## Strike Zion:

**Fantastic Victory** W. Cleon Skousen, 2011-08 Fantastic Victory tells the brief but exciting account of Israel's 1967 miracle war and how this conflict split the world into two camps those for and those against Israel's fight for its life With less than 3 million people facing the combined strength of 110 million Arabs supported by the Soviet Union Israel should have been wiped off the globe Instead after six miraculous days Israel shocked the world by defeating her enemy and winning back not only her ancient capital of Jerusalem but hundreds of miles of enemy territory as well Fantastic Victory explains the complexities behind the decades of failed negotiations and subsequent wars to conquer the Jews Israel's past and present are uniquely central to the world's three great religions Christianity Judaism and Islam and in the pages that follow a framework for understanding Israel's future can be seen intimately tied to the outcome of its miracle Six Day War of 1967 *Strike Zion ! With a Special Section by Leon Uris* William Stevenson, 1967 *Zion's Herald*, 1909 **For Zion's Sake I Will Not Keep Silent** Gary Kosak, 2003-05 **The Maccabean**, 1910 **The Anthem Offering** Daniel Franklin Hodges, G. Edwards, 1895 **Three Perspectives: Jewish, Christian, and Muslim** Steven H. Propp, 2009-12-30 You're Jewish aren't you This blunt question is the way that college freshman Richard Cohn is introduced to an outspoken fellow student named Dov Epstein who calls himself a Messianic Jew and believes that God has a special purpose for the Jewish people in these Last Days Raised by secular Jewish parents Richard is completely oblivious to his own Jewish background until this ongoing dialogue forces him to confront his own heritage The two young men vigorously argue with each other over the interpretation of the Hebrew Bible particularly its reputed predictions of a Messiah Christian doctrines such as the Trinity and most significantly about the identity and significance of Jesus of Nazareth The rigorous process of self examination this initiates leads Richard to embrace his Jewish identity even as he vehemently denies the same for Dov The two ultimately become fast friends but as they progress from an academic environment to the professional world they are challenged by racist statements made by prominent national figures anti Semitic doctrines such as Christian Identity which teaches that white Anglo Saxons are the true Israel and also purported scholars who deny the reality of the Holocaust itself Circumstances in life connect them with a young Iranian migr named Jahangir Khatami whose Muslim beliefs conflict strongly with their own Yet when a violent incident brings the three of them together they are forced to reexamine not just their differences but their similarities While they clash over the ideals of Zionism and its ramifications in the modern State of Israel they are united in their horror over the terrorist attacks of September 11 2001 Join a diverse cast of characters some of whom appeared in the authors earlier book Beyond Heaven and Earth in a probing exploration that may help you reconsider just what it means to be Jewish Christian or Muslim in the modern world *The Decalogue Project* Thomas K. Hobson,2018-08-01 Behind James Baldwin's uncanny ability to evoke a nation's crisis and potential hope lies his use of religious language to describe social and sexual transformation The first study of its kind James Baldwin and the Heavenly City shows that Baldwin's novels use biblical ideas in partly but not fully secularized ways to express the possible human attainment of a new life embodying a real but undefinable holiness Focusing on Baldwin's six novels along with essays stories and drama the book first shows Baldwin's method of recasting biblical and African American prophetic traditions to reveal their liberating core It then examines several key themes the prophet's selection seen in Baldwin's debut novel Go Tell It on the Mountain the three linked ideas of prophetic art the apocalyptic body and the apocalyptic city as presented in all his novels and the polarity between prophecy and doubt the subject of his last novel Just Above My Head This important work provides new readings of Baldwin's novels reassesses his once neglected later fiction and shows Gospel music's centrality with blues in his fictional imagination *Soon Done with the Crosses* Claude Wilkinson,2023-07-12 Two excerpts from

spirituals offered as epigraphs foreshadow themes in *Soon Done with the Crosses* The first song One of These Days suggests inevitable burdens that all of us must bear at some point while the second song Do Lord supposes a glorious reward for those who faithfully endure The poems in this book form a catalog of varied trials both historical and contemporary drawn from art imaginings the natural world and aspects of the human condition coupled with questions about eternity Though while the collection begins with pleas for some bright assurance it concludes in yet another vigil through dark lonely hours longing for morning's clarifying light **OUT OF DARKNESS** Eartha D. eventful and could be remembered as being filtered with good and bad times But to me we lived together a normal busy life with the goal of always helping others Throughout our journey together we met had the advice and assistance of so many enablers until it is virtually impossible to call all names But I will say at this time for me and for him To God be the glory Thank you It is because of these individuals that we reached higher heights and were successful in the many endeavors that we attempted Eartha Goodwin **Holocaust and Redemption** Mati Alon,2003 Living 2000 years in exile the Hebrews had a 2000 year DREAM to return to their Promised Land The MIRACLE happened in 1948 when the State of Israel was founded Not yet the Third Temple the DREAM period was full of anguish tears and blood the Spanish Inquisition the Holocaust in

**Unpacking My Father's Bookstore** Laurence Roth,2025-09-09 Unpacking My Father s Bookstore brings to life the history of J Roth Bookseller of Fine Scholarly Judaica which was a microcosm of the Los Angeles Jewish community from 1966 to 1994 and one of the premier Jewish bookstores in the United States Blending critical analysis with a personal account of growing up in his father s bookstore and connecting both to larger forces that helped shape Jewish and American book retailing in the twentieth century Laurence Roth crafts a richly felt narrative about his family s Jewish experience in America It is a reminder too that while most independent bookstores like J Roth Bookseller disappear from history these retailers often had outsized effects on their communities Breaking with conventional modes of scholarship Unpacking My Father s Bookstore tells a unique and troubled story that rarely gets told one that is both personal and analytical theoretical but rooted in the everyday
