unconventional shortcuts and conversation strategies perfected by one of the world s greatest language learners Benny
Lewis aka the Irish Polyglot Using the language hacks shortcuts that make learning simple that Benny mastered while

your language abilities so that you can get fluent faster It s not magic It s not a language gene It s not something only other

you ve learned to have real conversations in Italian from day one The Method LanguageHacking takes a modern approach to
language learning blending the power of online social collaboration with traditional methods It focuses on the conversations

that learners need to master right away rather than presenting language in order of difficulty like most courses This means that you can have conversations immediately not after years of study Each of the 10 units culminates with a speaking mission that prepares you to use the language you've learned to talk about yourself Through the language hacker online learner community you can share your personalized speaking missions with other learners getting and giving feedback and extending your learning beyond the pages of the book You don't need to go abroad to learn a language any more
