

The background of the entire image is a photograph of a dirt path that curves through a wooded area. The path is light brown and appears slightly damp. On the left, a large, dark tree trunk is prominent. The right side of the path is lined with dense green foliage and smaller trees. The overall atmosphere is quiet and natural.

Stribling A Novel:

Stribling Stephen Longstreet,1973 *Stribling* Lucas Webb,1973 Roman **The Forge** Thomas S. Stribling,1985-03-30 Annotation The Forge was first published in 1931 *Birthright* T. S. Stribling,2021-09-24 Birthright A Novel is many of the old books which have been considered important throughout the human history They are now extremely scarce and very expensive antique So that this work is never forgotten we republish these books in high quality using the original text and artwork so that they can be preserved for the present and future generations This whole book has been reformatted retyped and designed These books are not made of scanned copies of their original work and hence the text is clear and readable *Birthright* T. S. Stribling,2022-02-15 Birthright 1922 is a novel by T S Stribling Originally serialized in Century Magazine the novel marked a major departure for Stribling whose previous works had avoided serious themes altogether Birthright was praised by black and white critics upon publication and allowed Stribling to move his career away from genre fiction and into the pressing historical and social questions of his time Peter is a young man with a powerful vision After graduating from Harvard he returns to his hometown of Hooker s Bend Tennessee where he gains a new understanding of the prejudices and laws that shaped his upbringing Born into a family of mixed racial heritage Peter has long understood the necessity of passing which allows him to avoid violence and to further his personal interests Back in the South however he realizes that his experiences as a student have granted him an opportunity to change his community for the better As he attempts to educate members of the local black and white communities his hope for the future soon turns to doubt and disillusionment Birthright a triumphant and tragic story of race in America was adapted by pioneering director Oscar Micheaux into a 1924 silent film and a 1939 talkie of the same name With a beautifully designed cover and professionally typeset manuscript this edition of T S Stribling s Birthright is a classic of American literature reimagined for modern readers *Birthright* Thomas Sigismund Stribling,2022-01-06 Thomas Sigismund Stribling s book Birthright is a Southern Gothic novel that delves into the complexities of race class and family dynamics in the post Civil War South The story follows the trials and tribulations of a young protagonist as he navigates the harsh realities of the Jim Crow era Stribling s writing style is characterized by its vivid descriptions poignant dialogue and profound insight into the human condition making Birthright a compelling and thought provoking read within the Southern literary tradition The book also explores themes of identity and moral ambiguity challenging readers to confront uncomfortable truths about society and history Thomas Sigismund Stribling a Pulitzer Prize winning author with a strong background in Southern literature draws on his own experiences growing up in the South to provide a nuanced and authentic portrayal of the region His deep understanding of the social and cultural dynamics of the American South shines through in Birthright making it a valuable contribution to the canon of Southern literature I highly recommend Birthright to readers interested in exploring the complexities of race identity and morality in the post Civil War South through a masterfully crafted narrative Novel /

Fiction Awards 1917-1994 Heinz-D. Fischer, 2012-02-14 The School of Journalism at Columbia University has awarded the Pulitzer Prize since 1917 Nowadays there are prizes in 21 categories from the fields of journalism literature and music The Pulitzer Prize Archive presents the history of this award from its beginnings to the present In parts A to E the awarding of the prize in each category is documented commented and arranged chronologically Part F covers the history of the prize biographically and bibliographically Part G provides the background to the decisions **The Modern American Political Novel** Joseph Blotner, 2014-06-30 Politics the workings of government and of people in government has long been a fertile field for exploration by the novelist The political arena offers many examples of conflict between individuals groups or the individual and the group or within the individual It is natural then that a sizable body of fiction has grown up using politics as a main source of action In this study Joseph Blotner attempts to discover the image of American politics as presented in American novels over a sixty year span His major discussion is limited to 138 novels dealing directly with candidates officeholders party officials or individuals performing political acts as they are conventionally understood He also refers to nineteenth century predecessors European analogues or other twentieth century American novels as they bear on his discussions Blotner gives a thorough examination of certain archetypal figures the young hero the political boss and the Southern demagogue which appear in central or subordinate positions in the action of many political novels He finds that the novels reflect certain major movements or upheavals in the political history of the United States or the world in particular fascism and McCarthyism and that they also give the political aspects of universal attitudes or problems corruption disillusionment reaction and the role of women and of the intellectual The author presents a detailed analysis of each of these subjects prefacing each analysis by a survey of the historical background out of which the fiction grew and including a brief and often pungent assessment of the literary merits of each novel discussed He also surveys a large body of political fiction which cuts across all of these categories the novel of the future both utopian and apocalyptic The Modern American Political Novel will be of great interest to the student of twentieth century literature the political scientist the sociologist and even the practicing politician will also find its analyses useful and illuminating **Doctor-Detectives in the Mystery Novel** Howard Brody, 2021-01-18 This is the first book to offer a critical analysis of one variant of the mystery story or novel the use of a physician as the major detective There is little difference between a medical case study and a mystery story The book reviews the works of major authors from R Austin Freeman Helen McCloy Josephine Bell and H C Bailey to Patricia Cornwell Kathy Reichs Aaron Elkins and Colin Cotterill with briefer reviews of minor authors It also addresses historical fictional physician detectives psychological detectives and physician detective nonfiction Physicians and health workers are avid readers of detective fiction and will welcome this volume which addresses their specific interests Its critical analysis of books that have long been viewed as central to detective fiction will also appeal to fans of the mystery story *T.S. Stripling* Edward J. Piacentino, 1988-01-21 This book examines the major southern novels of T S Stripling a seminal figure in the development of

the serious social novel in the South In them he exploits themes character types satiric attitudes and stylistic strategies that echo some of those of the midwestern iconoclasts in so doing he introduced important materials that some of the South s more talented writers would subsequently treat **The New Negro** Alain Locke,1925

