

LONG WAY ROUND

The Long Way Round

Paul Carter

The Long Way Round:

The Long Way Round John Nesling, 2006 Australia as post World War 2 English emigrants embarking under an Australian government subsidised plan to populate the country It was time when there were jobs for anyone anywhere throughout the length and breadth of Australia thus making it possible to travel work and explore during a more innocent time in a land climatically and socially conducive to such idyllic possibilities The period covered is 16 years from 1954 to 1970 of which five years are spent in New Zealand Throughout this time children are born and a young family evolves Many emigrants simply settled around the major cities for no other apparent reason than that it was where they had disembarked For some this was traumatic and sometimes tragic The book attempts however briefly to address such themes and the themes of emigrants in general As the Vietnam War emerges an attempt is made to define Australia's political choices in relation to her geographical environment Ostensibly written for family and friends the story strives towards a wider audience but is entirely biographical and factual except where a few forgotten names very few have been substituted with others

The Long Way Round Paul Carter, 2024-09-13 The Long Way Round is a poignant tale that follows the life of Tom as he navigates the challenges of growing up and entering young adulthood The story explores the lasting impact of life's seemingly minor moments and the importance of childhood experiences The story also explores how easily we can be distracted from recognising and appreciating the blessings we already have Along the way Tom discovers that life sometimes has a way of healing through unexpected surprises so that even in the darkest times hope and redemption can be found

Long Way Round Ewan McGregor, Charley Boorman, 2013-04-11 A highly readable and spiritually uplifting book about a dream come true Wanderlust Touching and memorable one for armchair travellers and bike freaks Daily Mail From London to New York Ewan and Charley chased their shadows through Europe the Ukraine Kazakhstan Mongolia and Russia across the Pacific to Alaska then down through Canada and America But as the miles slipped beneath the tyres of their big BMWs their troubles started Exhaustion injury and accidents tested their strength Treacherous roads unpredictable weather and turbulent politics challenged their stamina They were chased by paparazzi in Kazakhstan courted by men with very large guns in the Ukraine hassled by the police and given bulls testicles for supper by Mongolian nomads And yet despite all these obstacles they managed to ride more than twenty thousand miles in four months changing their lives forever in the process As they travelled they documented their trip taking photographs and writing diaries by the campfire Long Way Round is the result of their adventures a fascinating frank and highly entertaining travel book about two friends riding round the world together and against all the odds realising their dream

Long Way Round Ewan McGregor, Charley Boorman, Robert Uhlig, 2004 It started as a daydream Poring over a map of the world at home one quiet Saturday afternoon Ewan McGregor actor and self confessed bike nut noticed that it was possible to ride all the way round the world with just one short hop across the Bering Strait from Russia to Alaska It was a revelation he couldn't get out of his head So he picked up the phone and called Charley

Boorman his best friend fellow actor and bike enthusiast Charley he said I think you ought to come over for dinner From London to New York Ewan and Charley chased their shadows through Europe the Ukraine Kazakhstan Mongolia and Russia across the Pacific to Alaska then down through Canada and America But as the miles slipped beneath the tyres of their big BMWs their troubles started Exhaustion injury and accidents tested their strength Treacherous roads unpredictable weather and turbulent politics challenged their stamina They were chased by paparazzi in Kazakhstan courted by men with very large guns in the Ukraine hassled by the police and given bulls testicles for supper by Mongolian nomads And yet despite all these obstacles they managed to ride over 20 000 miles in four months changing their lives forever in the process As they travelled they documented their trip taking photographs and writing diaries by the campfire Long Way Round is the result of their adventures a fascinating frank and highly entertaining travel book about two friends riding round the world together and against all the odds realising their dream **Clara Poole and the Long Way Round** Taylor Tyng,2023-07-04 Mr

Travel book mostly but with some emotional journey stuff along for the ride **Lycra, Lattes and the Long Way Round** Mark Krieger,2011-11-11 As I drew closer to the town of Pont de Vaux I found myself thinking of some of the places Id passed through There were so many tiny hamlets villages and larger towns some vibrant and fine looking others lifeless run down and in dire need of repair Then there were of course the countless numbers of French people who had helped me piece together the jigsaw of roads along my way The places I was riding through werent quite the same but there was that unmistakable pungent smell of agriculture in the air and the sight of fat cows chomping lazily on mouthfuls of grass It was vastly different from the Hautes Alps and the bustling stretch of Mediterranean coast but full of its own charm and character nonetheless Beginning with the idea of tackling some of Europes most formidable mountains on his road bike Mark Krieger

along with his wife Roz started his journey around France from the medieval town of Langres and instantly fell in love with the country Known for its history culture fine cuisine and above all its cycling it became the perfect setting for a Tour of a lifetime
