by 5 general questions: What is the size of the runaway and street youth population? What are the demographic characteristics of these young people? What are the antecedents to running and becoming a street kid? What are the consequences of participating in street life, and how does a young person get off the streets? and What services are directed at these young people in the areas of education, health, criminal justice, and social services, and what gaps or overlaps exist in these services? The researchers provide an extensive review of the literature on street youth and runaways, followed by a detailed overview of the most recent Canadian research which focuses specifically on the design decisions adopted in these studies. Next, a conceptual model and methodological strategies are developed. Finally, the results of a pilot study, the Calgary Experience, that incorporated much of the information garnered in previous sections are presented.

Emerging

Perspectives on Anti-oppressive Practice Canadian Association of Schools of Social Work. Meeting, Wes Shera, 2003 This book consists of 27 chapters developed from papers originally delivered at a recent conference at the University of Toronto on anti oppressive practice in social work Dr Shera has gathered expert contributors to discuss define and analyse theories of social work practice pedagogical issues fieldwork practice models of education of social work practitioners and current critical issues These selected conference papers lay the groundwork for anti oppressive practice in a way that will generate discussion and inspire researchers and practitioners

Street Kids Kristina E. Gibson, 2011-05-09 Street outreach workers comb public places such as parks vacant lots and abandoned waterfronts to search for young people who are living out in public spaces if not always in the public eye Street Kids opens a window to the largely hidden world of street youth drawing on their detailed and compelling narratives to give new insight into the experiences of youth homelessness and youth outreach Kristina Gibson argues that the enforcement of quality of life ordinances in New York City has spurred hyper mobility amongst the city s street youth population and has serious implications for social work with homeless youth Youth in motion have become socially invisible and marginalized from public spaces where social workers traditionally contact them jeopardizing their access to the already limited opportunities to escape street life The culmination of a multi year ethnographic investigation into the lives of street outreach workers and their kids on the streets of New York City Street Kids illustrates the critical role that public space regulations and policing play in shaping the experience of youth homelessness and the effectiveness of street outreach

Globalizing the Streets Michael Flynn, 2008 Not since the 1960s have the activities of resistance among lower and working class youth caused such anxiety in the international community Yet today the dispossessed are responding to the challenges of globalization and its methods of social control The contributors to this volume examine the struggle for identity and interdependence of these youth their clashes with law enforcement and criminal codes their fight for social political and cultural capital and their efforts to achieve recognition and empowerment Essays adopt the vantage point of those whose struggle for social solidarity self respect and survival in criminalized or marginalized spaces In doing so they contextualize and humanize the seemingly senseless actions of these youths who make visible the class contradictions social exclusion and rituals of psychological humiliation that permeate their everyday lives

Under the Rainbow Jeanette A. Auger, Kate Krug, 2020-07-10T00:00:00Z With contributions from Dayna B Daniels Judy Davidson Valda Leighteizer and Ross Higgins Under the Rainbow is a primer on the social and political history and the everyday practices and processes of living queer lives in Canada Framed through a life course perspective this book provides an overview of the historical and contemporary issues in the lives of gay lesbian bisexual trans and or queer folk The chapters in this text highlight the contributions of academics and community groups as well as individuals working on queer issues in Canada and focus primarily on contemporary Canadian material introducing readers to topics such as law history health education youth older persons end of life decisions social constructions of sexual identities sports transgender issues

