traveller can give It can serve both as a memento to those who know the islands well and provide an introduction for anyone who has yet to discover them especially those who yearn to travel alone The Celtic Breeze Heather McNeil,2001-10-15 Delve into a world of kelpies mermaids selkies ghosts warlords and fairies This collection gives you Celtic tales previously unrecorded or only found in obscure compilations Mostly collected by the author on her ancestral home of the Isle of Barra in the Hebrides these lesser known tales from Scotland Ireland and Wales are supported by a brief history of the Celts a glossary of the Gaelic integrated in the stories an appendix of superstitions about fairy protection and bibliographies that reflect the author s extensive research Seventeen ballads collected almost one hundred years ago and excerpts from the author s journal of travels in Scotland make this book a unique and valuable resource for anyone who tells stories
