Stories in a New Skin Keavy Martin, 2012-12-15 In an age where southern power holders look north and see only vacant polar landscapes, isolated communities and exploitable resources, it is important to note that the Inuit homeland encompasses extensive philosophical, political, and literary traditions. Stories in a New Skin is a seminal text that explores these Arctic literary traditions and in the process reveals a pathway into Inuit literary criticism. Author Keavy Martin considers writing, storytelling, and performance from a range of genres and historical periods: the classic stories and songs of Inuit oral traditions, life writing, oral histories, and contemporary fiction, poetry, and film, and discusses the ways in which these texts constitute an autonomous literary tradition. She draws attention to the interconnection between language, form, and context, and illustrates the capacity of Inuit writers, singers, and storytellers to instruct diverse audiences in the appreciation of Inuit texts. Although Eurowestern academic contexts and literary terminology are a relatively foreign presence in Inuit territory, Martin builds on the inherent adaptability and resilience of Inuit genres in order to foster greater southern awareness of a tradition whose audience has remained primarily northern.

The Girl who Helped Thunder and Other Native American Folktales, 2008 A collection of Native American stories arranged geographically.

Fearless Girls, Wise Women & Beloved Sisters Kathleen Ragan, 2025-04-25 One hundred great folk tales and fairy tales from all over the world about strong, smart, brave heroines. Dismayed by the predominance of male protagonists in her daughters' books, Kathleen Ragan set out to collect the stories of our forgotten heroines. Gathered from around the world from regions as diverse as sub-Saharan Africa and Western Europe, from North and South American Indian cultures and New World settlers from Asia and the Middle East, these 100 folktales celebrate strong female heroines. **Fearless Girls, Wise Women and Beloved Sisters** is for all women who are searching to define who they are, to redefine the world and shape their collective sensibility. It is for men who want to know more about what it means to be a woman. It is for our daughters and our sons so that they can learn to value all kinds of courage: courage in battle and the courage of love. It is for all of us to help build a more just vision of woman.
