The Little Of Roses:

The Little Rose Sheri Fink, 2012-05-14 Anti Bullying Book about Authenticity and Overcoming Adversity The Little Rose is a timeless heartwarming story about embracing who you really are. Finely detailed irresistible illustrations bring to life this endearing story of the Little Rose growing amongst a bed of weeds. Teased by the ugly weeds around her, the Little Rose nearly gives up but then learns to accept and love herself for what she really is: a beautiful rose. The Little Rose inspires children to embrace who they are despite their current environments. Themes include Overcoming Bullying, Self Esteem, Tolerance, Embracing and Accepting Yourself, Authenticity. Gold Medal Recipient in Readers Favorite International Book Awards, Gold Mom's Choice Award Winner. *Little Rose* Rhonda Jerrett, 2024-06-18 Little Rose West was a girl from Syracuse, New York, in 1983. Little Rose overcame so many traumas. She was raped, beaten, shot, and even hit by a car, but she still chose to see the beauty of life. She knew that just because horrible things happen and boy, she endured everything imaginable, she knew that didn't decide who you were or even where you would end up someday. She never focused on the horrible experiences she may have had to overcome but instead she just kept dreaming. And boy, dreams do come true. Sometimes the dreams that are put in your heart when you are just a little girl, she always knew, are there for a reason: first to give you hope when there seems like nothing good could possibly happen, second to keep you on the path that is truly laid out for you, no matter who or what may hurt you or even abuse you. This story takes her from a broken-down backyard daydream to a promising fashion designer, which takes her to a once-in-a-lifetime romance in Tuscany, Italy, which becomes the love of her life. And boy, she deserved it. *Carrie and the Little Rose* Lenny Yokiel, 2023-04-19 With my first children's book *Little Children We Are* published, this is my second children's book inspired by a valentine date with a college girlfriend after going back to my dorm room. Originally the title was *The Little Rose*. I later rented from a young couple born to them a little girl named Carrie Rose who would call me Uncle Lenny. I decided to add a little girl's name, Carrie, and the story then became a story of Carrie having her mother tell her the story of *The Little Rose*. Hence the title *Carrie and the Little Rose*. I sat on the manuscript for years, thinking that it may be just a writing for children, until I saw artwork. After seeing artwork from the illustrator Beth Clingan, who her and her now husband Mark were college best friends to me, I decided to commission her to illustrate as a book in colored pencil, to which she proved it excellently. Although this book is about a little girl and a rose, it is for girls and boys, as the moral of the book is to be the best person you were purposed to be, even if everyone doesn't seem to notice. *The Garden of Little Rose* Suzanne Snow, 2021-02-15 For love to grow, Flora will have to first dig up the past. At a hen party on the remote Scottish island of Alana, Flora is dared to ask a handsome stranger to be her plus one for the wedding. When the gorgeous Mac accepts her invite, she assumes he's joking and thinks nothing more of it. Until he turns up at the church on the wedding day. But Mac has an agenda. He wants to hire her skills as a horticulturist to restore the gardens at Rish House, his home back on Alana. Flora knows she should refuse. Mac has a heartbreaker written all over him, but she can

t resist uncovering the tragic truth behind the garden at R is n A heartwarming romance for fans of Victoria Walters Trisha Ashley and Julie Houston What readers are saying about The Garden of Little Rose The story got off to a really quick start and has a bit of everything romance mystery and friendship This was a lovely read for a weekend NetGalley reviewer I love this book Funny heartbreaking uplifting and excellent NetGalley reviewer Snow did a wonderful job with visualization I felt like I was there in the gardens on the beach with the sand between my toes dinner with the family all of it NetGalley reviewer
