Studies In Eighteenth Century Culture Vol 31:

Castration, Impotence, and Emasculation in the Long Eighteenth Century Anne Leah Greenfield, 2019-11-20 This essay collection examines one of the most fearsome fascinating and hotly discussed topics of the long eighteenth century masculinity compromised During this timespan there was hardly a literary or artistic genre that did not feature unmanning regularly and prominently from harrowing tales of castrations in medical treatises to emasculated husbands in stage comedies to sympathetic and powerful eunuchs in prose fiction to glorious operatic performances by castrati in Italy to humorous depictions in caricature and satirical paintings to fearsome descriptions of Eastern eunuchs in travel narratives to foolish and impotent old men who became a mainstay in drama Not only does this unprecedented study of unmanning in all of its varied forms illustrate the sheer prevalence of a trope that featured prominently across literary and artistic genres but it also demonstrates the ways diminished masculinity reflected some of the most strongly held anxieties interests and values of eighteenth century Britons

Daniel Defoe and the Representation of Personal Identity

Christopher Borsing, 2016-08-25 The concept of a personal identity was a contentious issue in the early eighteenth century John Locke's philosophical discussion of personal identity in An Essay Concerning Human Understanding fostered a public debate upon the status of an immortal Christian soul This book argues that Defoe like many of this age had religious difficulties with Locke's empiricist analysis of human identity In particular it examines how Defoe explores competitive individualism as a social threat while also demonstrating the literary and psychological fiction of any concept of a separated lone identity This foreshadows Michel Foucault's assertion that the idea of man is a recent invention a figure not yet two centuries old a new wrinkle in our knowledge The monograph's engagement with Defoe's destabilization of any definition or image of personal identity across a wide range of genres including satire political propaganda history conduct literature

travel narrative spiritual autobiography piracy and history economic and scientific literature rogue biography scandalous and secret history dystopian documentary science fiction and apparition narrative is an important and original contribution to the literary and cultural understanding of the early eighteenth century as it interrogates and challenges modern presumptions of individual identity

The Enterprise of Enlightenment Terry Pratt, David McCallam, 2004 Published on the occasion of his retirement in honour of his outstanding contribution to French Enlightenment studies this volume explores those areas of research in which David Williams has excelled and continues to excel literary criticism particularly Voltaire the history of ideas women and Enlightenment colonial practices and revolutionary politics It brings together a collection of essays from some of the most prestigious international names in the field and tackles subjects which expose in all their splendid diversity the enterprise both innovation and undertaking of the Si cle des Lumi res

Gender and the Formation of Taste in Eighteenth-Century Britain Robert W. Jones, 1998-07-02 Beauty is one of the most important and intriguing ideas in eighteenth century culture In Gender and the Formation of Taste in Eighteenth Century Britain Robert Jones provides a fresh understanding of how emergent critical discourses negotiated with earlier accounts of taste and beauty in order to redefine culture in line with the polite virtues of the urban middle

classes Crucially the ability to form opinions on questions of beauty and the capacity to enter into debates on its nature was thought to characterise those able to participate in cultural discourse Furthermore the term beauty was frequently invoked in various and contradictory ways to determine acceptable behaviour for women In his book Jones discusses a wide range of material including philosophical texts by William Hogarth and Edmund Burke and Joshua Reynolds novels by Charlotte Lennox and Sarah Scott and the many representations of the celebrated beauty Elizabeth Gunning

Servants and the Gothic, 1764-1831 Kathleen Hudson, 2018-12-14 This book explores a complex historical background to fully contextualise the development of the early Gothic mode and the servant character's role as a speaking and performing figure in literature This book includes a comprehensive engagement with a wide range of source texts unpacking the theoretical elements of the Gothic mode through close readings of individual works This book brings together readings of novels plays and adaptations both contemporary and modern to construct a full picture of the literary and cultural forces that shaped the literary servant's role and the Gothic mode's identity This book addresses a critically important yet much underrepresented area of Gothic studies by examining servant characters and their use of narrative

Agents of the People Pasi Ihalainen, 2010 Analysing parliamentary references to the people this book provides a more nuanced interpretation of eighteenth century re evaluations of democracy It shows how interaction between parliamentarians and the public sphere in different political cultures produced more modern conceptions of the legitimacy of political power
