The Lord Jesus Christ His Life Mission And Message:

The Lord Jesus Christ Raj Benjamin Khan, 2002 The Triune God and Mission Pieter Verster, 2022-07-18 The wonderful love of the Father Son and Holy Spirit makes mission possible A deep christological view of mission must be taken The offices of Christ namely his Kingly Priestly and Prophetic offices undergird mission Glorious salvation is then possible The Holy Spirit confesses that Christ is Lord The church becomes a vehicle of the love of God through this confession The Father's acceptance of the prodigal son is a deep missiological act In the most challenging times of COVID 19 poverty and international conflict mission is radically necessary **How to Discover Your Personal Life Mission** John Morgan, Steve Johnson, 2007-05 Morgan and Johnson's Personal Life Mission System or PLM has been used to help thousands of people find clarity and direction for their careers and lives Readers can use all of this insight into how God has made them to write their own Personal Life Mission Statement Practical Life *Understanding Christian Mission* Scott W. Sunquist, 2013-09-15 This comprehensive introduction helps students pastors and mission committees understand contemporary Christian mission historically biblically and theologically Scott Sunquist a respected scholar and teacher of world Christianity recovers missiological thinking from the early church for the twenty first century He traces the mission of the church throughout history in order to address the global church and offers a constructive theology and practice for missionary work today Sunquist views spirituality as the foundation for all mission involvement for mission practice springs from spiritual formation He highlights the Holy Spirit in the work of mission and emphasizes its trinitarian nature Sunquist explores mission from a primarily theological rather than sociological perspective showing that the whole of Christian theology depends on and feeds into mission Throughout the book he presents Christian mission as our participation in the suffering and glory of Jesus Christ for the redemption of the nations In His Image Matthew Lee Smith, 2007-02-22 In His Image is the next step for those who have read The Purpose Driven Life Following the Life Purpose of Mission this book explores God's great love for humanity from every book of the Bible From the creation of Genesis to the culmination in Revelation God's love shines through every page Never is this ever clearer than in the times of Israel's great betrayal of their God His passionate pursuit of His children can be heard dripping from his voice as He calls them and us by proxy back to His shelter and protection This book was written To convince the reader of God's intense and immense love for them To encourage the reader to reach out to the God who is passionately in love with them To strengthen the reader's faith in God's compassion and To motivate the reader to share the love of God with every person they meet It is very clear God loves people of all races and ethnicities Therefore whenever appropriate to the passage of the day emphasis is made on the issue of racial reconciliation around God's love His love becomes the motivation for evangelism and for community In each daily devotional There is a Biblical Scripture they are encouraged to read There is a passage of Scripture to read in the devotional itself There is the devotional to read which focuses the reader on a single thought broken into two three or four practical ideas they can utilize that day in

their lives and There is a thought to take with the reader each day which summarizes the theme concerning God's great love for them
