# Tales Out Of Shul The Unorthodox Journal Of An Orthodox Rabbi

**Adin Steinsaltz, Naḥman (of Bratslav)**

### **Tales Out Of Shul The Unorthodox Journal Of An Orthodox Rabbi:**

**Tales Out of Shul** Emanuel Feldman, 1996 If there were a hall of fame of America's Orthodox rabbinate Emanuel Feldman would be a charter member Long before the word teshuvah became fashionable he took a moribund congregation in Atlanta turned it into a vibrant community and led it for 40 years In this poignant delightful provocative uproarious idealistic uplifting journal Rabbi Feldman takes us behind the pulpit as no one ever has before Meet saints and scoundrels righteous people and sinners the movers and the meek Tag along on countless everyday adventures Taste sweet success and bitter failure A marvelous book by a heroic leader graceful writer and incisive thinker Don't miss it A Shaar Press Publication

**American Rabbis, Second Edition** David J. Zucker, 2019-06-21 This book is a broad brush approach describing the realities of life in the American rabbinate Factual portrayals are supplemented by examples drawn from fiction primarily novels and short stories Chapters include Rabbinic Training Congregational Rabbis and Their Communities Congregants Views of Their Rabbis Women Rabbis also including examples from TV and Cinema Assimilation Intermarriage Patrilineality and Human Sexuality God Israel and Tradition This book draws upon sociological data including the recent Pew Research Center survey on Jewish life in America and presents a contemporary view of rabbis and their communities The realities of the American rabbinate are then compared contrasted with the ways fiction writers present their understanding of rabbinic life The book explores illustrations from two hundred novels short stories and TV cinema representing well over 135 authors From the first real life women rabbis in the early 1970s to today's statistics of close to 1 600 women rabbis worldwide major changes have taken place Women rabbis are transforming the face of Judaism For example this newly revised second edition of American Rabbis Facts and Fiction reflects a fivefold increase in terms of examples of fictional women rabbis from when the book was first published in 1998 There is new and expanded material on some of the challenges in the twenty first century women rabbis human sexuality LGBTQ matters trans post non denominational seminaries and community based rabbis

**The Columbia History of Jews and Judaism in America** Marc Lee Raphael, 2008-02-12 This is the first anthology in more than half a century to offer fresh insight into the history of Jews and Judaism in America Beginning with six chronological survey essays the collection builds with twelve topical essays focusing on a variety of important themes in the American Jewish and Judaic experience The volume opens with early Jewish settlers 1654 1820 the expansion of Jewish life in America 1820 1901 the great wave of eastern European Jewish immigrants 1880 1924 the character of American Judaism between the two world wars American Jewish life from the end of World War II to the Six Day War and the growth of Jews influence and affluence The second half of the book includes essays on the community of Orthodox Jews the history of Jewish education in America the rise of Jewish social clubs at the turn of the century the history of southern and western Jewry Jewish responses to Nazism and the Holocaust feminism's confrontation with Judaism and the eternal question of what defines American Jewish culture The contributions of distinguished scholars seamlessly integrate recent scholarship

Endnotes provide the reader with access to the authors research and sources Comprehensive original and elegantly crafted The Columbia History of Jews and Judaism in America not only introduces the student to this thrilling history but also provides new perspectives for the scholar Contributors Dianne Ashton Rowan University Mark K Bauman Atlanta Metropolitan College Kimmy Caplan Bar Ilan University Israel Eli Faber City University of New York Eric L Goldstein University of Michigan Jeffrey S Gurock Yeshiva University Jenna Weissman Joselit Princeton University Melissa Klapper Rowan University Alan T Levenson Siegal College of Judaic Studies Rafael Medoff David S Wyman Institute for Holocaust Studies Pamela S Nadell American University Riv Ellen Prell University of Minnesota Linda S Raphael George Washington University Jeffrey Shandler Rutgers University Michael E Staub City University of New York William Toll University of Oregon Beth S Wenger University of Pennsylvania Stephen J Whitfield Brandeis University