and issues experienced by lesbians and gay men living in Quebec Youth and Society Vappu Tyyskä, 2014-01-02 In this essential third edition Vappu Tyysk examines the challenges faced by today's young people through a critical lens Difficult questions related to such issues as employment education social pressure identity and crime are explored by Tyysk as she paints a fascinating picture of modern youth in three countries Canada the United States and the United Kingdom The author explores the negative stereotypes surrounding young people and argues that it is time to contextualize our understanding of youth by addressing the underlying social economic and political issues they face Each of the ten revised chapters begins with a list of key learning objectives and ends with discussion questions to aid in the learning process and stimulate critical thinking This new edition incorporates updated statistics comprehensive tables and revised narratives in which the author explores topics pertinent to today's youth such as the influence of social media eating disorders and recent changes to the juvenile justice system *From Hate Crimes to Human Rights* Mary E Swigonski, Robin Mama, Kelly Ward, Attn: Matthew Shepard, 2014-05-01 Fight for the human rights of LGBT individuals with strategies from this powerful book From the intimate horror of domestic violence to the institutionalized heterosexism of marriage laws this volume takes an unsparing look at the interconnections of prejudice and hate crimes in the lives of LGBT individuals Bringing together original research and solidly grounded theory *From Hate Crimes to Human Rights* A Tribute to Matthew Shepard also offers fresh strategies so you can work effectively for social change This moving thoughtful volume begins with a friend's memoir of the murdered Matthew Shepard this intimate glimpse is powerful testimony that hate crimes affect individuals not just symbolic martyrs *From Hate Crimes to Human Rights* drags hidden homophobia from the closet and examines it with clean incisive intelligence It tackles taboo topics including what the Bible really says about homosexuality how minority cultures sometimes foster hatred against the LGBT individuals in their midst why child welfare services don't protect LGBT youth from peer violence how internalized LGBT self hatred can be expressed as domestic violence Hate crimes do not occur in a cultural vacuum *From Hate Crimes to Human Rights* searches out the roots of hatred and suggests ways to eradicate them drawing on economics theology and linguistics as well as sociology history and political science Specific suggestions include how to use language as a social and cultural change strategy what individuals and universities can do to promote human rights how to make use of the intersection of difference and tolerance to prevent hate crimes why equal treatment for LGBT individuals is a human rights issue not a special interest advantage *From Hate Crimes to Human Rights* provides powerful explanations of the ways hatred generates hate crimes and proposes positive action you can take to validate human rights A Statement from the Authors One of the premises of this book is that if we want to progress from hate crimes to human rights we must learn to respect honor and celebrate diversity The chapter authors exemplify a rainbow of ethnicities sexual orientations and gender identities Each of us is committed to advocate for human rights and to work to end hate crime Toward those ends the royalties from the sale of this book will go directly to a memorial fund that has been established at Monmouth University in

Matthew Shepard's honor The proceeds from that fund will be used to support students in their preparation for human rights advocacy

Treating Complex Trauma in Adolescents and Young Adults John N. Briere, Cheryl B. Lanktree, 2012

Bad Blood reveals that Bastille is a synth driven band that isn't particularly arty something of a rarity during the electronic pop revival of the 2000s and 2010s Where many of their contemporaries used the glamour of synth pop's 80s heyday and electronic music's infinite possibilities to craft shiny pop fantasies Bastille builds on the glossy anthemic approach they set forth on the Laura Palmer EP the title track which is included here might also be the least arty song inspired by David Lynch's surreal soap opera Twin Peaks Early highlights like Pompeii These Streets and the title track boast panoramic choruses and sleek arrangements that hint at a kinship with Empire of the Sun and Delphic while the handclaps and popping bassline on the otherwise moody Icarus recall Hot Chip at their most confessional However most of Bad Blood suggests that Bastille are actually an electronically enhanced upgrade of sweeping British pop traditionalists like Keane or Coldplay The band updates Oblivion's piano balladry with ping ponging drums and contrasts Dan Smith's throaty singing and searching lyrics There's a hole in my soul Can you fill it with a tumbling beat on Flaws Like the aforementioned acts Bastille has a way with heartfelt melodies and choruses that resonate particularly on the driving Things We Lost in the Fire and Get Home where the slightly processed vocals also evoke Sia Imogen Heap and other electronic friendly singer songwriters While the band occasionally gets a little too self serious on the album's second half Bad Blood is a solid polished debut that fans of acts like Snow Patrol who don't mind more electronics in the mix might appreciate more than synth pop aficionados Heather Phares

