Take This Job And Love It:

Take this Job and Love it Diane Tracy,2004 **Empowering Women in STEM** Sanya Mathura,2024-03-01 Throughout the globe STEM careers exist However in some countries particular STEM careers have been male dominated while in other countries no gender biases exist as it relates to STEM careers One common trend which occurs throughout the world is that women who are working in these STEM related fields typically leave after about five years Contrarily it has also been uncovered that more women stay in these fields when we all work together Empowering Women in STEM Working Together to Inspire the Future provides a platform to share the stories of those who have been in STEM careers but have pivoted to other areas by utilizing the STEM skills they learned It bridges the gap between those who are thinking about entering or leaving STEM careers along with those who want to encourage others into STEM careers This book showcases how everyone s journey is different some may have unexpected twists and turns while others appear to conform to the normal rules outlined by society By offering a front row seat on a journey that takes many different paths this book provides advice that can lead to a STEM career with or without having a STEM background The different roads taken are highlighted to show how everyone s path is unique and how that is okay With the upcoming generation constantly looking for ways to fit in or be able to identify with role models to help them chart their way forward this book ensures that they have not just one but a variety of role models and success stories to relate to It also offers some key advice which can be applied to any field they choose In addition to having women and men from across the globe share their stories about various fields this book also is written for professionals who may be considering a switch of career or deciding to leave STEM and for university students who are trying to figure out their career choices and paths to take to gain more insight into possible new career goals in STEM

Take This Job and Ship It Byron L. Dorgan,2015-06-09 Our trade deficit increases by 2 billion a day Pharmaceutical companies and their lobbyists have such influence in Washington that Medicare by current law is not allowed to negotiate lower drug prices We import oil on an ever increasing scale putting ourselves into dept with the Saudis the Kuwaitis and other Middle Eastern nations With their windfall profits they continue to buy American assets China s booming economy and abundance of cheap labor are threatening our economic survival We have mortgaged our fortunes our principles and our way of life In this comprehensive look at the real human toll of America s unsound trade policy Senator Byron Dorgan exposes the myth of free trade Indeed free trade is not free it is something that is slowly but surely draining away American prosperity Sure Chinese labor can drive down prices at Wal Mart at the same time however those saved wages dollars that would have gone to buy these cheaper goods are gone Too soon it will all come crashing down Major U S corporations continue to ship jobs overseas by the millions and because of their influence in Washington avoid paying a king s ransom in taxes Many billions of dollars that these companies fleece from the government and the American people go overwhelmingly to investments in expanding production capabilities overseas In short our government is in the grip of corporate and foreign

interests and the American worker has born the brunt of this culture of corruption How can we stem the tide of outsourcing Why has the White House done nothing Will the middle class survive From describing corporate profiteering to calling to action a lethargic inactive government Byron Dorgan exposes the truth about the destructive relationship between corporations and Congress and proposes strategies for what can really be done to preserve America s preeminence in the world Changing the Way You Think Sheldon Malone,2015-12-30 It was during an isolated tour of military duty that the author Sheldon Malone was led to compile these devotionals written over the years into a one year devotional book designed to encourage readers to look at Gods Word from a whole new perspective by changing the way they thought It was not until he changed his thinking that he truly began to see the transforming power of God manifested in his life in tangible ways This is precisely why we have to allow God to expand our territory and horizon by permitting Him to change the way we think through His Word As you read each devotional this authors prayer is that you will find strength and encouragement to allow God to propel you into higher heights and deeper depths in the things of the Kingdom The Word of God may just give you a different perspective as it encourages you to change your thinking in order to achieve a new mindset Get the Funk Out! Janeane Bernstein Ed.D.,2019-06-25 You really can Get the Funk Out When you belly flop into another one of life s funks learn what to do next Finally a common sense approach to an all too common malady Ms Bernstein has assembled the tools to overcome our personal demons in words that are clear and concise When I find a good book I usually can t put it down but Get The Funk Out demands time to absorb the inspirational stories and ponder the question of how faith can be so strong Gary Pihl former guitarist for Sammy Hagar and current member of the band Boston I love this book A radically transparent look that teaches us to face life s hard knocks instead of running away and heal from the gifts that emerge from them This is a bedside keeper to remind you that grass grows through concrete Bryan E Robinson Ph D Psychotherapist and Author of Chill Turn Off Your Job and Turn On Your Life The power of self esteem is on full display in Get the Funk Out Janeane Bernstein pulls together an unlikely cast to write a prescription for dealing with life s large and small challenges Finding joy on the journey is possible no matter how rocky the road Richard M Cohen Author of Blindsided and Strong at the Broken Places *52 baby steps to Grow Young* Michael Brickey,2005 *Rise Up and Walk* Ann Hazard,2001-10 With a sensitive heart and introspective mind Ann Hazard has written a concise and deeply practical devotional guide for any man or woman trying to navigate the treacherous waters of Divorce Country Ann shares highly personal parts of her own journey through divorce and invites you the reader to embrace the wise and practical discoveries she has made This profound guidebook offers no easy answers but carefully guides the reader to face each day with courage You will identify with the myriad of feelings that can scramble the life of any person facing a journey through the lonely barren land of divorce You will find points of personal healing and growth as you move from day to day and page to page in this chronicle of hope There is a bright light shining at the end of your tunnel through divorce That light is hope and Ann helps you open your heart each day
