*Don't Make Me Pull Over!* Richard Ratay, 2019-05-14 A lighthearted entertaining trip down Memory Lane Kirkus Reviews

Don't Make Me Pull Over offers a nostalgic look at the golden age of family road trips before portable DVD players, smartphones and Google Maps. The birth of America's first interstate highways in the 1950s hit the gas pedal on the road trip phenomenon and families were soon streaming sans seatbelts to a range of sometimes stirring, sometimes wacky locations. In the days before cheap air travel, families didn't so much take vacations as survive them. Between home and destination lay thousands of miles and dozens of annoyances, and with his family Richard Ratay experienced all of them from being crowded into the backseat with noogie happy older brothers to picking out a souvenir only to find that a better one might have been had at the next attraction to dealing with a dad who didn't believe in bathroom breaks. Now decades later, Ratay offers an amiable, guide-fun and informative New York Newsday that goes down like a cold lemonade on a hot summer's day. The Wall Street Journal. In hundreds of amusing ways, he reminds us of what once made the Great American Family Road Trip so great, including twenty-foot land yachts, oasis-like Holiday Inn Holidomes, Smokey spotting Fuzzbusters, twenty-eight glorious flavors of Howard Johnson's ice cream, and the thrill of finding a good buddy on the CB radio. An informative, often hilarious family narrative that perfectly captures the love-hate relationship many have with road trips. Publishers Weekly. Don't Make Me Pull Over reveals how the family road trip came to be, how its evolution mirrored the country's, and why those magical journeys that once brought families together for better and worse have largely disappeared. **Growing Point**, 1971. **An Informal History of Virginia-Kentucky Pattersons in Illinois**. Ethel Marion Smith, 1948. **Journal of Glass Studies**, 1986. *The Jazz Scene*. W. Royal Stokes, 1991-06-06. No one can tell us more about jazz than the musicians themselves. Unfortunately, most oral histories have limited scope, focusing on a particular era or style and fail to capture the full, rich story of jazz. Now, in this vivid oral history, W. Royal Stokes presents nearly a century of jazz, its people, places, periods, and styles as it was seen by the artists who created America's most distinctive music. Here, along with the author's enlightening commentary, are the words of musicians, famous and little-known veterans of the early years and pathbreakers of the present, telling us about their origins and adventures, about the places and performers they have known. We read of young artists learning their skills surrounded by poverty, going on to win fame around the world. We feel the excitement of jazz before the war. The music was all over the place, recalled Wild Bill Davison. It's just unbelievable how many bands there were in Chicago. You could go anywhere and there'd be a band. And we glimpse the gritty, hard life hidden beneath the beauty of the notes they played. I remember not eating practically a month, several times, said Mary Lou Williams. During the depression, we played engagements and we knew we weren't going to get any money because Andy would scratch his face when he was walking toward the band and the trumpet player would pull out his horn and play the Weary Blues. And we'd laugh about it. We hadn't eaten in a couple of days and nothing was said because the music was our survival. Stokes not only uncovers the history of jazz in the major cities and regions, New Orleans, for instance, Chicago in the 20s and 30s, Kansas City and California from the 50s to the present, but he goes on to bring us the story of the big bands, post-bebop developments, vocalists, jazz around the

globe and the contemporary scene I was about eleven and my brother Mike started to bring home a lot of Miles Davis records from school and that did it for me remembers Pat Metheny First time I heard Miles playing My Funny Valentine that whole record just destroyed me And he takes a close look at the rising place of women as instrumentalists in the last decade Jazz is America s most original contribution to music and as the late Dexter Gordon lamented America is the one country where it is little known But W Royal Stokes uncovers a scene that is as alive as ever with this fascinating look at how it has been made and remade from the first decades of the century to today *Being First* Robert Klein,2010 Robert Klein one of the initial Peace Corps volunteers who served in Ghana from 1961 1963 describes the creation of the Peace Corps and the experiences of the first cohort of volunteer teachers serving in Ghana Musical West, Music and the Dance ,1927 Curriculum Windows Redux Thomas S.
