Taken By Storm A Delta Stevens Mystery

Judith A. Markowitz

Taken By Storm A Delta Stevens Mystery:

New Our Right to Love Ginny Vida, 2010-05-11 Since its original publications in 1978 Our Right to Love's resources interviews and essays have evolved to cover every aspect of the ever changing everyday lives of lesbians The complete lesbian resource guide Our Right to Love instantly became a classic when it was first published in 1978 Now fully revised and expanded for the 1990s this new edition includes over 60 articles and interviews covering the many aspects of lesbian life relationships sexuality health activism education and sports religion and spirituality the law and legal issues multiethnic lesbian experience and lesbian culture A group of essays explores the lesbian experience across cultures African American Latina Asian Native American and age groups Interviews with notable lesbians Martina Navratilova Melissa Etheridge Margarethe Cammermeyer and Minnesota State Representative Karen Clark examine the particular experiences of highly visible out lesbians An extensive bibliography resource lists and index make this the complete lesbian reference **The Gay**

Detective Novel Judith A. Markowitz, 2015-02-16 Gertrude Stein called it the only really modern novel form that has come into existence yet the mystery genre was a century old before it featured its first gay main character in a novel Since then gay and lesbian detective fiction has been one of the fastest growing segments of the genre It incorporates gay and lesbian cultural elements and offers crossover appeal Its authors call upon a century of development in the mystery genre while providing new more accurate images of lesbians and gay men than generally found in mainstream literature and popular media This groundbreaking study of gay and lesbian detective fiction examines mystery series and historically significant stand alone novels published since the early 1960s Part I is an overview that describes how these novels make gay and lesbian life visible and forge new powerful images It also examines how they fit into the larger history of mystery fiction The series analyses in Part II are grouped according to the type of main character police officer private investigator amateur sleuth etc Each section discusses main and secondary characters of that type characteristic themes for the group and more The analyses of individual series cover main characters themes plot points and other elements Comments from authors interviewed for this book play a central role in those analyses Part III lists series spanning themes e g homophobia the closet gay marriage and the novels and series that address each of those themes The American Police Novel Leroy Lad

Panek, 2015-09-17 The American police novel emerged soon after World War II and by the end of the century it was one of the most important forms of American crime fiction The vogue for either Holmesian genius or the plucky amateur detective dominated mystery fiction until mid century the police hero offered a way to make the traditional mystery story contemporary The police novel reflects sociology and history and addresses issues tied to the police force such as corruption management and brutality Since the police novel reflects current events the changing natures of crime court procedures and legislation have an impact on its plots and messages An examination of the police novel covers both the evolution of a genre of fiction and American culture in general This work traces the emergence of the police officer as hero and the police novel

as a significant popular genre from the cameo appearances of police in detective novels of the 1930s and 1940s through the serial killer and forensic novels of the 1990s It follows the ways in which professional writers and police officers turned writers view the police individually and collectively The work chronicles the ways in which changes in the law and society have affected the actions of the police and shows how the protagonists of police novels have changed in gender race nationality sexual orientation and age over the years The major writers examined begin with Julian Hawthorne in the nineteenth century and include such writers as S S van Dine Ellery Queen Erle Stanley Gardner Ed McBain Chester Himes MacKinley Kantor Hillary Waugh Dorothy Uhnak Joseph Wambaugh Bob Leuci W E B Griffin and Carol O Connor

Gay and Lesbian Characters and Themes in Mystery Novels Anthony Slide,1993 Perhaps John Jasper in Charles Dickens The Mystery of Edwin Drood 1870 was the first homosexual in a mystery novel For over 100 years thereafter depictions of gay men and lesbians were generally unsympathetic Over 500 novels with homosexual characters or themes both mainstream and those specifically for gays and lesbians are examined in the present work Each entry includes a plot synopsis and critical commentary Where appropriate biographical information is provided on the author

Mystery Women, Volume Three (Revised) Colleen Barnett,2010-12-31 Like other fictional characters female sleuths may live in the past or the future They may represent current times with some level of reality or shape their settings to suit an agenda There are audiences for both realism and escapism in the mystery novel It is interesting however to compare the fictional world of the mystery sleuth with the world in which readers live Of course mystery readers do not share one simplistic world They live in urban suburban and rural areas as do the female heroines in the books they read They may choose a book because it has a familiar background or because it takes them to places they long to visit Readers may be rich or poor young or old conservative or liberal So are the heroines What incredible choices there are today in mystery series This three volume encyclopedia of women characters in the mystery novel is like a gigantic menu Like a menu the descriptions of the items that are provided are subjective Volume 3 of Mystery Women as currently updated adds an additional 42 sleuths to the 500 plus who were covered in the initial Volume 3 These are more recently discovered sleuths who were introduced during the period from January 1 1990 to December 31 1999 This more than doubles the number of sleuths introduced in the 1980s 298 of whom were covered in Volume 2 and easily exceeded the 347 series and some outstanding individuals described in Volume 1 which covered a 130 year period from 1860 1979 It also includes updates on those individuals covered in the first edition changes in status short reviews of books published since the first edition through December 31 2008

Lesbians in Print Margaret Gillon,1995

Hey Mom, Guess What! Shelly Roberts,1993 Best selling humor author Shelly Roberts trains her razor sharp wit on a crucial issue for all gays and lesbians coming out to More Whether When Where And how Hilarious suggestions for dealing with mothers from Mommy Dearest to the Drill Sergeant

Sleuths in Skirts Frances A. DellaCava,Madeline H. Engel,2002 This volume is a comprehensive collection of critical essays on The Taming of the Shrew and includes extensive discussions of the play s

various printed versions and its theatrical productions Aspinall has included only those essays that offer the most influential and controversial arguments surrounding the play The issues discussed include gender authority female autonomy and unruliness courtship and marriage language and speech and performance and theatricality **Feminist Bookstore News**

,1999 **Detecting Women 2** Willetta L. Heising,1996 Lists over 3 400 mystery titles written by women in correct series order as well as more than 600 series detectives created by women and more Titles are indexed by mystery type and series setting *WLW Journal* Women Library Workers (U.S.),1993 *Storm Shelter* Linda Kay Silva,1993 Officer Delta Stevens

is back in the long awaited sequel to *Token* by Storm In a deadly race against time Delta enters the complex world of computer games to capture a killer who murders his victims with bizarre and ancient weapons Not to be missed

Alternative Library Literature ,2000 **Bowker's Guide to Characters in Fiction 2007** ,2008-02 Forthcoming Books Rose Arny,2003-04 American Book Publishing Record ,2002 *Geological Survey Professional Paper* Geological Survey (U.S.),1967 *Dictionary of Alaska Place Names* Donald J. Orth,1967 Each entry conforms to principles of U S Board on Geographic Names and lists location brief history and meaning of name **Merchant Vessels of the United States** ,1959 *Merchant Vessels of the United States ... (including Yachts)* ,1959
