The Littlehampton Bequest:

The Littlehampton Bequest Osbert Lancaster, 1974 **The Littlehampton Saga** Osbert Lancaster, 1984-01-01 *The Littlehampton Saga* Osbert Lancaster, 1992-01 **The British Country House Revival** Ben Cowell, 2024 British country houses have experienced a renaissance since the early 1970s A new accord is needed today recognising the increasingly contested contribution of country houses to British cultural life Fifty years ago the future for country houses in Britain looked bleak The Victoria Albert Museum's exhibition *The Destruction of the Country House* which opened in October 1974 charted the loss of over a thousand country houses in the preceding century The makers of the exhibition warned that history could be about to repeat itself because of the threats besetting mansion properties principally from higher taxation Houses faced the prospect of having to be stripped of their collections and sold for use as offices hotels or hospitals with their parks and gardens turned into golf clubs Government might afford to save just a handful of the most significant of these places working in tandem with charities such as the National Trust The rest would be consigned to history This book traces the history of country houses in Britain from the *Destruction* exhibition to the present day The wave of country house losses anticipated in 1974 never actually happened Instead over the next five decades Britain's country houses experienced a renaissance Fiscal rules changed in the mid 1970s to make it easier for owners to hold on to their assets Economic improvements in the 1980s and 1990s allowed many houses and estates to develop profitable commercial businesses All of this was achieved only after dedicated campaigning from heritage organisations in support of the country house cause The book argues that a new accord is needed today to recognise and value the ongoing if increasingly contested contribution of country houses to British life and culture in the twenty first century *The New Statesman and Nation*, 1973 **Splendours and Miseries: The Roy Strong Diaries, 1967-87** Roy Strong, 2017-08-10 The Alan Clark diaries of cultural politics Sunday Times At every word a reputation dies A N Wilson Roy Strong is best known as the flamboyant former director of two great cultural institutions the National Portrait Gallery and the Victoria Albert Museum In his first volume of diaries he takes the reader into the heart of his career revealing himself to be not just a mercurial and brilliant administrator but also a shrewd observer of the glittering and political milieu into which he was drawn We encounter David Hockney in his studio the poignant figure of Cecil Beaton in decline Nureyev fizzing with ideas and the Philistine Mrs Thatcher among many others including a bevy of the Royal Family And throughout the diaries runs the thread of an exceptional marriage following his elopement with the designer Julia Trevelyan Oman *Splendours and Miseries* provides a unique panorama of the world of the arts fashion and society taking us from the outrageous Swinging Sixties to the hard edged glitz of Thatcher's Britain **Diaries, 1971-1983** James Lees-Milne, Michael Bloch, 2011-12-21 Funny indiscreet candid touching and sharply observed this second compilation from James Lees Milne's celebrated diaries covers his life during his sixties and early seventies when he was living in Gloucestershire with his formidable wife Alvide It vividly portrays life on the Badminton estate of the eccentric Duke of

Beaufort meetings with many friends including John Betjeman Bruce Chatwin and the Mitford sisters and the diarist's varied emotional experiences Having made his name as the National Trust's country houses expert and a writer on architecture he now established himself as a novelist and biographer With some misgivings he published his wartime diaries little imagining that it was as a diarist that he would achieve lasting fame **Scenes and Apparitions** Roy Strong, 2016-11-03 Viper wit from the gardener writer and Knight of exquisite taste DAILY TELEGRAPH Funny barbed and moving magnificently readable THE TIMES *Scenes and Apparitions* covers a period of Roy Strong's life from 1988 to 2003 A sequel to *Splendours and Miseries* it is an unmissable record of how a citizen at the close of the second Elizabethan age observed and chronicled his own world at the turn of the century Although it is not without tragedy the murder of his friend Gianni Versace and the death of his beloved wife Julia Trevelyan Oman there is plenty to enjoy from his descriptions of Elton John's fiftieth birthday party to a concert for the Queen Mother and his portraits of marriage friendship work and his celebrated garden The Laskett