Encyclopedia of the Harlem Renaissance Cary D. Robert Penn Warren, Shadowy Autobiography, and Other Makers of American Literature Joseph R. Millichap,2023-08-18 Toward the end of his career Robert Penn Warren wrote It may be said that our lives are our own supreme fiction Although lauded for his writing in multiple genres Warren never wrote an autobiography Instead he created his own shadowy autobiography in his poetry and prose as well as his fiction and nonfiction As one of the most thoughtful scholars on Robert Penn Warren and the literature of the South Joseph Millichap builds on the accepted idea that Warren s poetry and fiction became more autobiographical in his later years by demonstrating that that same progression is replicated in Warren s literary criticism This meticulously researched study reexamines in particular Warren s later nonfiction in which autobiographical concerns come into play that is in those fraught with psychological crisis such as Democracy and Poetry Millichap reveals the interrelated literary genres of autobiography criticism and poetry as psychological modes encompassing the interplay of Warren s life and work in his later nonfiction He also shows how Warren s critical engagement with major American authors often centered on the ways their creative work intersected with their lives thus generating both autobiographical criticism and the working out of Warren s own autobiography under these influences Millichap s latest book focuses on Warren s critical responses to William Faulkner John Crowe Ransom Herman Melville Nathaniel Hawthorne John Greenleaf Whittier and Theodore Dreiser In addition the author carefully considers the black and female writers Warren assessed more briefly in American Literature The Makers and the Making Robert Penn Warren Shadowy Autobiography and Other Makers of American Literature presents the breadth of Millichap s scholarship the depth of his insight and the maturity of his judgment by giving us to understand that in his writing Robert Penn Warren came to know his own vocation as a poet and critic and as an American

The New Negro Henry Louis Gates Jr.,Gene Andrew Jarrett,2021-06-08 When African American intellectuals announced the birth of the New Negro around the turn of the twentieth century they were attempting through a bold act of renaming to change the way blacks were depicted and perceived in America By challenging stereotypes of the Old Negro and declaring that the New Negro was capable of high achievement black writers tried to revolutionize how whites viewed blacks and how blacks viewed themselves Nothing less than a strategy to re create the

public face of the race the New Negro became a dominant figure of racial uplift between Reconstruction and World War II as well as a central idea of the Harlem or New Negro Renaissance Edited by Henry Louis Gates Jr and Gene Andrew Jarrett The New Negro collects more than one hundred canonical and lesser known essays published between 1892 and 1938 that examine the issues of race and representation in African American culture These readings by writers including W E B Du Bois Paul Laurence Dunbar Alain Locke Carl Van Vechten Zora Neale Hurston and Richard Wright discuss the trope of the New Negro and the milieu in which this figure existed from almost every conceivable angle Political essays are joined by essays on African American fiction poetry drama music painting and sculpture More than fascinating historical documents these essays remain essential to the way African American identity and history are still understood today *Science-fiction, the Early Years* Everett Franklin Bleiler,1990 In this volume the author describes more than 3000 short stories novels and plays with science fiction elements from earliest times to 1930 He includes imaginary voyages utopias Victorian boys books dime novels pulp magazine stories British scientific romances and mainstream work with science fiction elements Many of these publications are extremely rare surviving in only a handful of copies and most of them have never been described before **The Publishers' Circular and Booksellers' Record** ,1929 **New York Herald Tribune Books** ,1929

The Keeler Keyhole Collection Harry Stephen Keeler,2008-04 **The Marcus Garvey and Universal Negro Improvement Association Papers, Volume XIII** Marcus Garvey,2016-04-07 Volume XIII of The Marcus Garvey and Universal Negro Improvement Association Papers covers the twelve months between the UNIA s second international convention in New York in August 1921 and the third convention in August 1922 It was a particularly tumultuous time for Garvey and the UNIA Garvey s relationship with the UNIA s top leadership began to fracture the U S federal government charged Garvey with mail fraud and his Black Star Line operation suffered massive financial losses This period also witnessed a marked shift in Garvey s rhetoric and stance as he retreated from his previously radical anticolonial positions sought to court European governments as well as the leadership of the Ku Klux Klan and moved against his political rivals Despite these difficult and uncertain times Garveyism expanded its reach throughout the Caribbean archipelago which as Volume XIII confirms became the UNIA s de facto home in the early 1920s The volume s numerous reports from the UNIA s Caribbean divisions and chapters describe what it was like for UNIA activists living and working under extremely repressive circumstances The volume s major highlight covers the U S military s crackdown on the UNIA in the Dominican Republic as documented in the correspondence between John Sydney de Bourq whom Garvey had dispatched to monitor the situation and U S and British government officials In addition to UNIA divisional reports and de Bourq s extensive correspondence Volume XIII contains a wealth of newspaper articles political tracts official documents and other sources that outline the complex responses to Garveyism throughout the United States the Caribbean and Europe all the while documenting this watershed moment for Garvey and the UNIA [The Politics of Color in the Fiction of Jessie Fauset and Nella Larsen](#) Jacquelyn Y.

McLendon, 1995 A critical examination of Fauset's *Plum Bun* and *Comedy American Style* and Larsen's *Quicksand* recovering a subversive element in the Harlem Renaissance writers whose work was revived by feminists in the late 1970s McLendon English College of William and Mary explores how the white writers' 19th century stereotype of the tragic mulatto is reinvented in the work of the two writers and transformed into a concept of doubleness representing African American experience Annotation copyright by Book News Inc Portland OR
