It focuses on myth formation in the fiction of Chinua Achebe and Amitav Ghosh, two major twentieth-century authors from Nigeria and India respectively. The book analyses how these two authors use myth in their works to study the cultural mores of the societies they represent. Achebe represents the Igbo community of Nigeria and Amitav Ghosh represents various communities in India in both the pre-colonial and postcolonial phases ranging from Bihar to Sundarbans in south Bengal. The book focuses on the area of myth studies in the postcolonial area of study, delving into a comparative study between the two authors and how they contribute to myth studies through their fiction.      **The Bible defender**, ed.

by J.H. Rutherford, 1856      **Faith and Ideologies** Juan L. Segundo, 2006-09-01 Faith and Ideologies continues to develop the key concepts that Segundo had previously analyzed in *The Liberation of Theology*. He does this with great incisiveness and profundity both on the anthropological and the theological levels while dialoguing with such partners as Bateson, Pannenberg and Tracy in the West and Marx, Machovec and Lukacs in the East. The book is a must reading for those exploring the frontiers of contemporary theology. Alfred T. Hennelly, author of *Theologies in Conflict: The Challenge of Juan Luis Segundo*. Juan Luis Segundo, a Jesuit theologian from Uruguay, is author of *Liberation of Theology*, *Liberation of Dogma* and *The Sacraments Today*.      *The Theology of Benedict XVI* Tim Perry, 2019-10-30 God's rotweiler or shepherd of the faithful? There's no doubt about Benedict XVI's theological legacy. He's been at the center of every major theological controversy in the Catholic Church over the last fifty years. But he remains a polarizing figure, misunderstood by supporters and opponents alike. A deeper understanding of Benedict's theology reveals a man dedicated to the life and faith of the church. In this collection of essays, prominent Protestant theologians examine and commend the work of the Pope Emeritus. Katherine Sonderegger, Kevin Vanhoozer, and Carl Trueman, among others, present a full picture of Benedict's theology, particularly his understanding of the relationship between faith and reason and his pursuit of truth for the church. The global Christian faith can learn from Benedict's insight into the modern church and his desire to safeguard the future of the church by leaning on the wisdom of the ancient church.
