Studying Human Rights:

Studying Human Rights Todd Landman, 2006 Draws on theories and methods from the social sciences to develop a framework for the systematic study of human rights problems This book includes an outline of the scope of human rights the factors that have an impact on human rights and a summary of the social science theories It is useful for scholars and practitioners of this area *Human Rights Education for the Twenty-First Century* George J. Andreopoulos, Richard Pierre Claude, 1997-04 I Theories and contexts **Teaching and Studying Social Issues** Samuel Totten, Jon Pedersen, 2011-01-01

Teaching and Studying Social Issues Major Programs and Approaches focuses on many of the major innovations developed over the past 100 years by noted educators to assist students in the study and analysis of key social issues that impact their lives and society This book complements earlier books that address other aspects of studying and addressing social issues in the secondary classroom *Researching and Teaching Social Issues The Personal Stories and Pedagogical Efforts of Professors of Education* Lexington Books 2006 *Addressing Social Issues in the Classroom and Beyond The Pedagogical Efforts of Pioneers in the Field* Information Age Publishing 2007 and *Social Issues and Service at the Middle Level* Information Age Publishers 2009 The current book ranges in scope from Harold Rugg s pioneering effort to develop textbooks that purposely addressed key social issues and thus provided teachers and students with a major tool with which to examine social issues in the classroom to the relatively new efforts over the last 20 to 30 years including global education environmental education Science Technology Society STS and genocide education This book provides the readers with details about the innovators their innovations so they can 1 learn from past efforts particularly in regard to what worked and didn t work and why 2 glean new ideas methods and approaches for use in their own classrooms and 3 craft new methods and approaches based on the strengths of past innovations **Essays in Honour of Göran Melander** Jonas Grimheden, Rolf Ring, 2006 This volume

illustrates the complex relationship between dissemination of human rights standards and their application in human rights law and thus serves as a tribute to Melander s belief in and commitment to the dynamics of education in human rights law
