

MARK TWAIN

TALES OF WONDER

EDITED WITH AN INTRODUCTION
AND NOTES BY DAVID KETTERER

Tales Of Wonder Bison Frontiers Of Imagination Series

Mary E. Bradley Lane

Tales Of Wonder Bison Frontiers Of Imagination Series:

Tales of Wonder Mark Twain, 2003-01-01 First published in 1984 as The science fiction of Mark Twain by Archon Books North Haven CT T p verso **The Nightmare, and Other Tales of Dark Fantasy** Francis Stevens, Gary Hoppenstand, 2004-01-01 Slithering from these pages are never before collected tales of suspense and wonder by the woman who invented modern day dark fantasy A man goes quietly to bed aboard the doomed Lusitania and awakens on a magical South Pacific Island just as the passenger liner is torpedoed In a future where women rule the world a sentient island becomes murderously jealous of a shipwrecked couple Dire consequences await a human swept into the dark magical world of elves A deadly labyrinth coils around the dark heart of a picturesque landscape garden Within an Egyptian sarcophagus lies the horrifying price of infidelity Swirling unseen around us are loathsome creatures giving form to our basest desires and fears A beautiful veiled medium may hold the key to preventing unspeakable evil from slipping through the borderlands between life and death On a lost island a woman pipe player and her monstrous dancing partner bring death and terror to five adventurers The stories in this collection have played an integral role in the development of modern dark fantasy greatly influencing such writers as H P Lovecraft and A Merritt **The Wonder** John Davys Beresford, 1999-01-01 Long recognized as a classic of speculative fiction but never before widely available The Wonder is one of the first novels about a superman

BOOK JACKET The Lost Continent C. J. Cutcliffe Hyne, 2002-01-01 A fictionalized account of the last days of the doomed island of Atlantis Lost Worlds Clark Ashton Smith, 2006-01-01 Collection of classic macabre and fantastic tales from a master of pulp fiction **Mizora** Mary E. Bradley Lane, 1999-01-01 Bison Frontiers of Imagination What would happen to our culture if men ceased to exist Mary E Bradley Lane explores this question in Mizora the first known feminist utopian novel written by a woman Vera Zarovitch is a Russian noblewoman heroic outspoken and determined A political exile in Siberia she escapes and flees north eventually finding herself adrift and exhausted on a strange sea at the North Pole Crossing a barrier of mist and brilliant light Zarovitch is swept into the enchanted inner world of Mizora A haven of music peace universal education and beneficial advanced technology Mizora is a world of women Mizora appeared anonymously in the Cincinnati Commercial in 1880 and 1881 Mary E Bradley Lane concealed from her husband her role in writing the controversial story Introducing this Bison Frontiers of Imagination edition is Joan Saberhagen coeditor of Pawn to Infinity and a member of the Very Small Array workshop a group of science fiction writers in New Mexico The Man with the Strange Head and Other Early Science Fiction Stories Miles John Breuer, 2008-01-01 Gathered here for the first time are Miles J Breuer s first publication The Man with the Strange Head his neglected dystopian novel Paradise and Iron appearing here in book form for the first time stories such as Gostak and the Doshes and Mechanocracy and Breuer s essay The Future of Scientifiction one of the early critical statements of the genre Also included are some of the author s letters from the Discussions column of Amazing Stories Much of what we know as science fiction saw the light and found its themes styles

