Lemberger, 2023-05-01 *Pragmatic Psychoanalytic Interpretations of Amos Oz's Writings Words Significantly Uttered* presents intermediate links between three intellectual domains the literary works of Amos Oz American Pragmatism and object relations psychoanalysis The interdisciplinary method employed here involves a presentation of Oz's writings as the starting point for an existential debate that addresses a mental conceptual struggle This conceptual conflict which has been given aesthetic shape in the literary work inspires the presentation of central pragmatic and psychoanalytic concepts which contribute to a new and richer understanding of the conceptual tension or existential challenge The chapters interpret Oz's works not only as literary masterpieces but as existential philosophical expressions Dorit Lemberger's argues that Oz reconceptualizes psychological personal familial and often national processes in a way that allows readers to understand such processes in general life from a retrospective perspective **A Tale Of Love And Darkness (Mandarin Edition)**
