Colton,1996 *A Companion to Persius and Juvenal* Susanna Braund,Josiah Osgood,2012-11-29 *A Companion to Persius and Juvenal* breaks new ground in its in depth focus on both authors as satiric successors detailed individual contributions suggest original perspectives on their work and provide an in depth exploration of Persius and Juvenal s afterlives Provides detailed and up to date guidance on the texts and contexts of Persius and Juvenal Offers substantial discussion of the reception of both authors reflecting some of the most innovative work being done in contemporary Classics Contains a thorough exploration of Persius and Juvenal s afterlives

The Birth of Modern Political Satire Meredith McNeill Hale,2020-09-02 Political satire has been a primary weapon of the press since the eighteenth century and is still intimately associated with one of the most important values of western democratic society the right of individuals to free speech This study documents one of the most important moments in the history of printed political imagery when political print became what we would recognise as modern political satire Contrary to conventional historical and art historical narratives which place the emergence of political satire in the news driven coffee house culture of eighteenth century London Meredith M Hale locates the birth of the genre in the late seventeenth century Netherlands in the contentious political milieu surrounding William III s invasion of England known as the Glorious Revolution The satires produced between 1688 and 1690 by the Dutch printmaker Romeyn de Hooghe on the events surrounding William III s campaigns against James II and Louis XIV establish many of the qualities that define the genre to this day the transgression of bodily boundaries the interdependence of text and image the centrality of dialogic text to the generation of meaning serialized production and the emergence of the satirist as a primary participant in political discourse This study the first in depth analysis of De Hooghe s satires since the nineteenth century considers these prints as sites of cultural influence and negotiation works that both reflected and helped to construct a new relationship between the government and the governed

Claude III Audran, Arbiter of the French Arabesque Barbara Laux,2025-10-01 *Claude III Audran Arbiter of the French Arabesque* is the first substantial biographical study of Claude III Audran a late 17th and early 18th century master of ornament and a proponent of cutting edge design who took inspiration from contemporary sources This work investigates Audran s accomplishments and the factors that impacted the longevity and arc of his successful career taking into consideration the contextual variables that influenced and shaped his work Audran s achievements bridge an important period with the eclipse of the Guild Ma trise and the rise of the Acad mie royale Audran subcontracted young artists such as Watteau Lancret and Desportes in order to circumvent restrictions on guild practice enacted by the crown Looking at his commissions not only reveals the elite taste of his patrons including Louis XIV but also Audran s ability to use elements from popular culture to animate his arabesques which created hallmarks of rococo interior design

Historical Dictionary of French Literature John Flower,2022-05-15 With the possible exception of Great

Britain France can justifiably lay claim to possess the richest literary history of any country in Western Europe This book covers the authors and their works literary movements and philosophical and social developments that have had a direct impact on style or content and major historical events such as the two world wars the Franco Prussian War the Algerian War or the events of May 1968 that are directly reflected in a substantial body of imaginative writing Historical Dictionary of French Literature Second Edition contains a chronology an introduction and an extensive bibliography The dictionary section has more than 500 cross referenced entries on individual writers and key texts significant movements groups associations and periodicals and on the literary reactions to major national and international events such as revolutions and wars This book is an excellent resource for students researchers and anyone wanting to know more about French literature

Selected Poems Nicolas Boileau Despréaux, Nicolas Boileau, 2007-01-01 Processing French presents a groundbreaking empirical study of the processing of morphologically simple and complex French words Peter Golato's research offers an insightful account of the lexical storage and retrieval of isolated words and words within sentences Processing French investigates the native language processing of French a language for which findings have not definitively supported a dual mechanism account of morphological processing Through word and sentence level studies the book accomplishes two goals First it offers behavioral evidence in support of a dual mechanism processing account at the word level In contrast to English however the evidence with French does not turn upon a contrast in inflectional regularity among verbs but instead hinges upon a diachronic contrast with synchronic relevance in the productivity of derivational suffixes among nouns Second by incorporating the findings of the word level studies into sentence level studies the book offers a window onto the morphological processing of displaced sentential elements specifically morphologically simple and complex wh moved nouns and raised lexical verbs Peter Golato is assistant professor of French at the University of Illinois at Urbana Champaign Processing French is decidedly original and it is equally and decidedly sound This book makes a superb shelf reference for anybody working in psycholinguistics first and second language acquisition and the syntactic study of French and draws some fascinating conclusions about what might really be at play in human language acquisition Fred Davidson University of Illinois at Urbana Champaign Boileau and the French Classical Critics in England (1660-1830) Alexander Frederick Bruce Clark, 1925 **Boileau and the French Classical Critics in England** , **The Petronian Society Newsletter** , 1996
