Crane, 2013-12-31 When Tim, cousin Natalie and the Weaver twins are invited to Stretch's grandparents a fun day of swimming and eating birthday cake turns into an evening of thunderstorms and darkness. Once the power goes out, there really is not much to do. Until the kids decide to tell ghost stories. Sitting in a circle with the glow of their flashlights outlining the shadows of their faces, they're not too impressed with each other's stories. That is when Stretch's grandfather joins the group and describes how a real ghost story goes. Grandpa shares a tale of a mystery that happened many, many years ago in their own hollow. A tale of some evil entity buried in the old cemetery. Is this story just a tall tale? Or is it perhaps something more, something that may have really happened all those years ago? Join the gang in this new adventure as they investigate the Ghosts of Meeker Hollow and find out firsthand what happens when daylight fades into darkness.
