

ARCHITECTURE

According to Vitruvius, a good structure must meet the three characteristics of firmitas, utilitas, and venustas, which are commonly translated as stability, utility, and delight. In modern English, an equivalent would be:

- Durability: a construction should be able to withstand the elements, and remain in good condition.
- Utility: it should be appropriate for the purpose for which it is used.
- Beauty: should be pleasing to the senses.

PAINTING

Painting is perhaps the most well known of the seven types of fine arts. People have used that a piece of paper could be a canvas to capture reality, record the beginning of time. There have been several well known visual artists, so it's no wonder that it's still one of the most popular and widely recognized fine art forms.

SCULPTURE

Sculpture is the art of sculpture, the ability to form the solid to create an object. Originally, a sculpture was made by just carving into a material, which was then directly into the stone.

A few modernists use an art form that incorporates a wide range of materials and techniques. Sculpture is a form of the visual arts that captures three dimensions. It is a type of plastic art.

MUSIC

Music has a special place among the seven arts because of its capacity to create harmonious sounds using instruments. For a long time, humans have been accompanied by the music of nature.

It is a communication art form, as well as a connecting art capable of reaching the subconscious layer and influencing an entire population. There are hundreds of musical instruments, which are engaged by hands.

FILM

Film, also known as motion picture or movie, is a media that can be used to create moving images, as well as other things like sound, to create experiences that inspire thoughts, ideas, imaginations, emotions, opinions or perceptions.

The term "cinema," short for "cinematography," is frequently used to refer to filmmaking and the industry as well as the artistic expression that results from it.

It is a form of body expression that can transport the audience and is always tied to music. Some features are defined by operations, they have into a house or hall of mirrors where they are at their most emotional.

The term "performance art" refers to forms of performance or which involve one or more people in a social context. It is one of a group of fine arts of mind and body. Performance art includes a variety of physical movements that are usually performed in front of a live audience.

PERFORMANCE

Literature is a form of art that refers to the use of words to express itself. Although we know that literature is just that, some people do not consider the idea to be a fine art. Poetry is also included in this form.

Literature refers to writing that is considered a piece of writing, that is seen as beautiful or aesthetically in nature, sometimes, being to the use of language in several ways.

By Latin origin literature is literary, which comes from litera, which means letter or penmanship, was used to refer to all written records.
