born unloved in any nation of this world Pierres life still adapted to Gods plans that encourages and edifies his character On the road of gaining spiritual growth his life led to a detour where the language of love is uncommon He learns to rebuild the street culture by spreading the message of love that saved him from death His vision is to enlighten and edify everyone with the language of love Supreme wisdom guided Pierre even when he least expected After falling in love with the gift of encouragement his heart feels alive again Without unconditional love Pierre would not have overcome the emotional pains he endured since his childhood He forgave his dysfunctional family and those who mistreated and neglected him Love is a blessing Let it shine on earth Everyone needs to be thirsty for love Let the words of love be written on your heart The Spiritual Practices of South African Clergy Shaun Joynt,2024-12-15 Clergy play an important role in the spiritual wellbeing of their congregation They are entrusted by the Great Shepherd to shepherd his flock which entails leading them to green pastures and still waters for example pastoral care and defending them from predatory animals for example heresy However clergy are sheep before they are shepherds and are also in need of the green pastures and still waters of meditation prayer fasting and Bible study These are known as inward spiritual disciplines exercises and have been practiced for centuries Spiritual Practices of South African Clergy State of the Clergy discusses these inward spiritual disciplines mental physical spiritual and social benefits The volume explores how clergy from five diverse denominations practice these specific inward spiritual disciplines They include the Methodist Netherdutch Pentecostal Presbyterian and Roman Catholic faith traditions This book focuses on clergy in the Global South and how they practice these spiritual disciplines within their context Clergy congregants academics and lay persons alike will benefit from the research conducted *The Integrated Medical Curriculum* Raja C.
