The Hermit of Hart's Hollow Gail

MacMillan,1999-12 Was he a jilted lover a world weary tycoon a fugitive from justice or simply a burnt out vagrant No one in the small northern New Brunswick community knew The hermit who lived in the upriver wilderness of Hart s Hollow was a complete mystery to the locals and they were content to leave it that way Until February when Toronto newspaper reporter Mitch Michelle Wallace arrives and decides he d make great story material With dogged determination Mitch sets out to meet the man and uncover the secrets of his veiled past Her interest in the hermit is purely professional she tells herself Recently betrayed by the man she believed loved her Mitch has hardened her heart against ever again becoming romantically involved But as she slowly unravels the truth about the hermit she finds herself falling more and more under the spell of winter in this pristine country and discovering for the first time the true meaning of love

From an acclaimed historian and author comes an epic history the dual biography of Richard II and Henry IV two cousins whose lives played out in extraordinary parallel until Henry deposed the tyrant Richard and declared himself King of England Richard of Bordeaux and Henry of Bolingbroke cousins born just three months apart were ten years old when Richard became king of England They were thirty two when Henry deposed him and became king in his place Now the story behind one of the strangest and most fateful events in English history and the inspiration behind Shakespeare s most celebrated history plays is brought to vivid life by the acclaimed author of *Blood and Roses* Helen Castor Richard had birthright on his side and a profound belief in his own God given majesty But beyond that he lacked all qualities of leadership A narcissist who did not understand or accept the principles that underpinned his rule he was neither a warrior defending his kingdom nor a lawgiver whose justice protected his people Instead he declared that his laws were in his own mouth and acted accordingly He sought to define as treason any resistance to his will and recruited a private army loyal to himself rather than the realm and he intended to destroy those who tried to restrain him Henry was everything Richard was not a leader who inspired both loyalty and friendship a soldier and a chivalric hero dutiful responsible principled After years of tension and conflict Richard banished him and seized his vast inheritance Richard had been crowned a king but he had become a tyrant and as a tyrant ruling by arbitrary will rather than established law he was deposed by his cousin Henry the only possible candidate to take his place Henry was welcomed as a liberator a champion of the people against his predecessor s paranoid despotism But within months he too was facing rebellion Men knew that a deposer could in turn be deposed and the new king found himself buffeted by unrest and by chronic ill health until he seemed a shadow of his former self trapped by political uncertainty and troubled by these signs that God might not after all endorse his actions Captivating immersive and highly relevant to today s times *The Eagle and the Hart* is a story about what happens when a ruler prioritizes power over the interests of his own

people When a ruler demands loyalty to himself as an individual rather than duty to the established constitution and when he seeks to reshape reality rather than concede the force of verifiable truths Above all it is a story about how a nation was brought to the brink of catastrophe and disintegration and in the end how it was brought back **American Book Publishing Record**, 2003 **The Hermits in Vienna** Hermit Club (Cleveland, Ohio), 1914 A New Companion to English Renaissance Literature and Culture Michael Hattaway, 2010-02-12 In this revised and greatly expanded edition of the Companion 80 scholars come together to offer an original and far reaching assessment of English Renaissance literature and culture A new edition of the best selling Companion to English Renaissance Literature revised and updated with 22 new essays and 19 new illustrations Contributions from some 80 scholars including Judith H Anderson Patrick Collinson Alison Findlay Germaine Greer Malcolm Jones Arthur Kinney James Knowles Arthur Marotti Robert Miola and Greg Walker Unrivalled in scope and its exploration of unfamiliar literary and cultural territories the Companion offers new readings of both literary and non literary texts Features essays discussing material culture sectarian writing the history of the body theatre both in and outside the playhouses law gardens and ecology in early modern England Orientates the beginning student while providing advanced students and faculty with new directions for their research All of the essays from the first edition along with their recommendations for further reading have been reworked or updated Study Guide to The Idylls of the King and Other Poems by Alfred Tennyson Intelligent Education, 2020-06-28 A comprehensive study guide offering in depth explanation essay and test prep for selected works by Alfred Tennyson appointed Poet Laureate of Great Britain and Ireland during Queen Victoria's reign Titles in this study guide include The Idylls Of The King Ulysses and Tithonus The Palace of Art Lucretius In Memoriam and Demeter and Persephone As a celebrated British poet of the nineteenth century he was one of the most renowned poets of the Victorian era Moreover Tennyson's early works are responsible for shaping the revival of the medieval period This Bright Notes Study Guide explores the context and history of Tennyson's classic work helping students to thoroughly explore the reasons they have stood the literary test of time Each Bright Notes Study Guide contains Introductions to the Author and the Work Character Summaries Plot Guides Section and Chapter Overviews Test Essay and Study Q As The Bright Notes Study Guide series offers an in depth tour of more than 275 classic works of literature exploring characters critical commentary historical background plots and themes This set of study guides encourages readers to dig deeper in their understanding by including essay questions and answers as well as topics for further research School Education, 1909 **History of Latin Christianity** Henry Hart Milman, 1855 *The Monastery ; And, Chronicles of the Canongate* Walter Scott, 1898 **History of Latin Christianity** Henry Hart Milman, 2022-06-12 Reprint of the original first published in 1861 **The Works of Sir Walter Scott: The abbot** Walter Scott, 1913 The abbot Sir Walter Scott, 1923 **The History of the Decline and Fall of the Roman Empire** Edward Gibbon, 1788 *History of Latin Christianity; Including that of the Popes, to the Pontificate of Nicolas V.
