*The Red Chill* Sandman, 2009-12-31 The book is based on a little Maine town that never has anything happen. One day a child is found dead and pulled apart; the locals fear a wild dog or something larger did it. The local cops and his friends hunt down this animal and almost a few times became the hunted. The book is made to keep you guessing right till the end and will get you thinking in many different ways. The main character Dannie falls in love with a man and she has dreams that are bugging her until she finds they are a calling from God to save the little town and its people. Lots of thrills and chills will make you sad, happy, angry. The book was fun to write and even made me want to read it more.
