Taking Away:

Taking Away the Distance Miles Roston, 2009-04-20 In this emotional story of hope and inspiration an African boy orphaned by AIDS becomes a catalyst for AIDS orphans worldwide Living in a shantytown in Kenya Kevin Sumba's life was one of loneliness and hardship Yet he was determined to get an education Miles Roston a documentary filmmaker first met Kevin while making a film on AIDS orphans He found that this particular boy touched his heart in a way he hadn't anticipated Together they set out to answer Kevin's Questions about the AIDS epidemic and more specifically Kevin's situation Taking Away the Distance takes us on a singular journey as powerful policymakers and those working at a grassroots level deal with the direct and at times confronting questions of one boy Along the way we also meet people directly impacted by the epidemic and face their lives heroically from children surviving homelessness on Nairobi's streets to a mother on her deathbed whose only thought is how to care for the children she will leave behind As Kevin and Roston form a bond of love and respect each learning from the other we discover just how much our own lives can change if we dare to help

Taking Away the Pound Elizabeth V. Dowling, 2007-04-26 Against the majority opinion this study argues that the Lukan Parable of the Talents Lk 19 11 28 is a story about the use and abuse of power The parable is also the story of those who suffer adverse consequences when they oppose unjust power structures This suppression of challenge to oppressive structures evidenced in the Parable of the Pounds fits a pattern that operates in other parts of the Lukan Gospel We meet it for example in the arrest and killing of John the Baptist by Herod and in the arrest and crucifixion of Jesus The Parable of the Pounds can be seen as a paradigm for the stories of those characters in the Lukan Gospel who lose their pound when they challenge an oppressive structure where pound becomes a metaphor for what one has that can be potentially taken away by those in a position of power This study argues that this pattern of taking away the pound is also seen within stories of women characters who resist patriarchal ideals and expectations The Parable of the Pounds is used as a lens through which to view the characterizations of Lukan women New lenses provide new opportunities for perception This study explores what is opened up by this way of viewing the text In particular it explores the ways in which the dynamic of the Parable of the Pounds gives insight into the dynamic operating in the Lukan women's characterizations LNTS

Taking Away The Veil Sebastian Fisichella, 2003-07 All things natural tend to disguise the Truth and language brings even more distortion to the absolute Word of God This is precisely why so many have said that they do not understand the mysteries of the Bible The author takes you beyond the veil to reveal the hidden realities of the Kingdom and bring forth answers to questions with Truth that has remained concealed for centuries Are you really born again The Nicodemian Theory Who are the lost What is the beginning of eternal life Are we adopted What is the great deception Who is the only begotten Son of God Who are the firstborn Which is the generation that shall not pass away until all be fulfilled What is the second coming Matt 16 28 Luke 9 27 Pentecost Will you ever be taken bodily into heaven as many claim in their teaching of the rapture How do you receive the gift of salvation
