## **Taking Shape:**

**Metaphor and Meaning** Constance A. Cook, Christopher J. Foster, Susan Blader, 2024-07-01 In *Metaphor and Meaning* scholars from China the United States and Europe draw on Sarah Allan's groundbreaking application of conceptual metaphor theory to the study of early Chinese philosophy and material culture. Conceptual metaphor theory treats metaphors not just as linguistic expressions but as fundamental structures of thought that define one's conceptual system and perception of reality. To understand another culture's worldview then hinges upon identifying the right metaphors through which it then becomes possible to navigate between shared and unshared experiences. The contributors pursue lines of argument that complement, enhance or challenge Allan's prior investigations into these root metaphors of early Chinese philosophy, whether by explicitly engaging with conceptual metaphor theory or more indirectly by addressing meaning construction in a broader sense. Like Allan's interpretative works, *Metaphor and Meaning* interrogates both transmitted traditions and newly unearthed archaeological finds to understand how people in early China thought about the cosmos, society and themselves. **Living**

**for Shalom** Jeanette Woods, 2021-08-31 Ross Langmead will be remembered as one of Australia's leading missiologists, having established his credentials as a young man in founding Westgate Baptist Community after writing a report on the struggling churches in the west of Melbourne. His distinguished academic and teaching career led him to join the faculty at Whitley College until his death in 2013. He will also be remembered for his seventies folk group Daddy's Friends and the songs of love and justice he wrote over forty-five years that are still sung today. This biography starts with his missionary family upbringing and traces the influences that shaped his passion for sharing Jesus with the urban poor. He was a key player in the radical discipleship movement in Australia; his understanding of incarnational mission was that Christians need to be the people of God just where they are. Above all, he lived simply that others might simply live, his passion extending to ecumenism and support for the unemployed indigenous and refugees. He would want this book to inspire readers to make a difference in the world. **The Wenzhi** Paul van Els, 2018-03-06 The *Wenzhi* is a Chinese philosophical text that enjoyed considerable prestige in the centuries following its creation over two thousand years ago. When questions regarding its authenticity arose, the text was branded a forgery and consigned to near oblivion. The discovery of an age-old *Wenzhi* manuscript inked on strips of bamboo refueled interest in the text. In this combined study of the bamboo manuscript and the received text, Van Els argues that they belong to two distinct text traditions as he studies the date, authorship and philosophy of each tradition as well as the reception history of the received text. This study sheds light on text production and reception in Chinese history with its changing views on authorship, originality, authenticity and forgery, both past and present. **The**

Neo-Gothic Architecture in Mexico Martin M. Checa-Artasu,2025-06-02 Neo Gothic architecture is a global phenomenon observed in Mexico from the 1850s to the mid 20th century even with current examples In Mexico there are more than 500 buildings with some neo Gothic element new parishes and churches large temples examples of exterior decorations beautiful sacred furniture and art inside the temples funerary elements at cemeteries graves mausoleums tombs and civil buildings mansions houses schools hospitals porticoes so on This architecture in Mexico spread in two ways through architecture teaching academies but also thanks to the diffusion of bishops and priests who showed images and engravings for master builders stonemasons and other local artisans to copy Finally they built these buildings many times with the support of the parishioners Also the economic and political elites built mansions and houses in that style to show their wealth and financial and political power Something they also did in their tombs and pantheons since there are many built in that style A book on the characteristics agents and causes of the development of the neo Gothic style in Mexico is pioneering and the first of its kind It is a type of architecture extraordinarily little studied in Mexico A study of these characteristics would be of interest to a sector of the academy interested in the

topics of history of architecture art studies on religion and culture in general This book covers a huge gap in knowledge about an architectural style widely spread worldwide and that is widely unknown in Mexico and Latin America and that today is already a cultural heritage to be protected disseminated and valued Fictions of Justice Kamari Maxine