and modes in the science fiction magazines of the early twentieth century It was in these magazines of the 1920s and 1930s that Breuer often led the way Breuer himself found his inspiration in the work of H G Wells and in turn influenced science fiction masters from Jack Williamson to Robert A Heinlein The Man with the Strange Head and Other Early Science Fiction Stories collects the best work of this pioneer of the genre The Last War Herbert George Wells,2001-01-01 A story of a new society growing from the ashes of nuclear destruction Beyond Thirty Edgar Rice Burroughs,2001-01-01 By the year 2137 Europe has become a largely forgotten savage wilderness Fierce bands of hunters rove the crumbling ruins of once mighty war ravaged cities On the other side of the Atlantic a prosperous Pan American Federation has emerged claiming all lands and seas between the 30th and 175th longitudes and forbidding contact with the rest of the world All who cross beyond thirty are sentenced to death Beyond Thirty is the story of Captain Jefferson Turck and the crew of his aero submarine who through accident and sabotage are forced beyond the thirtieth longitude and embark on an epic quest to rediscover the legendary lands of the Old World Their adventures stand as one of Edgar Rice Burroughs s most imaginative and subtly crafted tales Burroughs wrote the story in 1915 in reaction to the growing horrors of the First World War and his devastating vision of its consequences provides a haunting and enduring warning for the twenty first century **Master of Adventure** ,2005-01-01 So just how was Tarzan created Eager to know the inside story about the legendary John Carter and the amazing cities and peoples of Barsoom Perhaps your taste is more suited to David Innes and the fantastic lost world at the Earth s core Or maybe wrong way Napier and the bizarre civilizations of cloud enshrouded Venus are more to your liking These pages contain all that you will ever want to know about the wondrous worlds and unforgettable characters penned by the master storyteller Edgar Rice Burroughs Richard A Lupoff the respected critic and writer who helped spark a Burroughs revival in the 1960s reveals fascinating details about the stories written by the creator of Tarzan Featured here are outlines of all of Burroughs s major novels with descriptions of how they were each written and their respective sources of inspiration This Bison Books edition includes a new foreword by fantasy writer Michael Moorcock a new introduction by the author a final chapter by Phillip R Burger as well as corrected text and an updated bibliography *The Purple Cloud* Matthew Phipps Shiel,2000-01-01 If now a swell from the Deep has swept over this planetary ship of earth and I who alone chanced to find myself in the furthest stern as the sole survivor of her crew What then my God shall I do The Purple Cloud is widely hailed as a masterpiece of science fiction and one of the best last man novels ever written A deadly purple vapor passes over the world and annihilates all living creatures except one man Adam Jeffson He embarks on an epic journey across a silent and devastated planet an apocalyptic Robinson Crusoe putting together the semblance of a normal life from the flotsam and jetsam of his former existence As he descends into madness over the years he becomes increasingly aware that his survival was no accident and that his destiny and the fate of the human race are part of a profound cosmological plan *The Disappearance* Philip Wylie,2004-01-01 The female of the species vanished on the afternoon of the second Tuesday of

February at four minutes and fifty two seconds past four o'clock Eastern Standard Time The event occurred universally at the same instant without regard to time belts and was followed by such phenomena as might be expected after happenings of that nature On a lazy quiet afternoon in the blink of an eye our world shatters into two parallel universes as men vanish from women and women from men After families and loved ones separate from one another life continues in very different ways for men and women boys and girls An explosion of violence sweeps one world that still operates technologically social stability and peace in the other are offset by famine and a widespread breakdown in machinery and science And as we learn from the fascinating parallel stories of a brilliant couple Bill and Paula Gaunt the foundations of relationships love and sex are scrutinized tested and sometimes redefined in both worlds The radically divergent trajectories of the gendered histories reveal stark truths about the rigidly defined expectations placed on men and women and their sexual relationships and make clear how much society depends on interconnection between the sexes Written over a half century ago yet brimming with insight and unsettling in its relevance today *The Disappearance* is a masterpiece of modern speculative fiction

Before Adam Jack London, 2000-01-01 Capitalizing on his recognized ability to understand animals the author of *Call of the Wild* here paints an arresting and dark portrait of how our distant ancestors thought about themselves and their world

