Texas High Sheriffs:

Texas High Sheriffs Thad Sitton, 1988 *The Texas Sheriff* Thad Sitton, 2006-01-20 The Texas Sheriff takes a fresh colorful and insightful look at Texas law enforcement during the decades before 1960 In the first half of the twentieth century rural Texas was a strange often violent and complicated place Nineteenth century lifestyles persisted blood relationships made a difference and racial apartheid was still rigidly enforced Citizens expected their county sheriff to uphold local customs as well as state laws He had to help constituents with their personal problems which often had little or nothing to do with law enforcement The rural sheriff served as his county's Mr Fixit its resident good old boy and the lord of an intricate rural society Basing his interpretations on primary sources and extensive interviews Thad Sitton explores the dual nature of Texas sheriffs demonstrating their far reaching power both to do good and to abuse the law *Inside the Texas Chicken Ranch: The Definitive Account of the Best Little Whorehouse* Jayme Lynn Blaschke, 2023-06-26 Thanks to the classic Dolly Parton film *The Best Little Whorehouse in Texas* and ZZ Top's ode *La Grange* many people think they know the story of the infamous Chicken Ranch The reality is more complex lying somewhere between heartbreaking and absurd For more than a century dirt farmers and big cigar politicians alike rubbed shoulders at the Chicken Ranch operated openly under the sheriff's watchful eye Madam Edna Milton and her girls ran a tight discreet ship that the God fearing people of La Grange tolerated if not outright embraced That is until a secret conspiracy enlisted an opportunistic reporter to bring it all crashing down on primetime television Through exclusive interviews with Milton former government officials and reporters Jayme Lynn Blaschke delivers a fascinating revelatory view of the Ranch that illuminates the truth and lies that surround this iconic brothel **The Sheriff's Son** Wayne Skarka, Donald "Butch" Campsey, 2013-05-10 Before *Crime Scene: The Texas Killing Fields* on Netflix there was *The Sheriff's Son* a potential suspect for the League City murders This true story begins on Valentine's Day 1961 14 years old Claudette Carolyn Covey went missing from Hondo Texas On Halloween evening 1961 Claudette's remains were discovered eight miles from town in a field She had been shot twice in the head From the beginning town folks believed that she was murdered by the corrupt sheriff or his 18 year old son whom she was dating Because of the corrupt sheriff's influence no one was ever charged with the murder The story follows the life of the sheriff's son from 1961 to his death in 1998 The son was on the edges of many similar murders of young girls in the Houston and Galveston areas but he was never charged After 1961 the sheriff's son was arrested twice for the rape of 12 year old girls essentially walking away from these charges due to the connections of his father After the deaths of the father and son former wives and step children no longer terrified came forward They tell a horrific story of brutality rape incest and murder at the hands of the son Our novel connects the dots and makes the case that a serial killer went to his grave never charged with his many crimes against young women **Texas Rangers** Bob Alexander, Donaly E. Brice, 2017-07-15 Authors Bob Alexander and Donaly E Brice grappled with several issues when deciding how to relate a general history of the Texas

Rangers Should emphasis be placed on their frontier defense against Indians or focus more on their role as guardians of the peace and statewide law enforcers What about the tumultuous Mexican Revolution period 1910 1920 And how to deal with myths and legends such as One Riot One Ranger Texas Rangers Lives Legend and Legacy is the authors answer to these questions a one volume history of the Texas Rangers The authors begin with the earliest Rangers in the pre Republic years in 1823 and take the story up through the Republic Mexican War and Civil War Then with the advent of the Frontier Battalion the authors focus in detail on each company A through F relating what was happening within each company concurrently Thereafter Alexander and Brice tell the famous episodes of the Rangers that forged their legend and bring the story up through the twentieth century to the present day in the final chapters Tall Walls and High Fences Bob Alexander, Richard K. Alvord, 2020-10-15 Texas has one of the world s largest prison systems in operation for more than 170 years and currently employing more than 28 000 people Hundreds of thousands of people have been involved in the prison business in Texas inmates correctional officers public officials private industry representatives and volunteers have all entered the secure facilities and experienced a different world Previous books on Texas prisons have focused either on records and data of the prisons personal memoirs by both inmates and correctional officers or accounts of prison breaks Tall Walls and High Fences is the first comprehensive history of Texas prisons written by a former law enforcement officer and an officer of the Texas prisons Bob Alexander and Richard K Alford chronicle the significant events and transformation of the Texas prison system from its earliest times to the present day paying special attention to the human side of the story Incarceration policy evolved from isolation to hard labor to rodeo and educational opportunities with reform measures becoming an ever evolving quest The complex job of the correctional officer has evolved as well they must ensure custody and control over the inmate population at all times in order to provide a proper environment conducive to safety and positive change Alexander and Alford focus especially on the men and women who work with diligence and dedication at their jobs inside the walls risking their lives and in too many instances giving their lives in a peculiar line of duty most would find unpalatable Within these pages are stories of prison breaks bloodhounds chasing escapees and gunfights Inside the walls are deadly confrontations human trafficking rape clandestine consensual trysts and tricks turned against correctional officers Famous people and episodes in Texas prison history receive their due from Texas Rangers apprehending and placing outlaws in prison to the famed gunfighter John Wesley Hardin s time in and out of prison Tall Walls and High Fences covers numerous convict escape attempts and successes including the 1974 prison siege at Huntsville and the 2007 prisoner gunfight and escape at the Wynne Unit Throughout this long history Alexander and Alford pay special tribute to the more than 75 correctional officers lawmen and civilians who lost their lives in the line of duty Trillin on Texas Calvin Trillin, 2011-03-29 Articles and comic verse about the Lone Star State from the Thurber Prize winner What s not to love Texas Monthly Whether reporting for the New Yorker penning comic verse and political commentary or writing his memoirs Calvin Trillin has bumped into Texas again