Clarke,2009-05-25 This book explores how notions of justice are negotiated through everyday micropractices and grassroots contestations of those practices **Religion and the Specter of the West** Arvind-Pal S. Mandair,2009-10-23 Arguing that intellectual movements such as deconstruction postsecular theory and political theology have different implications for cultures and societies that live with the debilitating effects of past imperialisms Arvind Mandair unsettles the politics of knowledge construction in which the category of religion continues to be central Through a case study of Sikhism he launches an extended critique of religion as a cultural universal At the same time he presents a portrait of how certain aspects of Sikh tradition were reinvented as religion during the late nineteenth and early twentieth centuries India's imperial elite subtly recast Sikh tradition as a sui generis religion which robbed its teachings of their political force In turn Sikhs began to define themselves as a nation and a world religion that was separate from but parallel to the rise of the Indian state and global Hinduism Rather than investigate these processes in isolation from Europe Mandair shifts the focus closer to the political history of ideas thereby recovering part of Europe's repressed colonial memory Mandair rethinks the intersection of religion and the secular in discourses such as history of religions postcolonial theory and recent continental philosophy Though seemingly unconnected these discourses are shown to be linked to a philosophy of generalized translation that emerged as a key conceptual matrix in the colonial encounter between India and the West In this riveting study Mandair demonstrates how this philosophy of translation continues to influence the repetitions of religion and identity politics in the lives of South Asians and the way the academy state and media have analyzed such phenomena **Flux** Jinwoo

a haunting and sometimes shocking exploration of the cyclical nature of grief of moving past trauma and of the pervasive nature of whiteness within the development of Asian identity in America      **Not By Politics Alone** V. I. Lenin, 2024-01-16 This vivid selection compiled and introduced by Tamara Deutscher written by Lenin and those who knew him brings us the revolution in his everyday life the man who lived by politics but not by politics alone Here we see the Lenin of leisure as well as work geared to his life s purpose and yet enjoying to the full all the pleasures of a healthy human existence neither the humourless monolithic cult hero of Soviet mythology nor the bogeyman of official anti communism What did Lenin read How did he relax What did he think and feel This surprising collection covering everything from his passionate baritone singing voice to his love of hunting wild game and beyond reveals the man beyond the myth      *Seeing Yourself Through God's Eyes* Joseph Chandler, 2011-09-03 *Seeing Yourself Through God s Eyes* is an eye opener book where God comes and spends some time with you expressing His Love for You It starts with a letter from God to you Then God invites you to go with Him to some of those quiet secret places and spends some quality time together while sharing with you some of the truths of how He sees you His desire is to show you how much He loves you and the potential that he sees within you His desire is for you and Him to have that close personal loving relationship that you have been missing The information in this book has the power and potential to totally change your life as you no longer look at yourself or at God the same way again You have royal blood within your DNA and that royalty desires to become more and beyond what you ever dreamed about This book is a tool to help your reach your full potential in the anointing while providing you with many other tools within to help you achieve the calling God has for your life      *Human Becomings* Roger T. Ames, 2020-12-01 2021 CHOICE Outstanding Academic Title In *Human Becomings* Roger T Ames argues that the appropriateness of categorizing Confucian ethics as role ethics turns largely on the conception of person that is presupposed within the interpretive context of classical Chinese philosophy By beginning with first self consciously and critically theorizing the Confucian conception of persons as the starting point of Confucian ethics Ames posits that the ultimate goal will be to take the Confucian tradition on its own terms and to let it speak with its own voice without overwriting it with cultural importances not its own He argues that perhaps the most important contribution Confucian philosophy can make to contemporary ethical social and political discourse is the conception of focus field relationally constituted persons as a robust alternative to the ideology of individualism with single actors playing to win

**From Blavatsky to Krishnamurti: "It is Finished"** Al Boag, 2025-09-16 This book highlights some important continuities as well as differences between the teachings of Helena Petrovna Blavatsky 1831 1891 co founder of the Theosophical Society in 1875 and Krishnamurti Jiddu 1895 1986 the Theosophist who was trained to be the World Teacher Until now very little has been written of the importance to Blavatsky of an esoteric eschatology and Christology and their relation to the secret core of her Path of Initiation the practice of an occult breathless meditation Similarly scholarly research has overlooked the evidence that Krishnamurti eviscerated the secret core of Blavatsky s teaching with his own esoteric

interpretation of it which exists in his published work as the camouflaged core of his teaching Offering a fresh appraisal this work draws on careful exploration of the primary source material of Blavatsky and Krishnamurti as well as his Theosophical mentors Annie Besant 1847 1933 and Charles Webster Leadbeater 1854 1934 It will be of particular interest to students and scholars of esotericism new religious movements and the history of religions Renew Ardis Dick Stenbakken,2011