**Home Lands** Larry Tye, 2002-09-01 The idea for this book came to Larry Tye as he traveled overseas as a reporter for the Boston Globe In each city he visited he was intrigued by a reawakening of practice and spirit of the long repressed Jewish community And the more communities he saw close up the clearer it became to him that the Jewish world was being reshaped and revitalized in ways that were not reflected in what he was reading about the disappearing diaspora and the vanishing Jews of America The result is Home Lands an narrative that tells the story of the new Jewish diaspora Tye picked seven Jewish communities from Boston to Buenos Aires and Dusseldorf to Dnepropetrovsk deep in the Ukraine and in each he zeroes in on a single family or congregation whose tale reflects the wider community s history and current situation He met each community s leaders talked with their scores of young people and old and went with them to High Holiday services and Sabbath celebrations The first impression that emerges from his travels is each city s uniqueness Far more striking than the differences however is the unity Jews all over the world still have enough customs and rituals in common for outsiders to see them as part of the same people and for them to define themselves that way It is that new comfort level that sense of finally feel comfortable in the lands where they are living that is at the heart of this engrossing book Readers eyes will be opened to how Germany just a generation after the genocide has the world s fastest growing Jewish population how the Jews of Buenos Aires have carved a place for themselves in a land that also gave refuge to Nazi henchmen like Adolph Eichman and how Ireland is home to a tight knit Jewish community that remarkably has produced Jewish Lord Mayors in Belfast Cork and twice from the same family in Dublin In Boston Tye tells the story of his own family whose roots run deep in the city s Jewish community Home Lands is a book that is deeply personal even as it sheds light on the larger Jewish experience

*Religion in the Contemporary South* Corrie Norman (E.), Donald S. Armentrout, 2005 Religion has always been crucial to the cultural identity of the South The field of southern religious studies is quite young however and most scholarship has focused on the kinds of evangelical fundamentalist activity for which the phrase Bible Belt was coined Religion in the Contemporary South is the first book to fully address the emerging religious pluralism in the South today Featuring an introduction by Samuel S Hill Religion

in the Contemporary South brings together fourteen essays by both established and emerging scholars that deal with a spectrum of topics. These topics include religious identities in the South that weave in and out of the past, new religious expressions in the South, and the shifting position of old minority traditions. A microcosmic look at the Episcopal Church. The collection comes at a time of sweeping change in the South as the 150 year stronghold of evangelical Protestantism, the Baptist Methodist hegemony gives way to a more diverse religious tradition, one that includes leadership by women, decreasing marginalization for Roman Catholicism and Judaism, and the growing presence of so called alien religious traditions: Buddhism, Hinduism, and Islam. In his essay *A Crumbling Empire*, Bill J. Leonard talks about the future of the Baptist denomination which grows more uncertain as moderates break ties with the fundamentalist leaders of the Southern Baptist Convention. In *Our Lady of Guadeloupe Visits the Confederate Memorial*, Thomas Tweed notes the growth of Hindu, Buddhist, and Muslim traditions in the South. Susan Ridgely Bales examines the state of southern Catholicism in *Sweet Tea and Rosary Beads*, and in *Quiet Revolutionaries*, D. Jonathan Grieser, Corrie E. Norman, and Don S. Armentrout discuss the ways in which women priests in the Southern Episcopal Church construct their lives and callings. These and other offerings are varied, comprehensive, and provocative. As the South changes and its religious life evolves, so must scholarship. Religion in the Contemporary South is a guide to the new southern religions, more diverse, sometimes controversial, but as vital to the region as ever.

*Kashrus*, 1996    *Jewish Action*, 1996    **Book Review Digest**, 2000    *New York Magazine*, 1986-04-28

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea.

*Tales from the Prayer House*, Alex Stone, 2018-01-18. Vignettes of a community that manages despite illness, conflict, and loss to hold to precious traditions. A vacation minded rabbi, an out of place cantor, an old man who wants to be buried from the shul. Sly and humane stories.

