Long, 2025-06-03 In the mid 2000s the Russian government began to merge Siberia's smallest Indigenous territories into larger administrative regions Among Buryat Mongols living to the west of Lake Baikal the state promoted a policy of National Cultural Autonomy which sought to separate culture from territory amid this consolidation of land and people Although public performances of Buryat culture were mobilized to show support for the policy Joseph Long's compelling ethnography provides alternative ways to understand the meanings attached to these displays At the same time the book documents how resurgent local rituals demonstrated enduring ties to the land Drawing on classic theories of ritual and performance Facing the Fire Taking the Stage explores how Buryat shamanism and state sanctioned performing arts have allowed Buryats to negotiate and express different kinds of belonging to people and land Based on several years of anthropological fieldwork in Western Buryat communities this book provides new insights into the ways that these forms have influenced one another over time While Buryat experience has been fundamentally shaped by Soviet communism and its aftermath Facing the Fire Taking the Stage shows how this history parallels the experience of Indigenous peoples worldwide The Methuen Drama Book of Suffrage Plays: Taking the Stage , 2018-09-10 The Methuen Drama Book of Suffrage Plays Taking the Stage features a wide variety of short pieces and one act plays written by female and male suffragist writers between 1908 1914 Spanning different styles and genres they explore many issues that interested feminist and suffragist
