A Reader in Political Sociology. Ed. by Richard Rose Richard Rose, 1966 **Political Representation and Elections in Britain (Routledge Library Editions: Political Science Volume 12)** Peter Pulzer, 2013-04-15 Originally published in 1972 this edition includes expanded sections on class and voting and elites and participation in modern democracy Many popular misconceptions about the militancy of party activists the relations between MPs and constituents the role of TV and the fairness of the electoral system are critically examined Equally important is the review of representational theories from Greek to Victorian in the light of what we know today about the workings of Parliament the role of pressure groups and the mixture of rational and irrational motives in human behaviour A range of twentieth century critiques including those of Robert Michels Joseph Schumpeter Robert Dahl and Peter Bachrach is presented Wherever possible British experience is compared with that of the USA continental Europe or the Commonwealth **Morality and the Market (Routledge Revivals)** N. Craig Smith, 2014-11-13 Can businesses abandon the axiom that the customer is always right when consumers start questioning the ethics of business practices Professor Craig Smith examines the theory and practice of ethical purchase behaviour a crucial mechanism for ensuring social responsibility in business He explains how and why consumers have used their purchasing power to influence corporate policies and practices He argues the case for the social control of business drawing on perspectives from marketing economics politics sociology and business policy He concludes that the market may act as an arbiter of good and bad business practice Dr Smith considers the practical aspects of ethical purchase behaviour focusing on consumer boycotts as a specific form of this consumer behaviour and explains how boycotted businesses should respond This title first published in 1990 is ideal for both business students and those who have a business of their own Learning About Politics in Time and Space Richard Rose, 2014-12-01 Richard Rose's memoir vividly describes first hand experience of the transformation of politics in Europe and the United States since 1940 He has been teargassed in Chicago seen walls go up in Belfast and come down in Berlin The author's education in the streets and in the corridors of political power give a unique perspective on discrimination by race religion and class and the world in which political scientists live today Rose has distilled a 500 page book into a three minute Oval Office explanation to George W Bush of why America's intervention in Iraq was a disaster He gives practical advice to political scientists about how to make words into concepts and communicate what you know to others inside and outside universities The book's photographs show memorials to the dead and living evidence of how election forecasting has changed since Delphi Using skills developed since teaching himself to type at the age of eight Rose describes his 20 years of working in newspapers radio and television before publishing his first book Since then he has combined social science methodology along with the methodologies of comparative drama and the applied arts to write many

innovative books This is the latest Representations of Gender From Prehistory To the Present NA NA,2016-04-30 Focusing primarily on visual forms of representation but also including material on literary representation this volume brings together studies as apparently disparate as the iconography of power in Mediterranean prehistory and clothing and cultural meaning in the First and Second World Wars What draws these chapters together is the common focus on how the scholar of the twenty first century can pursue the interpretation of past representational cultural production from a gendered perspective The fruit of research by academics from the fields of archaeology classics and ancient history art history and social history and from both sides of the Atlantic this volume is a fascinating introduction to a developing field **Unhappy Dialogue** James Whitfield,2013-01-10 This book is concerned with the origins of the often difficult relationship between the Metropolitan Police and London s West Indian community and is the first detailed account of the relationship between them during the crucial early decades of largescale immigration It shows how and why the early seeds of mistrust between police and black immigrants were sown culminating in the subsequent riots and public enquiries in particular the Scarman and MacPherson enquiries Drawing upon a wide range of interviews as well as detailed archival research this book also sheds new light on the relationship between the Home Secretary and the Metropolitan Police Commissioner in the post war period the cultures and subcultures within the Met and the different priorities to be found within its rank structure the nature of cultural and ethnic prejudice in the Met at the time its self imposed alienation from the community it served and the Met s lack of commitment at the highest level to community and race relations training All these issues are examined in the broader context of British society in the 1950s and 1960s providing a prism through which to explore the broader context of race relations in Britain in the post war period **Intl Biblio Pol SC 1966** Blpes,1968-02 First published in 1968 Routledge is an imprint of Taylor Francis an informa company
