R. Elton, 2002 The papers collected in these volumes revolve around the political constitutional and personal problems of the English government between the end of the fifteenth century civil wars and the beginning of those of the seventeenth century Previously published in a great variety of places none of them appeared in book form before They are arranged in four groups Tudor Politics and Tudor Government in Volume I Parliament and Political Thought in Volume II but these groups interlock Though written in the course of some two decades all the pieces bear variously on the same body of major issues and often illuminate details only touched upon in Professor Elton s books Several investigate the received

preconceptions of historians and suggest new ways of approaching familiar subjects They are reprinted unaltered but some new footnotes have been added to correct errors and draw attention to later developments Studies ,1916 An Irish quarterly review **Studies in Tudor and Stuart Politics and Government: Volume 3, Papers and Reviews**

1973-1981 G. R. Elton, Geoffrey Rudolph Elton, 2003-02-13 This volume continues the publication of Professor Elton's collected papers on topics in the history of Tudor and Stuart England All appeared between 1973 and 1981 As before they are reprinted exactly as originally published with corrections and additions in footnotes They include the author's four presidential addresses to the Royal Historical Society and bring together his preliminary findings in the history of Parliament and its records Several of them which appeared in various collections and Festschriften have been difficult to find and some are taken from locations in Germany and the United States unfamiliar to English readers The eight lengthy reviews here republished examine some of the major questions in the history of the age and throw light on the principles of investigation which underlie the author's own research