and again He insists it s not by design there has simply been a lot going on in Texas Astute readers will note however that Trillin s family immigrated to America through the port of Galveston and after reading this book many will believe the Lone Star State has somehow imprinted itself on his imagination Trillin on Texas gathers some of his best writing on subjects near to his heart politics true crime food and rare books among them that also have a Texas connection Indulging his penchant for making snide and underhanded jokes about respectable public officials he offers his signature sardonic take on the Bush dynasty and their tendency toward fractured syntax a faux but quite believable LBJ speech and wry portraits of assorted Texas county judges small town sheriffs and Houston immigration lawyers He takes us on a pilgrimage to the barbecue joint that Texas Monthly named the best in Texas and describes scouting for books with Larry McMurtry He tells the stories of two teenagers who dug up half a million dollars in an ice chest and of rare book dealer Johnny Jenkins who was found floating in the Colorado River with a bullet wound in the back of his head And he recounts how redneck movie reviewer Joe Bob Briggs fueled a war between Dallas s daily newspapers and pays tribute to two courageous Texas women who spoke truth to power Molly Ivins and Sissy Farenthold Sure to entertain both Texans and non Texans Trillin on Texas proves again that Trillin is one of America s shrewdest and wittiest observers Graham Barnett James L. Coffey, Russell M. Drake, John T.

Barnett, 2017-05-15 Graham Barnett was killed in Rankin Texas on December 6 1931 His death brought an end to a storied career but not an end to the legends that claimed he was a gunman a hired pistolero on both sides of the border a Texas Ranger known for questionable shootings in Company B under Captain Fox a deputy sheriff a bootlegger and a possible fixer for both law enforcement and outlaw organizations In real life he was a good cowboy who provided for his family the best way he could and who did so by slipping seamlessly between the law enforcement community and the world of illegal liquor traffickers Stories say he killed unnumbered men on the border but he stood trial only twice and was acquitted both times Barnett lived in the twentieth century but carried with him many of the attitudes of old frontier Texas Among those beliefs was that if there were problems a man dealt with them directly and forcefully with a gun His penchant to settle a score with gunplay brought him into confrontation with Sheriff W C Fowler a former friend who shot Barnett with the latter s own submachine gun on loan One contemporary summed it up best Officers in West Texas got the best sleep they had had in twenty years that Sunday night after Fowler killed Graham *Freedom Colonies* Thad Sitton, James H. Conrad, 2010-01-01 A history of independent African American settlements in Texas during the Jim Crow era featuring historical and contemporary photographs In the decades following the Civil War nearly a quarter of African Americans achieved a remarkable victory they got their own land While other ex slaves and many poor whites became trapped in the exploitative sharecropping system these independence seeking individuals settled on pockets of unclaimed land that had been deemed too poor for farming and turned them into successful family farms In these self sufficient rural communities often known as freedom colonies African Americans created a refuge from the discrimination and violence that routinely limited the opportunities of blacks in the Jim

Crow South Freedom Colonies is the first book to tell the story of these independent African American settlements Thad Sitton and James Conrad focus on communities in Texas where blacks achieved a higher percentage of land ownership than in any other state of the Deep South The authors draw on a vast reservoir of ex slave narratives oral histories written memoirs and public records to describe how the freedom colonies formed and to recreate the lifeways of African Americans who made their living by farming or in skilled trades such as milling and blacksmithing They also uncover the forces that led to the decline of the communities from the 1930s onward including economic hard times and the greed of whites who found legal and illegal means of taking black owned land And they visit some of the remaining communities to discover how their independent way of life endures into the twenty first century Thad Sitton and James H Conrad have made an important contribution to African American and southern history with their study of communities fashioned by freedmen in the years after emancipation Journal of American History This study is a thoughtful and important addition to an understanding of rural Texas and the nature of black settlements Journal of Southern History *Texas Constables* Allen G. Texas High Sheriffs Introduction

In today's digital age, the availability of Texas High Sheriffs books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Texas High Sheriffs books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Texas High Sheriffs books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Texas High Sheriffs versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Texas High Sheriffs books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Texas High Sheriffs books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Texas High Sheriffs books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of

America, which provides a vast collection of digitized books and historical documents. In conclusion, Texas High Sheriffs books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Texas High Sheriffs books and manuals for download and embark on your journey of knowledge?
