# Tales Of Old Nottinghamshire

**S Baum**

## **Tales Of Old Nottinghamshire:**

**Tales of Old Nottinghamshire** Polly Howat,1991      **Tales of Old Inns** ,1927      *Nottinghamshire Folk Tales* Pete Castle,2011-11-30 Passed down from generation to generation many of Nottinghamshire s most popular folk tales are gathered here together for the first time In the popular imagination Nottinghamshire means Sherwood Forest outlaws wicked sheriffs wild beasts and Robin Hood All these feature in this selection of folk tales compiled by storyteller Pete Castle but there are also stories of the Men of Gotham of fairies witches ghosts and vampires as well as noble lords and thwarted lovers These captivating stories of love loss heroes and villains have been written to recreate the oral tradition that made these anecdotes popular and are brought to life through unique illustrations and vivid descriptions that have survived for several generations      Old Nottinghamshire [articles mainly repr. from the Nottingham daily guardian] ed. by J.P. Briscoe John Potter Briscoe,1884      **The Notts. and Derbyshire Notes and Queries** John Potter Briscoe,John Ward, Frank Murray,1894      **Ghosts and Legends of Nottinghamshire** David Haslam,1996 Hauntings gruesome legends and tales of the unexplained make up this collection of Nottinghamshire s legacy of the supernatural      *Index-catalogue of the Nottingham free library [lending dept. With 1st]-3rd suppl. index-catal* Nottingham city, publ. libr,1868      **Bygone Nottinghamshire** William Stevenson (of Hull.),1893      The A-Z of Curious Nottinghamshire Frank E. Earp,2014-05-05 Weird spooky gruesome humorous and strange but true stories come alive in The A Z of Curious Nottinghamshire Curious is perhaps not the first word you would use to label Nottinghamshire But curiouser and curiouser it becomes when you dig below the surface Here the reader will meet highwaymen and hangmen saints and martyrs flying cars and bedsteads To sum up eccentrics legends folklore murders scandals ghosts incredible characters and oodles of wow factor all may be found within the pages of this book      *The Nottingham Library Bulletin* Nottingham Free Public Libraries,1908      The Boys' Own Story-book ,1852      **The boys' own story-book, by the best authors** Boys,1852      Nottingham in 50 Buildings Ian D. Rotherham,2025-08-15 Explores the rich and fascinating history of Nottingham through an examination of some of its greatest architectural treasures      Household Tales with Other Traditional Remains Sidney Oldall Addy,1895      **East Midlands English** Natalie Braber,Jonnie Robinson,2018-07-23 This volume will provide a comprehensive yet accessible description of East Midlands English an area of neglect in linguistic research Existing publications which aggregate the findings of earlier surveys and more recent localised studies presenting an overview of regional speech in the UK are either lacking up to date research data from the East Midlands or simply ignore the region A coordinated survey of dialects of the East Midlands was part of the Survey of English Dialects SED in the 1950s This data is now over sixty years old and focuses almost exclusively on broad rural dialect speakers This book will fill the knowledge and literature gaps by comparing vernacular speech in different urban and rural locations in the East Midlands and examining whether the East Midlands is a transition zone between the North and South Recordings held by the British Library will be used and will be supplemented

with recordings made with local speakers Language in the East Midlands is distinctive and there is considerable regional variety for instance between speech in the major urban centres of Nottingham Derby and Leicester Bringing out this regional variation will also improve our wider understanding of language variation in English The concept of the East Midlands in itself is not a clear one and this volume aims to address such issues and to examine what makes the East Midlands an area of itself and what this area includes     *In and about Nottinghamshire* Robert Mellors,1908     Great Cloister: A Lost Canterbury Tale Paul A. Fox,2020-01-09 A new study of the heraldry genealogy and history of the Canterbury Cathedral cloister this book is the first comprehensive study of this monument ever undertaken It provides a detailed chronology and details on the 856 heraldic shields badges and devices representing some 365 families principalities religious foundations and individuals     Who's who in Literature Mark Meredith,1924 Contains list of Fictitious and pseudonymous names     *The Academy and Literature* ,1884     **The history of Nottingham** John Blackner,1815

## Whispering the Techniques of Language: An Psychological Quest through **Tales Of Old Nottinghamshire**

In a digitally-driven earth where displays reign great and immediate communication drowns out the subtleties of language, the profound strategies and psychological nuances concealed within phrases often get unheard. Yet, located within the pages of **Tales Of Old Nottinghamshire** a interesting fictional prize sporting with raw thoughts, lies a fantastic quest waiting to be undertaken. Published by a talented wordsmith, that charming opus encourages viewers on an introspective trip, delicately unraveling the veiled truths and profound influence resonating within ab muscles fabric of every word. Within the mental depths with this emotional evaluation, we shall embark upon a sincere exploration of the book is key themes, dissect its fascinating writing type, and fail to the effective resonance it evokes heavy within the recesses of readers hearts.
