## **Taking Charge Crisis Intervention In Criminal Justice:**

**Taking Charge** Anne Romano,1990-03-20 Over the past several years there has been an increasing public awareness of and support for efforts to provide assistance to specially victimized groups in crisis battered women victims of crimes persons with disabling diseases and others faced with traumatic situations Because criminal justice professionals are often the first to be in direct contact with someone experiencing these types of traumas it is vital that they have a thorough understanding of crisis theory and of effective intervention techniques This volume written for police officers auxiliary police probation and parole agents and correctional personnel offers a comprehensive guide to crisis intervention within the context of the criminal justice system Aimed at helping criminal justice professionals develop the skills necessary to diffuse and resolve a wide variety of crisis situations the book examines specific types of crises in detail analyzes their causes and how people react to them and demonstrates techniques that can help the intervener take charge of situations for those persons temporarily unable to help themselves The volume begins by discussing five major approaches to crisis intervention showing how aspects of each can be integrated into a workable overall approach Romano goes on to examine the characteristics of crisis situations identifying the behaviors and the typical flow of a crisis The chapters address specific aspects of crisis intervention including communication in life threatening situations the components of and crisis intervention with victims Interaction with such groups as the bereaved those contemplating suicide the elderly victims of violence and rape and those involved in domestic disputes each receive extended treatment Finally the author discusses the occupational stresses experienced by crisis interveners problems such as intervener burnout self doubt and the difficulty of maintaining emotional control Indispensable for any criminal justice professional faced with crisis intervention responsibilities this book should also be required reading for those aspiring to careers in this field      **National Institute of Justice Reports** ,1991      **Stress and the Police Officer** Katherine W. Ellison,2004 Good policing is not impossible The reactions that have been associated with stressors are not inevitable Many officers retire in good physical and emotional health and 100 back on their careers with pleasure In a situation where stressors have led to maladaptive behavior on the part of individuals or organizations change is called for Change must be constant as social conditions in the world around us vary The police represent a force for the order necessary for society to function It is not an easy job but it is one that is worth doing well      *Federal Probation* ,1991      Constructive Work with Offenders Nigel Parton,Marilyn Gregory,Michelle Hayles,Kevin Gorman,2006-01-27 This book offers a challenge to many of the assumptions of criminal justice policy and the dominant approaches to practice The contributors advocate an emphasis on constructive work with offenders that harnesses their positive strengths and resources and offers inclusive approaches to effective offender assessment and intervention      *Constructive Work with Offenders* Kevin Gorman,2006 Constructive Work with Offenders offers a challenge to many of the assumptions of criminal justice policy and the dominant approaches to practice The contributors advocate an emphasis on constructive work with offenders

that harnesses their positive strengths and resources and offers inclusive approaches to effective offender assessment and intervention Taking a fresh look at much received knowledge they proclaim that constructive work with offenders is both possible and increasingly warranted and encourage practitioners to develop new skills and adapt existing expertise to the rapidly changing requirements of the criminal justice system This book will be of interest to practitioners trainers managers and researchers in the criminal justice system as well as academics and students in the field of criminology and related disciplines

Crisis and Reform at Minnesota's Stillwater Prison, 1960-2000 Denise Suzette Hesselton,2007 This dissertation examines Minnesota s Stillwater prison between 1960 and 2000 focusing specifically on the violence and disorder that plagued the prison in the early 1970s A framing approach is adopted to understand the factors that gave rise to the disorder as well as the reforms that restored order in the late 1970s and beyond In an effort to contextualize these trends the research also explores why Minnesota responded to prison disorder in unexpected ways and why the state ultimately abandoned these reforms in favor of the more punitive reforms adopted elsewhere