Family Mediation Howard H. Irving, Michael Benjamin, 1995-07-19 Preface by Hugh McIsaac Family mediation has quickly become a significant means of legal dispute resolution recognized in most North American jurisdictions as a relief to already overburdened judicial systems Using an innovative practical approach the authors of Family Mediation incorporate the pivotal principles of family therapy into this new context the judicial realm of family mediation The practice model therapeutic family mediation thoroughly treats history specific issues and practice in an ecosystemic approach and responds to feminist critique of mediation In addition the authors offer important perspectives on mediating with multicultural populations and the role of the mediator in child custody disputes and child protection cases Through examination of family mediation research as well as helpful case history vignettes the authors of this volume take action to fill significant gaps between family therapy and mediation Family Mediation provides a new take on family mediation that will benefit not only professionals and researchers in family studies social work clinical psychology and sociology but also professional and volunteer mediators conciliation court personnel and family law specialists Family Mediation is an excellent blend of scholarship and practice and it is the best of the books I have read on family mediation First it is clear and well written Second it provides an in depth current review of the divorce literature The literature on divorce is large uneven and difficult to interpret The authors have done a service to the profession by skillfully reviewing and integrating this literature Stephen J

Bahr Brigham Young University This book is one of the most comprehensive and well researched texts on mediation to date The authors have compiled an immense array of information regarding the history of family mediation the practice and knowledge base a review of literature regarding divorce the principles of mediation gender and cultural issues elements in a child custody dispute sharing parenting cultural issues and the use of mediation in dependency and they include an excellent summary of research conducted Of particular value is the enormous scope of the review of literature and the work of others not only in Canada but also the United States Australia and Great Britain underscoring the international nature of this transformation What Howard H Irving and Michael Benjamin have done is chart a major shift in the handling of conflict and they have done it very well Family and Conciliation Courts Review Howard H Irving and Michael Benjamin have surveyed and summarized an immense amount of material within the covers of this volume presenting it in a clear readable style It is one of the rare texts on mediation that does justice to the complexity of families generally and families in North America particularly to their diversity of culture to the scope of feminist thought and gender differences and to the ranges of social class Their attention to divergent forms of mediation and differences in practice across jurisdictions is broadly sighted An excellent choice for a text in mediation Mary A Duryee Family Court Services Alameda County Oakland CA Howard H Irving and Michael Benjamin grapple with what is the most difficult event that confronts almost half of all modern families divorce Historically the developmental issues and problems surrounding divorce have been solved in the courts But modern day courts are overwhelmed by an avalanche of divorce cases more than a million a year and are unable to meet the needs of separating parties Family Mediation offers a fundamentally different approach from the conventional legal system The empirical research and clinical experience Irving and Benjamin bring to bear on this subject have resulted in the seminal work in this area This delightful and thoughtful book is a must for the modern mediation practitioner who works with families and children Duncan Lindsey Professor UCLA and Editor in Chief Children and Youth Services Review This book is unique in providing a complete overview of relevant subject areas for family mediation under one cover Its writing is timely because it dispels some of the myths in the rapidly expanding field of family mediation Family Mediation is a comprehensive text that follows the development of family mediation through the present and concludes with the predictors of future directions It is perhaps the most thorough critical review of the literature pertaining to family mediation and develops an inclusive practical model of practice for practitioners The book is readable responsible and of interest to family mediators and the family law lawyers who work closely with them It may become a must as a background for the novice family mediator about to embark on a course of training Laurel Pearson McWhinney Metcalfe and Associates Toronto Canada **Beyond Homelessness** Steven Bouma-Prediger, Brain J. Walsh, 2008-06-03 This book is a brilliant use of metaphor that makes clear why the world leaves us feeling so uneasy

Street Kids The Tragedy Of Canadas Runaways Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Street Kids The Tragedy Of Canadas Runaways PDF books and manuals is the internets largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Street Kids The Tragedy Of Canadas Runaways PDF books and

manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Street Kids The Tragedy Of Canadas Runaways free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Street Kids The Tragedy Of Canadas Runaways Books

1. Where can I buy Street Kids The Tragedy Of Canadas Runaways books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
