Balswick, Jack O. Balswick, 2008-06-10 Jack and Judith Balswick investigate how human sexuality originates both biologically and socially lay groundwork for a normative Christian interpretation of sexuality show how authentic sexuality is necessarily grounded in relationships and explore forms of inauthentic sexuality such as sexual harassment pornography and rape *Making Marriage Beautiful* Dorothy Littell Greco, Christopher Greco, 2017-01-01 What makes a marriage beautiful Honesty Compatibility Physical and emotional intimacy All of these are important but there s one component that determines the quality and longevity of a marriage more than anything else a willingness to grow Because a wedding joins together two imperfect people all couples experience disappointment conflict and pain How husbands and wives respond to these challenges determines the kind of people they will become and the kind of marriage they will have *Making Marriage Beautiful* reveals how the pursuit of Christ results in profound transformation for both the individual and the marriage Rather than offering clich s and formulas Greco relies on candor humor and real life stories to bring encouragement and wisdom to all couples regardless of whether they have been married four weeks or forty years **Faith Reads** David Rainey, 2008-07-30 At last a resource for librarians who wish to build or develop their nonfiction collection and use it to better serve the needs of adult Christian readers Covering the three major branches of Christianity Roman Catholic Protestant and Orthodox the author organizes more than 600 titles into subject categories ranging from biography the arts and education to theology devotion and spiritual warfare Award winning classics are noted Introductory narrative frames the literature and helps librarians better understand Christian literature and learn how to establish selection criteria for building a Christian nonfiction collection *The Meaning of Sex* Dennis P. Hollinger, 2009-06-01 Our culture is not only sex crazed but also deeply confused about sex and sexual ethics Unfortunately Christians seem equally confused and the church has tended to respond with simplistic answers The reason for this confusion is that the meaning of sex has been largely lost Dennis Hollinger argues that there is indeed a God given meaning to sex This meaning found in the Christian worldview provides a framework for a biblical sexual ethic that adequately addresses the many contemporary moral issues *The Meaning of Sex* provides a good balance between accessible theology and engaging discussion of the practical issues Christians are facing including premarital sex sex within marriage homosexuality reproductive technologies and faithful living in a sex obsessed world *My Dance with Justice* Lydia Rose McSweeney, 2024-01-10 I love God and I know he loves me so why can t I move beyond my past Many have psychological

fractures due to abuse and trauma that can cause conflicts between what they know is true about God and their lived experience This book explores the importance of psychological justice by delving into the author's multiple encounters with death grief trauma betrayal sickness and abuse Walk with her and draw out the theological and psychological ways God has passionately brought psychological justice to her life Tracing the threads of one's story can open a door of hope leading to a deeper and more congruent grace filled walk with God the Father our wonderful Savior Jesus and the ever present Holy Spirit The author's prayer is that her vulnerability might give readers courage to find their own voice and begin to map out their own story