**Tales from the Prayer House**, Alex B. Stone, 2011-04-25. A small Midwestern Jewish congregation struggles to find ten members for morning prayers in these wise and funny vignettes by the author of *If I Could Sleep* and *Summer We*. We meet a cantor who aims for bigger things, a vanishing rabbi, and families that beset by illness, conflict, and loss hold to each other and their traditions.

*Tales of Unkosher Souls*, David Margolis, 2021-07-15. This is an assortment of short stories about Jewish people who want to believe in a God but like many of us they just can't take that leap of faith. As they stumble through their lives making one mistake after another, they wonder if their souls will reach heaven if such a place exists. And then what? In *God's Sabbatical*, a poor autistic soul arrives in the afterworld and is bunked in a five by five inch cubicle. He's told that God is on vacation and there's an inexperienced bureaucrat running the place. In another story, *Ruthie the Dinosaur Eats the Forbidden Fruit*, a nurturing mamasaurodon, an unknown species, repents. I'm honestly sorry for my mistake but after all it was only

a piece of fruit and not so good tasting In the last story a talking raven proclaims that Death isn't fair All the stories are imbued with an ironic sense of humor that I inherited from my grandfather who left the shtetl when he was 18 years old This book will have a wide audience anyone who enjoyed Fiddler on the Roof or actually fiddled on a roof will want to read this book Tales of Unkosher Souls has received a Kirkus starred review Book Review KIRKUS STARRED REVIEW FOR TALES OF UNKOSHER SOULS FEB 2021 Uneasy Jewish people wrestle with their sins in these tragicomic stories Margolis tales mostly explore life in Russian shtetls and the tarnished Promised Land of America as well as souls journeying from life to afterlife with improbable swerves along the way In Moshko's Lovers a rabbi's daughter rejects a village cobbler because he had a vision of eating nonkosher food during a previous incarnation as a courtier to Henry VIII in The Dybbuk of Brooklyn a New York City liquor salesman pays a rabbi to exorcise a wandering spirit who has taken up residence in him and shouts obnoxious comments and in Lilith's Daughter a St Louis man obtains a female golem who changes from docile servant to an independent woman with feminist beliefs The soul of a poor man waits centuries to enter heaven only to discover the price of celestial efficiency in God's Sabbatical an angel tells a rabbi to promote a local shepherd as the Messiah which makes his congregation giddy with delight until the Chosen One makes unpleasant demands in Two Goats and a Dog and in another story a dinosaur in the Garden of Eden eats the forbidden fruit along with Adam and Eve and watches the punishment unfold Margolis fiction mixes magical realism with a rich vein of Jewish humor featuring shady rabbis plenty of kvetching He just sits there staring at his plate as if he might find a wife there and suddenly I'm supposed to marry him and a prosaic approach to ethics that extends into divine bureaucracy Well you stole that bag of candy from Kaminski when you were a kid and then there were the seventeen apples and eight pears that you pilfered from Goldstein's fruit stand But that's not enough to get you into Hell But underneath there's a tenderness that makes the author's funny ironic view of ordinary life feel luminous as well as when a man who lost his wife to cholera calls her the greatest of angels who would listen to all that a talkative Jewish man had to say even when he becomes boring Raucously entertaining yarns whose wry wit carries a subtle moral resonance KIRKUS INDIE REVIEW     The Tales of Rabbi Nachman of Bratslav Adin Steinsaltz, Naḥman (of Bratslav), 1993 Rabbi Adin Steinsaltz begins this book by describing Rabbi Nachman of Bratslav as an original and outstanding thinker a phrase that surely describes the reputation achieved by Rabbi Steinsaltz himself It is therefore no surprise that The Tales of Rabbi Nachman of Bratslav retold with commentary by a world renowned rabbi such as Adin Steinsaltz is a remarkable volume Rabbi Nachman of Bratslav 1772-1810 emerged from the hasidic world as a great leader with devoted followers both in his lifetime and to this very day He produced several masterpieces of religious writing but of all his works his tales are considered to be at the peak of his creative life As Rabbi Steinsaltz writes These stories which are essentially fairy tales dating from Nachman's last years are a mixture of intellectual and poetic imagination simplicity of form and complexity of content On the one hand any child can read them as one would a tale of ancient days as the author himself put it and on the

