Does the Sh—— Ever End? Richard Swartz,2017-09-05 It was certainly not one of the authors primary goals in life to become an alcoholic but it happened This book takes you inside the authors head to show the reader how it happened Alcohol is cunning baffling and powerful This book takes you aboard the authors journey into alcoholism as the author openly and honestly describes how for many many years alcohol was the cure to all that ailed him and there was a lot But in the end alcohol became the ailment itself The author hopes that this book will help fellow sufferers understand what happened to them the why and the how The author also hopes it will provide friends and family of fellow sufferers with some insight as to why their loved ones cant really see whats happening and why they continue down their destructive path It was a journey for the author that lasted longer than it should have but does have a happy ending It is the authors hope that others can achieve a similar happy ending 27 Men Out Michael Coffey,2010-05-11 The first in depth look at baseball s nirvana a lyrical

history of pitching perfection There have been only fourteen perfect games pitched in the modern era of baseball the great Cy Young fittingly hurled the first in 1904 and David Cone pitched the most recent in 1999 In between some great pitchers Sandy Koufax Catfish Hunter Jim Bunning and Don Larsen in the World Series performed the feat as did some mediocre ones like Len Barker and the little known Charlie Robertson Fourteen in 150 000 games The odds are staggering When it does happen however the whole baseball world marvels at the combination of luck and skill and the pitcher himself gains a kind of

baseball immortality Five years ago Michael Coffey witnessed such an event at Yankee Stadium and the experience prompted this expansive look at the history of these unsurpassable pitching performances He brings his skills as a popular historian and poet to an appraisal of both the games themselves and of the wider sport of baseball and the lives of the players in it The careers of each of the fourteen perfect game pitchers are assessed not only as to their on the field performances but with a regard for their struggles to persevere in an extremely competitive sport in which more often than not the men and women who run the game from the owners boxes are their most formidable adversaries Along the way Michael Coffey brings us right into the ballparks with a play by play account of how these games unfolded and relates a host of fascinating stories such as Sandy Koufax s controversial holdout with Don Drysdale and its chilling effect on baseball s owners Mike Witt s victimization by the baseball commissioner and Dennis Martinez s long struggle up from an impoverished Nicaraguan childhood Combining history baseball and a sweeping look at the changing face of labor relations 27 Men Out is a new benchmark in sports history

Retreat from Injustice Nick O'Neill, Simon Rice, Roger Douglas, 2004 This new edition of *Retreat from Injustice* has the strengths and style of its predecessor the account of human rights in Australia is firmly grounded in historical and international contexts the availability and limitations of rights and freedoms are clearly detailed and illustrated with cases and a particular spotlight is placed on key current human rights issues including terrorism indigenous issues and asylum seekers

Handbook of Evidence-Based Treatment Manuals for Children and Adolescents Craig Winston LeCroy, 2008-04-18 With the advance of evidence based practice has come the publication of numerous dense volumes reviewing the theoretical and empirical components of child and adolescent treatment There are also a variety of detailed treatment manuals that describe the step by step procedures to guide ongoing research and practice The second edition of Craig Winston LeCroy s *Handbook of Evidence Based Child and Adolescent Treatment Manuals* is a forceful combination of the two approaches as he gathers fifteen varied treatment manuals and brief summaries of the research supporting each to ensure that practitioners will truly understand how to implement the treatments they are using A completely revised and expanded edition of the handbook s first edition this is an essential guide to some of the best programs for helping children and teens Each chapter begins with an explanatory section that discusses the theoretical and empirical underpinnings of the programs The treatment manual follows leading readers through sessions with specific details about conducting the treatment that have been refined and improved through extensive testing and research Organized into three sections the major clinical disorders social problems confronting children and teens and preventive interventions the *Handbook* brings together some of the most esteemed researcher practitioners in the child and adolescent field The book presents an impressive variety of innovative treatment programs and techniques

including the SiHLE program intended to prevent problems confronting children and teens and preventive interventions the Handbook brings together some of the most esteemed researcher practitioners in the child and adolescent field The book presents an impressive variety of innovative treatment programs and techniques including the SiHLE program intended to prevent HIV through education and self esteem building the Children of Divorce Intervention Program a therapy for younger children stressing resilience and skill building and Strengths Oriented Family Therapy which reaches out to substance involved adolescents and their families The Handbook of Evidence Based Child and Adolescent Treatment Manuals is an indispensable reference for researchers graduate students and practitioners working with children and adolescents in a multitude of settings from schools and juvenile correction centers to group homes and family service agencies My Hometown Robert Victor Williams, 2019-02-09 Born November 17 1958 I grew up in Kansas City north in a middle income family of six kids four older brothers and one younger sister The area was called Northtown and most were proud to be living there Mostly I spent my childhood days in the woods a large wooded area next to our house on Main Street I went to the woods for the most part to have a great time with my friends but it was also an escape from my home life By the time I came along my parents were pretty much strapped for cash and would drink their time away usually with one argument after another concerning finances My bedroom was usually right next to the living room so I got to enjoy all the misgivings of their anger at life I could always tell they were once fun loving people but I can never recall a fun time that did not end up in a disappointment I often wondered why I was being subjected to all this perhaps it was a preparation This writing is a journey through faith mental illness and most substantially mental ignorance that was triggered by social and occupational dysfunction of my environment How could I combat prophecies and revelations of the past and minimize disturbing people's beliefs and livelihoods It came to me to write a book that people are free to either accept or reject on their own terms in their own time frame The title My Hometown just came to me I believe by God and the Holy Spirit as I was writing my open house speech I had no idea at the time what I was going to experience but I did believe an incarnation had taken place and I wanted to share the experiences with as many witnesses as possible in the most painless way **Twenty Teachers** Ken

