

The illustration is a whimsical, stylized scene. On the left, a character with a large, pointed orange hat and a green dress with a striped sash stands on a white wooden ladder. The character is reaching up to touch a large orange flower. The ladder is decorated with several small black baskets hanging from it. The background is filled with various orange flowers and green leaves on a light green background. On the right side, a large, stylized eye-like shape is visible, containing a small red figure and a green figure. The overall style is reminiscent of early 20th-century children's book illustrations.
