The Lord Is King The Message Of Daniel:

The Message of Daniel Ronald S. Wallace, 1993 **The Lord is King** Ronald S. Wallace, 1979-01-01 *The Message of Daniel* Ronald S. Wallace, 1984-08-13 God had allowed the unthinkable to happen His people were in exile in Babylon His promises seemed shattered Was God really in control Was he still faithful Did he still care One young man Daniel affirmed that he did It was not without struggle and it cost him to do so But echoing through the centuries of history and resounding from the future that was revealed to him came the proclamation The Lord is King even in Babylon Parts of the book of Daniel have always been popular the exciting stories of three men in a fiery furnace Daniel in the den of lions and the strange handwriting on the wall which struck terror in the heart of the Babylonian king But beyond the drama the modern reader faces the enigmatic prophecies of the future What do they mean Were they for Daniel's near future or for ours Ronald S Wallace cuts through these difficulties and exposes the background and message of Daniel for both his day and ours

The Message of the Old Testament (Foreword by Graeme Goldsworthy) Mark Dever, 2006-04-10 The Old Testament is the story of God's promises to his people Below its somewhat obscure surface is hidden magnificent truth about

the love and power of God Throughout its pages the reader can find promise after promise from God all of which are fulfilled in the New Testament in the incarnation of Jesus Christ Author Mark Dever introduces readers to the Old Testament as a glorious whole so that they are able to see the big picture of the majesty of God and the wonder of his promises **A Primer on the Book of Daniel** Ted Noel,2009-01-01 The Common Market is going to be the kingdom of the Antichrist Jesus will return within 40 years of the creation of the state of Israel in 1948 The Battle of Armageddon will come when the Soviet Union invades Israel over oil Those newspaper mileposts passed and the Soviet Union fell The faithful Christian has his faith shaken every time prophetic teaching based on the New York Times fails Critics have a field day with each wrong interpretation Then a new theory that fits the daily news better than the last one pops up Each time the sensational new speculation fails Could it be that prophecy writers are listening to CNN more than to God When a careful Christian reads a scholarly work it can be about as interesting as reading the telephone book Scholars do great research but their books generally are written to other scholars not to the rest of us Isn't there a better choice You're holding it A Primer on the Book of Daniel is designed for you It's written in your language not the almost foreign jargon of the scholar At the same time it's drawn from the work of scholars who have studied the Bible carefully for years Their work has been assembled and translated so you can understand what the Bible says when it's allowed to interpret itself Using plain language Daniel gets to explain himself **Mission in the Way of Daniel** Edward L. Smither,2022-09-13 Mission in the Marketplace What can the prophet Daniel teach us about serving in God's mission Daniel was not a priest or official religious leader he was a forcibly displaced Israelite who became a public administrator in the Babylonian and Persian empires While he may serve as an example of an admirable work ethic often finding favor and recognition with political leaders he is also a prime example of a bold and godly individual willing to be a witness in his sphere of influence Though his boldness resulted in suffering he consistently experienced and demonstrated God's power in his witness This same boldness is needed today While many books and Bible studies explore the work ethic and character of Daniel Ed Smither takes those discussions to a new level illustrating why each of Daniel's qualities and skills is a necessary component of mission today Mission in the Way of Daniel probes mission theology and practice in the Old Testament exploring the well known story of Daniel through the lenses of mission history and mission practice Providing relevant application for contemporary issues like diaspora power encounters and divine favor in mission the themes in Mission in the Way of Daniel advance the ongoing conversation about how to do mission For mission practitioners tentmakers and all Christians this book shows us how God can use us where we are in life and work

Exalting Jesus in Daniel Dr. Daniel L. Akin,2017-08-01 Edited by David Platt Daniel L Akin and Tony Merida this new commentary series projected to be 48 volumes takes a Christ centered approach to expositing each book of the Bible

Daniel: Prophet at the King's Command, a Novel Terry Thompson,2021-03-30 The only problem you will have with this brilliant and inspiring novel by Terry Thompson will be laying it down It is a spellbinding story with many great lessons

of courageous leadership Its contemporary resolution of the mysteries of the end times will give you chills Every few years a particular Bible based novel commands the attention of the Christian world This is it for this decade Mike Huckabee former governor of Arkansas national television personality and New York Times Best selling Author Daniel was just a teenager when he was taken captive by the Babylonians never to see his family again As Daniel and his friends strive to make the best of their unusual circumstances slaves in the king s court they also fight to honor their vows to the one true God amidst a people who worship only false gods During his lifetime Daniel saw the fulfillment of God s promises prophesied of the Israelites future as well as ours and led pagan kings to God From slave to the highest position in the king s court Daniel shows how God can use an ordinary person to do extraordinary things Terry Thompson brings the book of Daniel to life with extensive research into the lives and customs of the Hebrew people and he even opens up the discussion for the prophecies that have yet to be fulfilled This book is a complement to an intensive study on Daniel and the God Who is still faithful to protect His people
