needless death of a fawn We experience rites of passage an old man determined to spend one last night alone in the deep woods a young man discovering for the first time the indelible beauty of a northern September morning and Lange's own realization that for the first time I'll be the oldest man in camp and my son will be carrying most of my pack      **Edge Chronicles: Beyond the Deepwoods** Paul Stewart, Chris Riddell, 2008-12-18 THE TWIG TRILOGY Book I When thirteen year old Twig discovers that he was abandoned at birth by an unknown outsider he leaves his woodtroll family behind and sets off on a journey through and beyond the dangerous Deepwoods As he makes his way through a nightmarish world of goblins and trolgs bloodthirsty beasts and flesh eating trees only two things keep Twig going the mystery of his identity and the promise of a heroic destiny      Vermont Life ,1999      *The Smart Set* ,1906      **The Skull & Laurel 002** Cameron Howard, 2025-01-15 The Skull Laurel returns with its second issue packed with an abundance of New Weird Literature for you Featuring stories from Dmitri Akers Atalanti Evripidou Cedrick May Neal Auch Le Werner Anne Liberton Ria Hill Beau Farrow and Jonathan Olfert and non fiction from Xochilt Avila      **Folktales and Other Stories from the Edge of the Great Thirst** Bhekumuzi Wuyane, 2015-10-06 As Bhekumuzi Wuyane perches himself on the great local dome of Dombodema he is approached by an elderly African storyteller who begins telling him about life in a harsh environment at the edge of the Kalahari Desert Amid a backdrop filled with cunning animals strong women feared and adored leaders and lovers and sworn enemies the man relays tales of the three great kingdoms that will eventually transform Wuyane and teach him valuable life lessons In his collection of twenty folk tales derived from that experience Wuyane weaves the African man's stories with others both old and new to emphasize the rapidly fading art of passing down messages through folklore As animals and people struggle both together and separately to overcome their challenges and survive in the desert leadership styles a variety of emotions and good and evil intentions are revealed illustrating the deeper meaning in every story told within the African culture When the tales conclude Wuyane meets with the older man once again relating the treasured messages he has learned Folktales and Other Stories from the Edge of the Great Thirst is a collection of stories with strong and timeless morals that will appeal to both current and future generations interested in fulfilling their visions      *Fearless at Any Cost* Paul Dobandi, 2011-06-10 The book Fearless At Any Cost sustains a real episode from the life of the author during the 1980s in communist Romania In a country where the expansion and public adoration of communism were holy laws In a country where contradicting communism and its faithful followers were synonymous with death In a country where the spokesmen of religion or of human rights were prosecuted From this country I the author tried to escape longing for freedom My first attempt to escape was unsuccessful I was caught at the Romanian border In this book I had describe a faithfully all the suffering the inhuman treatment I was subjected to The unfair punishment of hard labor only to try to break my spirit and my desire for freedom Did they succeed No I had tried to escape a second time Unfortunately my second time had failed also This time I wasn't captured for I had lost myself in a deadly swamp This deadly swamp was my salvation so I didn't stand get

back into the hands of the murderous communists and didn't stand in front of another unjust court. This second failed endeavor almost broke my fighting spirit. But what choice did I have? I was gambling with my young life as a hustler and I risked everything again with a third try. I knew this third one would be the last. Whether I make it or not, I won't have another chance. For if I fail again, the protecting heroes of communism are going to finish me. At this time, luck was with me. My third attempt was the real thing. I succeeded and I finally achieved my long-awaited freedom. In this book, I had described all the pain and suffering my family and I had to endure. Exciting complications, daring actions, overcoming deadly dangers, they are all here. I had described the seven days spent in a locked freight car without any food. All the real events of my escapade. The reader will find in this book every reason to respect freedom. Also every reason to abhor communism. One can understand how often we are frighteningly close to death and hope redemption only from God. One can understand why thousands upon thousands had risked their life for freedom and how it is that freedom is worth all the pain and unjust suffering. In a communist country to reach for freedom seems as realistic as to reach for the stars. The book *Fearless At Any Cost* might bring tears into the eyes of the reader until the happy ending where he can sigh, Thank God, after all that suffering he had reached his freedom.

The Fire Waker Ben Pastor, 2013-11-05. In the winter of 304 C.E. the Roman Empire is divided by Emperor Diocletian into four separate parts. Individual power struggles and manipulations make the once stable empire a breeding ground for corruption. In the midst of this, Aelius Spartianus, a high-ranking officer and Diocletian's official historian, is sent to Trier with a sensitive message for Emperor Constantius. En route, he receives a letter from a former enemy telling him of a strange miracle worker named Agnus, a Christian preacher who works in Trier. Agnus, known as the fire waker, has recently resurrected a man from absolute death. In the hiatus from the ongoing religious persecutions, Agnus's wondrous act incites fury, awe, and speculation. Determined to uncover the truth behind this seeming miracle, Aelius looks for Agnus and his assistant, the deaconess Casta. Before his investigation begins, however, he discovers that the resurrected man has been murdered. What ensues is a testament to Ben Pastor's complex skill at interweaving the complicated plots of the Roman government and the treacherous social undercurrents that rise to the surface. Aelius, in pursuit of the truth behind the fire waker's miraculous ability, finds himself getting closer to the heart of the Empire's escalating problems: political deception, religious persecution, and whispers of a coup d'état. As Aelius moves from the city to the battlegrounds, secrets of life and death and resurrection are uncovered and challenged, leaving everyone involved changed forever. Power-hungry emperors, mysterious miracle workers, lovers, concubines, and religious radicals all play their part in this explosive, haunting historical saga. Readers hooked by *The Water Thief* will welcome internationally renowned and critically acclaimed author Ben Pastor's newest epic where she once again brings her thematic skill to bear.
