Tales From French Catalonia:

Multilingualism and Mother Tongue in Medieval French, Occitan, and Catalan Narratives Catherine E. Léglu, 2010-05-15

The Occitan literary tradition of the later Middle Ages is a marginal and hybrid phenomenon caught between the preeminence of French courtly romance and the emergence of Catalan literary prose. In this book Catherine L. glu brings together for the first time in English prose and verse texts that are composed in Occitan, French, and Catalan, sometimes in a mixture of two of these languages. This book challenges the centrality of canonical texts and draws attention to the marginal, the complex, and the hybrid. It explores the varied ways in which literary works in the vernacular composed between the twelfth and fifteenth centuries narrate multilingualism and its apparent opponent, the mother tongue. L. glu argues that the mother tongue remains a fantasy condemned to alienation from linguistic practices that were by definition multilingual. As most of the texts studied in this book are works of courtly literature, these linguistic encounters are often narrated indirectly through literary motifs of love, rape, incest, disguise, and travel.

The French Catalan People in Revolution and War, 1789-95 Simon F. Reeve, 2025-09-30 This book examines the effect of the French Revolution and the ensuing war with Spain on northern Catalonia, annexed by France in the seventeenth century and constrained by the imposition of a political border along the Pyrenees. Assimilation of the northern Catalan people into France had been slow; by 1789 the Catalan-speaking majority remained stubbornly linked to their ethnic counterparts south of the Pyrenees. This work examines how confrontation between national and local allegiances played out as the French Revolutionary leadership propagated the concept of the nation-state and challenged deeply held traditional religious beliefs. Using detailed analysis of contemporary local sources, it illustrates the impact of geographic and ethnic ties within a historically insular region on the wider conflict between France and Spain. Local communities reacted often in dramatically different ways to being the frontline of an existential national war. French Catalans were forced into taking sides, some from conviction, with others acting more pragmatically. Many chose to cross the frontier to Spain to escape persecution and retribution, only to return later when events allowed. Although weakened since annexation, the persistence of Catalan identity and loyalties remained a hugely significant factor in determining the course of the Revolution in this region.

The Reception of Grimms' Fairy Tales Donald Haase, 1993 The essays address the reception of the Grimms' texts by their readers, the dynamics between the Grimms' collection and its earliest audiences, and aspects of the literary, philosophical, creative, and oral reception of the tales, illuminating how writers, philosophers, artists, and storytellers have responded to, reacted to, and revised the stories, thus shedding light on the ways in which past and contemporary transmitters of culture have understood and passed on the Grimms' tales. **BOOK JACKET**

Aquitaine, Bordeaux, Bayonne & France's Basque Country Kelby Carr, 2009 A thoroughly detailed guide to this region of France with full information on where to stay, how to get around, the history, culture, sights to see, and what to do. Following are a few excerpts from the guide: Some of Europe's most beautiful cities, stunning beaches, and

serene vineyard dotted countryside are in the Aquitaine region yet it remains underrated and undiscovered by most tourists Bordeaux an epicenter for wonderful wine is an amazingly vast and entertaining city that is constantly abuzz To the south lies the enchanting Basque Country a region crossing into Spain whose borders are not official but whose people are vehemently and sometimes violently proud and independent Much of the Aquitaine region is a national park Along the Pyrenees and the Spanish border are several quaint mountain and seaside villages such as St Jean Pied au Port and Oloron Sainte Marie Saint Jean de Luz practically kissing the Spanish border is one of the prettiest small cities in all of France The Aquitaine is a place to indulge be it in wine fabulous food relaxing spa therapies ocean breezes or incredible shopping The outdoor adventures here are one of the main attractions The Basque Country attracts visitors from around the globe for its year round surfing The national park spanning a massive stretch of Atlantic coast beckons those interested in watersports The Pyrenees to the south of the region offer splendid hiking and skiing opportunities Tip To see Aquitaine arts and crafts in the creation stage and to buy great locally made wares make stops along the Route des M r tiers d Arts contact the Association pour la Promotion des M r tiers d Art d Aquitaine tel 33 05 57 22 57 36 353 Boulevard du Pr r sident Wilson in Bordeaux www route metiers d art aquitaine com They have maps and a book on various artists in the region Popular in France since the 1960s thalassotherapy means sea water cure It was discovered by a Tour de France cyclist healed from his injuries by seawater in his Brittany home Today there are numerous thalassotherapy treatment centers in the Aquitaine Treatments are catered to each visitor and can be used to address any number of ailments Or just go for the sake of relaxation a noble cause indeed A new trend has been combining spa treatments with vinotherapy or wine treatments What could possibly be more indulgent or uniquely French Additionally many of these treatment centers have their own upscale accommodations and gourmet restaurants although most allow for booking of just therapies without overnight stays Bordeaux is an absolute paradise for shopaholics and wine aficionados Easily one of France s most beautiful and interesting cities Bordeaux s pedestrian shopping zone is constantly filled with tourists and locals alike As a hub of the Bordeaux wine producing region there are numerous shops selling high quality wines at low prices There are many tours to the area s grandiose wine chateaux for tastings in stunning settings The city s shopping options are vast ranging from small malls to tiny locally owned boutiques

The Child Savage, 1890-2010 Elisabeth Wesseling,2016-12-05 Taking up the understudied relationship between the cultural history of childhood and media studies this volume traces twentieth century migrations of the child savage analogy from colonial into postcolonial discourse across a wide range of old and new media

Older and newer media such as films textbooks children s literature periodicals comic strips children s radio and toys are deeply implicated in each other through ongoing remediation meaning that they continually mimic absorb and transform each other s representational formats stylistic features and content Media theory thus confronts the cultural history of childhood with the challenge of re thinking change in childhood imaginaries as transformation through repetition patterns rather than as rise shine decline sequences This volume takes up this challenge demonstrating that one historical epoch may well accommodate diverging childhood repertoires which are recycled again and again as they are played out across a whole gamut of different media formats in the course of time
