The Hair Pulling Habit And You How To Solve The Trichotillomania Puzzle:

The Hair Pulling Habit and You Ruth Goldfinger Golomb, Sherrie Mansfield Vavrich, 2000 This book was designed to help young people children pre teens and adolescents who have trichotillomania It can be used by young people alone or can help young people and their parents learn about trich and work co operatively in order to productively deal with this complex problem But this book should also be useful to many others such as adults with trichotillomania relatives of sufferers therapists medical doctors especially psychiatrists paediatricians and dermatologists educators and anyone who works with young people on a regular basis Treating Trichotillomania Martin E. Franklin, David F. Tolin, 2007-09-28 There is still scant clinical information on trichotillomania This book fills the need for a full length cognitive behavioral treatment manual The authors share their considerable expertise in treating body focused repetitive behavior disorders not only hair pulling but skin picking and nail biting as well in an accessible clinically valid reference This is the first comprehensive clinical and empirically based volume to address these disorders *The OCD Workbook* Bruce Hyman, Cherlene Pedrick, 2010-11-01 If you have obsessive compulsive disorder OCD chances are that your persistent obsessive thoughts and time consuming compulsions keep you from enjoying life to the fullest But when you are in the habit of avoiding the things you fear the idea of facing them head on can feel frightening and overwhelming This book can help The OCD Workbook has helped thousands of people with OCD break the bonds of troubling OCD symptoms and regain the hope of a productive life Endorsed and used in hospitals and clinics the world over this valuable resource is now fully revised and updated with the latest evidence based approaches to understanding and managing OCD It offers day to day coping strategies you can start using right away along with proven effective self help techniques that can help you maintain your progress The book also includes information for family members seeking to understand and support loved ones who suffer from this often baffling and frustrating disorder Whether you suffer with OCD or a related disorder such as body dysmorphic disorder or trichotillomania let this new edition of The OCD Workbook be your guide on the path to recovery This new edition will help you Use self assessment tools to identify your symptoms and their severity Create and implement a recovery strategy using cognitive behavioral self help tools and techniques Learn about the most effective medications and medical treatments Find the right professional help and access needed support for your recovery Maintain your progress and prevent future relapse *Parenting Kids With OCD* Bonnie Zucker, 2021-09-03 Parenting Kids With OCD provides parents with a comprehensive understanding of obsessive compulsive disorder its symptoms types and presentation in children and teens The treatment of OCD is explained and guidelines on how to both find appropriate help and best support one s child are provided Family accommodation is the rule not the exception when it comes to childhood OCD yet higher accommodating is associated with a worsening of the child s symptoms and greater levels of familial stress Parents who have awareness of how they can positively or negatively impact their child s OCD can benefit their child s outcome Case examples are included to illustrate the child s experience with OCD

and what effective treatment looks like OCD worsens when there is increased stress for the child therefore stress management is an essential component for improvement Parents will learn how to manage stress in themselves and encourage effective stress management for their children *Overcoming Body-Focused Repetitive Behaviors* Charles S. Mansueto, Sherrie Mansfield Vavrich, Ruth Goldfinger Golomb, 2020-01-02 Body focused repetitive behaviors BFRB such as hair pulling and skin picking are greatly misunderstood and few resources are available to those afflicted In this much needed self help resource three renowned BFRB experts and clinicians offer the first comprehensive treatment approach grounded in evidence based cognitive behavioral therapy CBT to help readers overcome BFRB for good **The OCD Workbook (Volume 2 of 2) (EasyRead Super Large 20pt Edition)**, Handbook of Developmental Psychiatry Hans Steiner, 2011 Mental disorders in children and adolescents have gained prominence in recent years and clinicians in the field are increasingly on the lookout for new methods in diagnosis and treatment In the last 25 years the Stanford Division of Child Psychiatry has become one of the premier clinical research and educational facilities in child and adolescent psychiatry both nationally and internationally Its faculty has distinguished itself in several key domains of psychopathology in both basic and clinical research This handbook provides a detailed description of unique diagnostic and treatment approaches to mental disorders in the Stanford Division of Child and Adolescent Psychiatry Most of the principal authors of this volume are members of or previously affiliated with the Stanford faculty Readers will thus be privy to Stanford's highly distinct approach characterized by principles of developmental approaches to psychopathology and an emphasis on integrated treatment packages Moreover clinicians will appreciate how the faculty's novel approach to diagnosis and treatment is strongly influenced by pediatric and developmental thinking Empirical support and practice based rationale for the current diagnostic and treatment algorithms and methodologies in Stanford clinics will be presented in a highly lucid manner Written with frontline mental health clinicians in mind this handbook will prove an invaluable asset to those who wish to implement Stanford's approach to mental disorders in children and adolescents or simply broaden their horizons on the cutting edge methods in the field **Child and Adolescent Psychopathology** Linda A.
