The Local Church Today:

The Local Church Edward Klink, 2021-10-27 How God Ministers to His People and the World through the Local Church The church is more than coffee with friends it s a meaningful gathering of Christians that involves fellowship and growing in biblical truth Given the rise of the internet and the availability of streaming church services many ministry leaders and church members are asking questions about the purpose and mission of the local church What is the church Why does the church exist How does the church function What is the connection between the Christian and the church Pastor and trusted scholar Edward Klink III addresses these questions and more with a thoughtful assessment of what the Bible has to say about God s intention for the local church body Klink stresses its importance as God s way of revealing his presence displaying his power fulfilling his purposes and manifesting his activity in the world In today s hyperindividualized culture this book not only demonstrates why it s vital for individuals to connect to a local church but also reveals why it s vital to God s work in the world

Fellowship in the Local Church Today Chris Segun Onayinka, 2025-04-30 What is God doing in these last days He is building strong local churches who learn God s word flow with and follow the leading of the Spirit Kenneth E Hagin We are persuaded that this is God s word for his church and believers Today and last couple of years we have endeavored to put out written audio and video materials encouraging effective participation in the local church In Hebrews 10 24 25 the writer of Hebrews speaks about the importance of not forsaking the assembling together of believers Likewise in 1st Corinthians more than five times Paul refers to the gathering and physical assembly of believers even instructing the same I believe that the information about the local church is critical in the days that we are in The days of technology and remote relationships call for a lot of reflection for believers not to in any way be subjected to such advancement of technology whilst we defy either openly or unconsciously the instructions of the written word In this book we will be studying together and examining the effectiveness of the local church What does the local church mean How does the local church participate in the overall agenda of God for the earth Is the local church just a gathering of friends Is it a gathering of people who have mere mutual interest Or is there something that is heavenly and divine about the way we must gather then subject our minds to what is in

the written word We will examine also the different characteristics of the local church and the different features the local church should have I believe that this will inspire Pastors engage and equip those who lead assemblies to know how effectively this should be done In Matthew 28 18 20 the Great Commission can be seen as a clear direction for the institution of the local church Apart from Matthew 18 15 19 where Jesus highlighted how conflicts should be resolved and the high point of it was in the local assembly Then in Verse 20 he says where two or three are gathered in My name there I am in the midst thereof This shows the importance of the authority and fellowship within the local assembly And this is the crux of this material As believers read we trust that they will participate much more effectively and efficiently in the local assembly and its activities We trust also that as you read this book meditate upon it and pray over it you will have greater participation in the work and ministry of the local assembly and the body of Christ generally in Jesus name And as many that will come in contact with you and because of the knowledge of the Word of God in this book I trust that it will also increase their own participation as well in Jesus name I remain multidimensionally yours Chris Segun Onayinka

Church and Culture Evelyn Monteiro, 2004

The Practice of the Church Life According to the God-Ordained Way Witness Lee, 1996-03 **The Assembly Life & The Prayer Ministry of the Church** Watchman Nee, 1993-05-01 Realizing that God must gain the church as a corporate expression of Christ and not just individual overcoming Christians Watchman Nee presents practical fellowship in The

Assembly Life that is directed toward fittingly framing the believers who live within a particular locality into a living spiritual and practical dwelling place of God. In a world that is desperately in need of Him, God often seems limited in His operation and frustrated in His purpose. Despite the ever-present needs, there is no limitation in His ability. There is, however, a limitation in His willingness to work without the full cooperation of the church through prayer. The prayer of the church lays the tracks upon which God moves to fulfill His eternal purpose. In *The Prayer Ministry of the Church*, Watchman Nee presents the biblical principles involved in the type of prayer that can bind on earth what has been bound in Heaven and loose on earth what has been loosed in Heaven. Through the prayer of the church, every limitation and frustration to the fulfillment of God's will can be effectively overcome.