Macrorie, 1984-10-18 The rare and exceptional teacher one who could teach absolutely anything to anybody is what Ken Macrorie set out to find among teachers of many different subjects at many different levels The result of his search is 20 Teachers a collection of revealing profiles in which outstanding educators explain what works for them in the classroom and why Macrorie's interviews with these professionals show an astonishing similarity in their beliefs methods and attitudes and the keys to their success with students from first grade to the graduate level Ranging from a woodworking instructor in a wealthy suburban school to an inner city history teacher to a professor of space engineering the teachers profiled here share a fundamental belief in putting choice and responsibility in the hands of their students no matter what their age Macrorie includes in addition to the interviews a summary chapter listing 43 items these teachers claim help learners to do good works

Finally in an Open Letter About Schools he explores the notion that schools have developed often unwittingly traditions that run counter to the way these educators work he discusses the obstacles they face from both within the system and without Twenty Teachers offers insights that will enable others to inspire learning in their students and voices a new and challenging view of today s educational system *The B-List: 2007* Steve Buffum,2008 All over the world the statues of Mary are miraculously crying In the meantime a journalist in Washington D C is diverted away from her own personal demons when she takes it upon herself to question why the Vatican is not declaring these occurrences as miracles after witnessing the unexplainable phenomena herself The journalist suspects her nightly barage of haunting nightmares about the violent murders of countless women from five thousand year old priestesses to women accused of being witches in the seventeenth century may have something to do with the answer as she investigates the biggest story of her life Women all over the world in the 21st century are feeling the awakening as the discovery of ancient artifacts are disproving the beliefs set forth by patriarchal religions for thousands of years When the journalist receives a visitation from a beautiful Goddess who at first appears to be the Virgin Mary she suddenly realizes that an ancient religious and political cover up has grossly distorted some very important historical truths As the journalist investigates and begins to publicly write about what she has uncovered death threats and terror follow next as powerful members of the world s patriarchal religions and the age old male run organizations that support them fight viciously to keep one of the world s oldest and most deceptive societal form of control against women hidden from the world But as intimidation and threats increase so too do the miracles and visitations from the real Sleeping Goddess as she awakens once again to bless and protect the world while igniting the hearts and souls of oppressed women everywhere NBS Special Publication ,1933 **Encyclopedia of Prisons and Correctional Facilities** Mary Bosworth,2004-12-15 The two volume Encyclopedia of Prisons and Correctional Facilities aims to provide a critical overview of penal institutions within a historical and contemporary framework Issues of race gender and class are fully integrated throughout in order to demonstrate the complexity of the implementation and intended results of incarceration The Encyclopedia contains biographies articles describing important legal statutes and detailed and authoritative descriptions of the major prisons in the United States Comparative data and examples are employed to analyze the American system within an international context The Encyclopedia s 400 entries are written by recognized authorities The appendix contains a comprehensive listing of every federal prison in the U S complete with facility details and service information **When Baseball Was Still King** Gene Fehler,2014-01-10 Baseball in the 1950s comes to life through the words of 92 players from the fifties In their conversations with author Gene Fehler they tell in more than a thousand stories and comments of memorable moments their dealings with umpires and managers injuries and trades that affected their careers regrets and joys that still remain with them so many years later Players spoken to include Hall of Famers All Stars journeymen and a few who were in the big leagues for the proverbial cup of coffee Regardless of stature they all have

wonderful stories to tell about big league life in the 1950s high and low and moments with other players *Spirituality for the Rest of Us* Larry Osborne, 2009-04-14 This is a good book for people who like reading books about spiritual growth It s even better for people who don t If you ve ever thought that maybe you just weren t the spiritual type this book s for you John Ortberg Rich wisdom brilliantly communicated by a very talented writer Takes the blinders off and opens your eyes to some strange and unique ways God works Stephen Arterburn This book will speak to everyong who has ever felt left out spiritually Larry s insights cut through the commonly accepted guilt induced world of religion as he caputures the raw essence of New Testament relationship Craig Groeschel *Federal Probation* ,1995
