

# CRIPPLE CREEK MINERS GO ON STRIKE

DENVER, March 18.—The executive committee of the Western Federation of Miners at 4:30 o'clock yesterday afternoon declared a strike against all the mines in Cripple Creek district that ship ore to the mills of the United States Reduction and Refining company. The mines affected employ 1,643 men, viz.:

Stratton's Independence .....	305
Vindicator .....	305
Mary McKinney .....	175
Gold King .....	75
AJAX .....	305
Brown .....	45
Granite .....	75
Elkton .....	45
El Paso .....	135
Hall City .....	140

Total .....1,643

President Charles Moyer and Secretary William D. Haywood of the Western Federation of Miners issued a statement this afternoon, in which they charge Gov. Peabody with having violated the agreement made at the conference in his office on Sunday in regard to withdrawing the troops from Colorado City, where they are doing guard duty at the Standard mill of the United States Reduction and Refining company. The federation officers declare that the Governor promised that he "would immediately withdraw the troops, providing the federation would withdraw all suits against the State militia."

This proposition, they say, they accepted, and they add: "The Governor has violated every syllable and letter of his agreement by sending his private secretary to Colorado City to make a personal investigation and report."

"The action of the Governor has shown him to be weak and vacillating, and that he is a man who has no con-

ception of the dignity of his office. The Western Federation of Miners, through its representatives, has used every honorable effort to bridge every chasm, notwithstanding the fact that the Mine Owners' association, the mill managers, the State militia and even the Governor himself have been arrayed against them.

"The Governor is now intimating that we promised there would be no strike in the Cripple Creek district. We never made any such promise. It would have been an impossibility for us to make a promise of this character while MacNeill, manager of the Standard mill, refused to recognize the Western Federation of Miners. We gave the Governor to understand that we would fight MacNeill to a finish, and under no circumstances could he construe our declared upon the mines that would mean that a strike would not be ship ore to the unfair mills. We have

been willing, and we are now willing, to arbitrate with Manager MacNeill. He has refused to arbitrate with us as an organization, and he alone is responsible for the situation that confronts the people of the Cripple Creek district.

"We have been more than fair, and have gone three-fourths of the way, according to the Governor, and we are now willing to place the justice of our cause in the hands of the whole people of the State and let them the the judges to bring in the verdict."

In consequence of the Governor's action in not withdrawing troops at Colorado City Secretary-Treasurer Haywood said that the Western Federation of Miners would resume the prosecution of the suit against the military officials now on duty at the scene of the trouble, and that other suits would be instituted.

Gov. Peabody tonight issued an order recalling the troops that were ordered to Colorado City March 2nd on account of the southernmen's strike. Two days ago the Governor sent his private secretary to Colorado City to investigate the situation, and it is upon his recommendation that the troops are ordered home.

Protests against the recall of the troops were made by a number of prominent business men of Colorado Springs and Colorado City, but the Governor stated tonight that he believed all danger of trouble is over.
