The Long Way North:

The Long Way Home Kyle Pratt, 2016-07-15 **The Long Way Home** John McCallum, 2012-07-01 The first hand account of three Scotsmen and their dramatic escape from Nazi Germany's Stalag VIII B prison camp during World War II. At the age of nineteen Glasgow born John McCallum signed up as a Supplementary Reservist in the Signal Corps. A little over a year later he was in France working frantically to set up communication lines as Europe once more hurtled towards war. Wounded and captured at Boulogne he was sent to the notorious Stalag VIII B prison camp together with his brother Jimmy and friend Joe Harkin. Ingenious and resourceful the three men set about planning their escape. With the help of Traudl a local girl whom John had met while working in nearby Bad Karlsbrunn they put their plan into action. In an astonishing coincidence they passed through the town of Sagan around which the seventy six airmen of the Great Escape were being pursued and caught. However unlike most of these other escapees John Jimmy and Joe eventually made it to freedom. Now due to the declassification of documents under the Official Secrets Act John McCallum is finally able to tell the thrilling story of his adventure in which he recaptures all the danger audacity and romance of one of the most daring escapes of the Second World War. A dashed good read. Especially as his escape was successful. The Herald I couldn't stop turning the pages a great tale with a deep message. George Robertson **The Long Way Home** Jessica Blair, 2011-11-10 Lydia Middleton faces a bright future secure in the knowledge that her childhood sweetheart David Drayton will one day be her husband. Their parents heartily approve of a match between Whitby's foremost ship owning families. But then Mr Middleton loses his fortune and later his life and the Draytons reconsider. Lydia's uncle repossesses the family home and she is forced to leave Whitby. Her brother Luke finds a job in the new town of Middlesbrough and Lydia decides to accompany him and make her own way in life. But she vows that when her fortunes have changed she will return to her beloved home and exact a fitting revenge on her uncle. Driven by this desire Lydia prospers but risks losing the most precious thing of all the love of David who has stayed faithful to her throughout their enforced separation. Vengeance or the path of true love which will Lydia choose **The Long Way Home** Fanny Blake, 2021-01-07 Thoroughly enjoyable with endearing believable characters and long held secrets. Katie Fforde The perfect summer read. Ruth Hogan A family secret a mysterious legacy and a journey that will change everything. When Isla a 65 year old grandmother is left nothing but an old painting in her mother's will while her sisters and aunt inherit the estate she is devastated. Close to retirement getting ready to live on her own terms the last thing she expects at this time of her life is such turmoil. So to find an explanation for her mother's rejection she embarks on a road trip. But right at the last moment she's forced to take her sullen and in her view impossible 14 year old granddaughter Charlie with her. Cramped together in Isla's car with her smelly old dog these ill assorted travelling companions set off to uncover some shattering and life changing family truths at the same time as learning to love each other. The Long Way Home is set in the UK and 1950s Paris where the story really begins spanning four generations of women and the secrets that get passed down.

Bildungsroman and the Amazon Princess Melvin Karew,2012-10 A thick white mist hangs over the Eastern Sea covering all of the ships that are attempting to navigate the grey waters The pirates sit on the bottom of their sleek ship huddled amongst their chests of gold shivering in fear despite the warmth of the night Humfard the one eyed hobgoblin jumps lithely up onto the aft castle towards Elkira who steers the ship It s unnatural this fog he grumbles at this time of year it is Aye Humfard responds the pirate woman I sense the work of a spell caster Look I cannot even see the bottom of the ship from up here Through the fog on the forecastle two pirates stand and look over the side trying to peer through the deep forbidding wall of whiteness Did you hear something one of them asks It was like a splashing on the water It is just the ship Actually it was me says a feminine voice from the gloom They jump up startled as a soaking wet Mora steps from the ship s wooden railing onto the top of the forecastle The water on her cape and hood is evaporating turning into steam as she moves I am looking for a band of travellers who stole the cargo of a ship called the Peregrine How stammers one of the pirates The

other draws his falchion and jumps at the cloaked figure The scythe spins around and the man falls back his arm severed The second pirate jumps to the back of the forecastle and yells for help Mora s scythe slices across and cuts off his cry in mid yell His head falls down from the forecastle amongst his comrades The second pirate is pulling himself away from Mora dragging himself with his left hand She is almost nonchalant in her execution of him the point of her scythe stabbing down as she investigates the remainder of the forecastle She walks to the edge of the forecastle and looks into the mist filled hull of the ship She can hear the shouts and yells of the pirates and she smiles to herself She readies her scythe and jumps down from the forecastle amongst the confused pirates Humfard stares intently into the mist What is happening he growls I cannot see a thing Behind him Elkira ties the steering in place and draws her falchion We must investigate she says Our dog brothers need our help No he mutters If we go down into the mist we will be ambushed We will wait up here and catch them if they come up the ladder They wait standing at the top of the ladder that leads from the hull They can hear the sounds of cries and shrieks of muffled movements and the swish of sword and scythe strikes A head flies out of the mist and crashes against the side of the forecastle before dropping back into the hull Two pirates run out of the mist towards the forecastle screaming in fright One appears to trip over and his body falls forward Elkira notices that his legs are severed below the knee The second pirate jumps up onto the ladder and Humfard reaches down a hand to help him up He grabs the pirate by the hand and pulls him upwards dragging him towards the top The pirate shrieks in pain and Humfard grunts unable to drag any further Then the pirate is free and Humfard falls backwards the body of the pirate falls onto him Elkira gasps in fright there is a huge hole in the pirate s back Elkira turns back to the ladder and looks into the depths of the fog her falchion ready Humfard pushes the body from him and staggers to his feet Humfard backs away from the edge with fear in his eyes He hears a creaking sound behind him like a door opening and he turns around slowly Mora is standing behind him next to the trapdoor that leads from the cabin below inside the aft castle There are cuts on her cloak and blood splattered over it Elkira notices that although most of the blood is red some of appears to be white and actually burns the cloak where it drips onto
