histories recounts the exploits and perils of the great grey predator wolves that have roamed North America There were the extraordinarily intelligent crafty stubborn renegades who preyed on stock resisted the government hunters and became legendary figures in American history Fallen Angel Jerry Langton,2009-12-17 Walter Stadnick is not an imposing man At five foot four his face and arms scarred by fire in a motorcycle accident he would not spring to mind as a leader of Canada s most notorious biker gang the Hells Angels yet through sheer guts and determination intelligence and luck this Hamilton

born youth who had the nickname of Nurot rose in the Hells Angels ranks to become national president Not only did he lead the Angels through the violent war with their rivals the rock machine in Montreal in the Nineties Stadnick saw opportunity to grow the Hells Angels into a national criminal gang he was a visionary and a highly successful one Bikers are not known for their fondness for rival gangs Stadnick and the Angels fought and defeated rival gangs or used power of persuasion to patch them over As Stadnick's influence spread law enforcement took notice of the growing presence of the Angels in Ontario Manitoba and British Columbia However Stadnick's success did not come without a price Arrested and charged with 13 counts of first degree murder stadnick beat the murder charges but was convicted of gangsterism and is currently serving time Fallen Angel details one man's improbable rise to power in one of the world's most violent organizations while shedding light on how this enigmatic and dangerous biker gang operated and why it remains so powerful **Managing Change in**
