Horine, 2001-12-21 A house cat terrified by an unexpected visit from a friendly wolf A snowfall that covers a junkyard with a blanket of whiteness A four year old boy with an uncanny awareness of Jesus love for each one of us Bob Horine weaves recollections such as these into stories that bring a smile to our lips and a wistful tug to our hearts He invites us to see that our ordinary lives are

indeed extraordinary and that our world is transparent to the love of God that shines through **Telling Tales about Jesus** Warren Carter, 2016-03-01 What are the Gospels and what does it mean to read them Warren Carter leads the beginning student in an inductive exploration of the New Testament Gospels asking about their genre the view that they were written by eyewitnesses the early church traditions about them and how they employ Hellenistic biography He then examines the distinctive voice of each Gospel describing the tale about Jesus each writer tells then presenting likely views regarding the circumstances in which they were written giving particular attention to often overlooked aspects of the Roman imperial setting A sociohistorical approach suggests that Mark addressed difficult circumstances in imperial Rome redaction criticism shows that Matthew edited traditions to help define identity in competition with synagogue communities in response to a fresh assertion of Roman power a literary thematic approach shows that Luke offers assurance in a context of uncertainty an intertextual approach shows how John used Wisdom traditions to present Jesus as the definitive revealer of God's presence to answer an ancient quest for divine knowledge A concluding chapter addresses how the Gospels inform and shape our understanding of Jesus of Nazareth Maps images sidebars and questions for reflection add value to this student friendly text

An Epic Tale of the People of the Covenant (The origin of Christianity) Atsushi Murakami, 2021-02-26

Last year 2019 I published the 6th edition of my book *The Origin of Christianity* with the subtitle *An Epic Tale of the People of the Covenant* paying attention to the fact that Christianity was born from the church movement that had occurred in the process

of the people of the Covenant scattered all over the world after they had migrated from the Fertile Crescent at the mouths of the Tigris and Euphrates rivers to the Promised Land Canaan However later it became clear that the Ephraim and Manasseh only who possess the genetic characteristics of Paleo Mongoloid among the twelve tribes of Israel played an important role not only in the conquest of Canaan but also in the eastern transmission of Christianity Thus this time I deliver this 7th edition with the main title of An Epic Tale of the People of the Covenant In creating the augmented part of the 7th edition I got many hints from the blog of Protestant Bible commentator Mr Arimasa Kubo who was the first pastor of the Ikebukuro Nishi Church and used them as the reference December 2020 Atsushi Murakami **Jesus, the ultimate truth** Angel
