Taking It Like A Woman:

Taking It Like a Man David Savran, 1998-03-30 From the Beat poets incarnation of the white Negro through Iron John and the Men's Movement to the paranoid masculinity of Timothy McVeigh white men in this country have increasingly imagined themselves as victims In *Taking It Like a Man* David Savran explores the social and sexual tensions that have helped to produce this phenomenon Beginning with the 1940s when many white middle class men moved into a rule bound corporate culture Savran sifts through literary cinematic and journalistic examples that construct the white man as victimized feminized internally divided and self destructive Savran considers how this widely perceived loss of male power has played itself out on both psychoanalytical and political levels as he draws upon various concepts of masochism the most counterintuitive of the so called perversions and the one most insistently associated with femininity Savran begins with the writings and self mythologization of Beat writers William Burroughs Allen Ginsberg and Jack Kerouac Although their independent law defying lifestyles seemed distinctively and ruggedly masculine their literary art and personal relations with other men in fact allowed them to take up social and psychic positions associated with women and racial minorities Arguing that this dissident masculinity has become increasingly central to U S culture Savran analyzes the success of Sam Shepard as both writer and star as well as the emergence of a new kind of action hero in movies like *Rambo* and *Twister* He contends that with the limited success of the civil rights and women's movements white masculinity has been reconfigured to reflect the fantasy that the white male has become the victim of the scant progress made by African Americans and women *Taking It Like a Man* provocatively applies psychoanalysis to history The willingness to inflict pain upon the self for example serves as a measure of men's attempts to take control of their situations and their ambiguous relationship to women Discussing S M and sexual liberation in their historical contexts enables Savran to consider not only the psychological function of masochism but also the broader issues of political and social power as experienced by both men and women *Drink Like a Woman* Jeanette Hurt, 2016-11-15 Cocktail marketers and male bartenders like to tell women what we want to drink and it's usually fruity frilly fancy and pink In *Drink Like a Woman* Jeanette Hurt shakes up barroom expectations stirs up some new ideas and pours a lively collection of feminist cocktails that are just as varied flavorful and strong as women are Sharing basic techniques cocktail classics hangover cures drinking games and more this spirited guide takes the misogyny out of mixology by offering fun and functional tips for the at home barista who doesn't need a man to mix it up She also exposes the surprisingly sexist history of cocktail culture and offers more than 50 recipes crafted by top women bartenders around the country including Anarchy Amaretto Bloody Mary Richards Nelly Bly Tai The LBD The Little Black Dress Ruth's Pink Taboo WoManhattan Zeldatini The Suffragette SourRide Sally Ride and Curie Royale With feisty illustrations and original recipes that call for a generous splash of female empowerment *Drink Like a Woman* is sure to subvert the patriarchy one drink at a time **Public Opinion**, 1873 **The Works of Thomas Middleton: No (wit, help) like a woman's.
