demonstration the Dade County Commission ultimately designated the difficult to access Virginia Key as a beach for African Americans The beach became vitally important to the community offering a place to congregate with family and friends and to enjoy the natural wonders of the area It was also a tangible victory in the continuing struggle for civil rights in public space As Florida beaches were later desegregated many viewed Virginia Key as symbolic of an oppressive past and ceased to patronize it At the same time white leaders responded to desegregation by decreasing attention to and funding for public spaces in general The beach was largely ignored and eventually shut down In White Sand Black Beach historian and longtime Miami activist Gregory Bush recounts this unique story and the current state of the public waterfront in Miami Recently environmentalists community leaders and civil rights activists have come together to revitalize the beach and Bush highlights the potential to stimulate civic engagement in public planning processes While local governments defer to booster and lobbying interests pushing for destination casinos and boat shows Bush calls for a land ethic that connects people to the local environment He seeks to shift the local political divisions beyond established interest groups and neoliberalism to a broader vision that simplifies human needs and reconnects people to fundamental values such as health A place of fellowship relaxation and interaction with nature this beach Bush argues offers a common ground of hope for a better future The North Dakota Quarterly, 2006 More Shipwrecks of Florida Steven Danforth Singer, 2019-11-26 More Shipwrecks of Florida is a sequel to Shipwrecks of Florida 2nd edition This new book with all new content adds over 1 500 shipwrecks to the guide and includes additional information on hundreds of previously listed shipwrecks all organized by year It also includes more GPS coordinates as well as stories of pirates and privateers wreckers and buried and sunken treasure The Florida Story Jack Kofoed, 1960 Information on the people resorts history hotels restaurants and night life from the Keys to the Panhandle Wisconsin Reading Circles ,1942 Tales of the Western World Ruth Elgin Suddeth, Constance Gay Morenus, 1953 Thirty eight stories chosen from the varied folklore traditions of the New World Florida from Indian Trail to Space Age Charlton W.
