Worms Drowning in the Rain Thomas Rohrer,2017-02-08 A dysfunctional childhood Catholic school and Navy stint
dont help a young man through a recession and changing times and he hops a bus without money or plans just to escape He
fixes up a cabin clears the land and gets to know his animal and human neighbors Its a reprieve however because tooth and
claw abound everywhere As his journey leads him back to New York in the 1980s Calvin realizes he is not prepared for the
challenges lurking in the shadows Despite landing on his feet in the city he feels trapped again and looks for a way out He
wonders if his goal of being a writer is a waste of time and his unpredictable story comes full circle Worms Drowning in the
Rain shares the poignant tale of a young mans trip through early adulthood as he searches for his identity in a place where
nothing is certain **A Son of the City. A Story of Boy Life** Herman Gastrell Seely,2023-08-22 In A Son of the City A Story
of Boy Life Herman Gastrell Seely intricately weaves a narrative that captures the exuberance and challenges of urban
childhood The book delves into the lives of boys navigating the vibrant yet harsh realities of city living during the late 19th
century Seely s prose combines vivid descriptive language with insightful character development painting a compelling
portrait of youth shaped by their environment This work offers a unique glimpse into the socio economic conditions of the
time reflecting the emerging themes of urbanization and the complexities of boyhood amidst the backdrop of a rapidly
changing society Herman Gastrell Seely known for his keen observations and deep empathy for youth experiences drew
inspiration from his own upbringing and the broader societal shifts occurring in America His background in literature and
personal connection to the city life influenced his portrayal of children as not mere subjects but as active participants in the
shaping of their destinies Seely s ability to infuse realism with a touch of idealism allows readers to engage with the
characters on a profound level I highly recommend A Son of the City for readers interested in historical fiction that evokes
the innocence and struggles of youth Seely s work is not only a captivating tale for young readers but also serves as a rich

resource for scholars and enthusiasts studying childhood to understand the interplay between environment and identity in urban settings **David Copperfield. Christmas stories. Tale of two cities. Uncommercial traveller** Charles Dickens, 1868