Illustrations Map **The Journey of Niels Klim to the World Underground** Ludvig Holberg, 1960-01-01 Fantastic adventures at the center of the earth await a penniless Norwegian student after he plunges into a bottomless hole in a cave Niels Klim discovers worlds within our own exotic civilizations and fabulous creatures scattered across the underside of the earth's crust and at the earth's center a small inhabited planet orbiting around a miniature sun In an epic journey Klim visits countries led by sentient and contemplative trees a kingdom of intelligent apes preoccupied with fashion and change a land whose inhabitants don't speak out of their mouths neighboring countries of birds locked in an eternal war and a land where string basses talk musically to one another Brave inquisitive and greedy Klim faces many challenges the greatest of which are his own temptations *The Journey of Niels Klim to the World Underground* is a classic in speculative fiction and was the first fully realized novel set underground in a hollow earth First published in 1741 it has earned comparisons to Jonathan Swift's contemporaneous fantasy *Gulliver's Travels*

When Worlds Collide Philip Wylie, Edwin Balmer, 1999-10-01 Science fiction roman **Back to the Stone Age** Edgar Rice Burroughs, 2007-06-01 The fifth installment of Edgar Rice Burroughs's Pellucidar series *Back to the Stone Age* recounts the strange adventures of Lieutenant von Horst a member of the original crew that sailed to Pellucidar with Jason Gridley and Tarzan who is left behind in the inner world Von Horst wanders friendless and alone from one danger to the next among the Stone Age peoples mighty reptiles and huge animals that have been extinct on the outer crust for thousands of years But woven among the tales of savage cave men in the country of the Basti the hideous Gorbuses in the caverns beneath the Forest of Death and the terrible Gaz is the story of the love this cultured hero feels for a barbarian slave girl who has spurned and discouraged him working instead toward her own

mysterious goal **The Croquet Player** Herbert George Wells, 2004-01-01 Something is horribly wrong in the remote English village of Cainsmarsh An elderly woman stiffens in dread at her own shadow a terrified farmer murders a scarecrow food prepared by others is eyed with suspicion family pets are bludgeoned to death loving couples are devoured by rage and violence A spirit corrupting evil pervades the land infesting the minds of those who call Cainsmarsh home Is this vision real or a paranoid fantasy generated by an even darker worldwide threat And is the call to resist the danger itself a danger These are questions that disturb the calm of an indolent croquet player who happens to hear the tale of the unlucky village H G Wells s ambiguous story of horror is a modern classic a prophetic disturbing glimpse of the primitive distrust and violence that gnaw at the heart of the modern world The Eternal Savage Edgar Rice Burroughs, 2003-01-01 With a new introduction this classic adventure tale from the creator of the Tarzan series finds Nu a Stone Age warrior trapped in suspended animation by an earthquake as he reawakens on Tarzan s African estate and tries to adapt to new surroundings including a relationship with a woman from Nebraska Reprint Science Fiction Fantasy *Gladiator* Philip Wylie, 2004-01-01 Hugo Danner is the strongest man on Earth due to an experiment conducted by his father a scientist but he is doomed to live a life of alienation because of his special strength and abilities Reprint **The Year 3000** Paolo Mantegazza, 2010-11-01 First published in 1897 The Year 3000 is the most daring and original work of fiction by the prominent Italian anthropologist Paolo Mantegazza A futuristic utopian novel the book follows two young lovers who as they travel from Rome to the capital of the United Planetary States to celebrate their mating union encounter the marvels of cultural and scientific advances along the way Intriguing in itself The Year 3000 is also remarkable for both its vision of the future predicting an astonishing array of phenomena from airplanes artificial intelligence CAT scans and credit cards to controversies surrounding divorce abortion and euthanasia and the window it opens on fin de si cle Europe Published here for the first time in English this richly annotated edition features an invaluable introductory essay that interprets the intertextual and intercultural connections within and beyond Mantegazza s work For its critical contribution to early science fiction and for its insights into the hopes fears and clash of values in the Western world of both Mantegazza s time and our own this book belongs among the visionary giants of speculative literature