other hand one can as an adult read them again and again analyze and study them and constantly discover in them layer upon layer of hitherto unrevealed symbol and meaning Rabbi Nachman's tales were originally told in Yiddish They were recorded by his outstanding pupil Rabbi Nathan who translated them into Hebrew and published them after Rabbi Nachman's death While these tales are structurally similar to folk or fairy tales they include highly compressed and clearly defined Torah teachings expressed in literary and poetic form Rabbi Nachman's stories are a medium for conveying hidden aspects of Torah yet in such a veiled way that the content is not outwardly apparent These complex allegories intended by their author to have several dimensions are presented here by Rabbi Steinsaltz with his own commentary pointing the way for the modern reader to begin to grasp Rabbi Nachman's profound tales Of the thirteen major tales by Rabbi Nachman this volume offers six of them each with extensive commentary Also included is a richly informative introduction to the life and teachings of Rabbi Nachman by Rabbi Steinsaltz The volume concludes with Nine Questions Toward a Better Understanding of Rabbi Nachman a series of inquiries asked of Rabbi Steinsaltz that helps to further our understanding of the uniqueness of the hasidic master Rabbi Nachman of Bratslav

**Journal of a Rabbi** Sir Immanuel Jakobovits, 1966      **The Crown of Solomon and Other Stories** Marc D. Angel, 2014-03

Ever since his novel *The Search Committee* I have been waiting anxiously for Rabbi Marc D. Angel's next work of fiction The short story collection *The Crown of Solomon and Other Stories* was worth the wait A unique and moving collection that allows the reader insight into Sephardic Jewry's rich heritage Naomi Ragen Author of *The Sister's Weiss* and *the Ghost of Hannah Mendes* These wry parables of Jewish wisdom and ignorance touch a nerve We find ourselves thinking about these characters long after we've put the book down this one timid and self-demeaning until she suddenly is not that one stubborn and aggressive another hesitant beyond reason The stories quietly ambush assumptions of many kinds Jane Mushabac CUNY Professor of English author of *Pasha Ruminations of David Aroughetti* Praise for *The Crown of Solomon* While reading Rabbi Marc Angel's *The Crown of Solomon and Other Stories* I could not stop wondering whether David Barukh the unrecognized Sephardic Mozart was a metaphor for the last two centuries of the Ottoman Sephardic culture a metaphor for all the wasted opportunities and unrealized potentials Rabbi Angel's stories demonstrate that Sepharadim can still teach modern American readers a thing or two a lesson in honesty or modesty or maybe how to turn a defect into effect Rabbi Angel does not idealize his Sephardic characters not even the rabbinic ones Some of his rabbis like Hakham Shelomo are wise in an *a la turca* way others are quite average like Hakham Ezra some are humble honorable and even saintly like Rabbi Bejerano and yet others are frivolous and self-centered like Rabbi Tedeschi All are convincingly human and quite imaginable in real life The lay characters of the stories are simply conquering in their charming simplicity in their human rootedness and in their folk wisdom While reading Rabbi Marc Angel's new book I felt everything was in its place It takes a person deeply rooted in both cultures traditional Sephardic and modern American to tell so Sephardic a story in a language such as English and who makes everything feel totally right Dr

Eliezer Papo Head of the Sephardic Studies Research Institute Ben Gurion University of the Negev

The Engaging Realm of E-book Books: A Detailed Guide Revealing the Advantages of Kindle Books: A Realm of Ease and Versatility E-book books, with their inherent portability and simplicity of availability, have freed readers from the constraints of hardcopy books.
