Selling Seattle Representing Contemporary Urban America is the first book to examine the impact of Seattle on contemporary culture and to account for the city's rapid rise to fame and influence since the early 1990s. Interdisciplinary in approach, broaching current debates from urban geography and interrogations of economic and cultural globalisation to cinema and media studies, this volume looks closely at the city's representation on film and television as well as in journalism and literature and also considers the ways in which famous Seattle brands such as Microsoft, Starbucks and grunge worked to establish the city as a symbol of urban desire and fantasy in recent years. *Selling Seattle* is required reading for anyone who seeks to understand the contemporary American city and the powerful trends that shape the urban landscape and its place in the popular imagination.

Contributors: Lynne M. Adrian, Steven Biel, James P. Danky, Elizabeth Davey, Michael Fultz, Jacqueline Goldsby, Norma Fay Green, Violet Johnson, Elizabeth McHenry, Christine Pawley, Yumei Sun and Rudolph J. Vecoli.

Gay Seattle Gary L. Atkins, 2011-10-17 Winner of a 2004 Washington State Book Award Winner of a 2004 Alpha Sigma Nu ASN Jesuit Book Award In 1893 the Washington State legislature quietly began passing a set of laws that essentially made homosexuality and eventually even the discussion of homosexuality a crime A century later Mike Lowry became the first governor of the state to address the annual lesbian and gay pride rally in Seattle Gay Seattle traces the evolution of Seattle's gay community in those 100 turbulent years telling through a century of stories how gays and lesbians have sought to achieve a sense of belonging in Seattle Gary Atkins recounts the demonization of gays by social crusaders around the turn of the century the earliest prosecutions for sodomy the official harassment and

discrimination through most of the twentieth century and the medical discrimination and commitment to mental hospitals that continued into the 1970s as homosexuality was diagnosed as a disease that could be cured. Places of refuge from this imposed social exile were created in underground theater and dance clubs the Gold Rush era burlesque shows modern drag theater and in mid century the emergence of openly gay bars from the Casino to Shelley's Leg. Many of these were subjected to steady exploitation by corrupt police until bar owner MacIver Wells and two Seattle Times reporters exposed the racket. The increasingly public presence of gays in Seattle was accompanied by the gradual coalescence of social services and self help organizations such as the Dorian Society gay businesses and advocacy groups including the Greater Seattle Business Association and the stormy relationship between the Vatican Seattle's Catholic hierarchy and gay worshippers. Atkins narrative reveals the complex and often frustrating process of claiming a civic life showing how gays and lesbians have engaged in a multilayered struggle for social acceptance against the forces of state and city politics the police the media and public opinion. The emergence of mainstream political activism in the 1970s and ultimately the election of Cal Anderson and other openly gay officials to the state legislature and city council were momentous events yet shadowed by the devastating rise of AIDS and its effect on the homosexual community as a whole. These stories of exile and belonging draw on numerous original interviews as well as case studies of individuals and organizations that played important roles in the history of Seattle's gay and lesbian community. Collectively they are a powerful testament to the endurance and fortitude of this minority community revealing the ways a previously hidden sexual minority comes out as a people and establishes a public presence in the face of challenges from within and without.
