The Little True Loving Truth For Parents And Kids:

Parents and Children Charlotte Mason, 2021-04-11 In *Parents and Children* Charlotte Mason offers a transformative exploration of educational philosophy emphasizing the vital role of parents in the nurturing and intellectual development of children. The book articulates her progressive stance on child rearing, advocating for an approach that marries respect for the child's individuality with a rich, disciplined education rooted in the liberal arts. Mason's elegant prose reflects her commitment to clarity and accessibility, drawing upon her extensive experience in teaching and child development and placing her work firmly within the burgeoning movement of late 19th-century educational reform. Charlotte Mason, a pioneering educational reformer from the late Victorian era, developed her philosophies through rigorous observation of children's behavior and educational outcomes. Her own experiences as a mother and educator profoundly shaped her views on the partnership between parent and child, as she believed that fostering a love of learning was essential to a child's growth. Mason founded a network of schools and established a model that continues to influence contemporary educational practices, particularly in the realm of homeschooling and classical education. This book is an essential read for parents, educators, and anyone interested in the influence of thoughtful education on children's development. Mason's insights provide a compelling case for nurturing the intellectual and moral growth of children, encouraging readers to embrace their essential role in this lifelong journey.

Love and Life (2nd Ed): Parent, 2006 The *Parent Guide* provides an informative overview of the entire course with an easy-to-understand explanation of Catholic teaching on sexual morality. Included are helpful suggestions for exercises, communication, and family activities, specific lesson objectives, practical answers to today's problems, benefits of chastity, education in the home, and recommended readings.

Raise Your Sons and Daughters with Real Unconditional Love John Sangwon Lee, MD., FAAP, 2023-01-11 *Raise Your Sons and Daughters with Real Unconditional Love* By John Sangwon Lee MD FAAP. Pediatrician John Sangwon Lee MD FAAP has years of experience with parenting methods and children's health in both America and in South Korea. With these combined experiences and his own as a father, Dr. Lee puts forth *Raise Your Sons and Daughters with Real Unconditional Love*, a guide to raising children with kindness, empathy, and love. He describes in detail the types of love needed for parents to raise their children well: eye contact love, physical contact love, and focused attention love. With his familiarity of American and South Korean parenting styles, he sets forth to create a shared foundation of parenting knowledge using the positive childrearing practices of both nations. Whether you are a new parent or already have children of your own, Dr. Lee's in-depth explanations of newborn, toddler, child, and adolescent physical and mental health, combined with insightful guides on how parents should handle difficult or new situations, is an essential read.
